Supporting Local Businesses

With the support of Port Washington State Bank, the city of Cedarburg aims to revitalize its economy with low-cost loans between \$5,000 and \$50,000 for new and existing businesses. The purpose of these loans is to encourage new investment in commercial properties, and strengthen our community by assisting with start-up and expansion costs.

What Can The Loan Be Used For?

- Redevelopment of blighted property and vacant facilities
- Costs associated with environmental, safety, and/or building code compliance or development
- Land or building purchase
- Equipment purchase
- Leasehold (non-residential) improvements
