# The City of Cedarburg

seeks to preserve its historic, "small town" atmosphere and quality of life while balancing the desires of our community by delivering high-quality programs and services in a fiscally responsible manner. This is not only our heritage...but our mission.

December 2017

Dear Mayor
Kip Kinzel
and Members
of the Common
Council,

In accordance with the obligations set forth in Section 3-1-3 of the City of Cedarburg Code of Ordinances, I am pleased to submit the fiscal year 2018 budget for the City of Cedarburg. This annual document includes information on the City's General, Capital, Water Recycling Center, Debt Service, Special Revenue and Internal Service Funds. The total 2018 budget is \$18.8 million.

As in previous years, the budget was difficult to balance due to previous years' low rate increases. All of the City's reserve funds were depleted, requiring borrowing or the purchasing of equipment and projects to be delayed. The State of Wisconsin continues to put restrictions on the ability of municipalities to raise revenues and increase expenditures. State revenues had declined dramatically over the years and now are holding steady. Expenditures have been cut since 2009 to keep the City's tax rate level, funds have become very tight. Revenues have been declining from the State along with new mandates on taxes and fees.

The growth of the City in 2017 would allow for a tax levy increase of \$611,842.

Besides the levy limit which only allows an increase equal to the CPI and the City's growth, the expenditure restraint program has been changed. All taxes levied by the City are included in the calculation to meet the requirements of this program, making the expenditure increase limit even more difficult to achieve. The City did not qualify for the expenditure restraint revenues in 2018 due to this change.

The seven year refuse and recycling contract is increasing for 2018 by \$12,358 for the built-in 2% increase and new residences. The Library budget operating expenditures are increasing 12.4% from 2017. The Library levy is increasing \$14,888 to cover a portion of the personnel increase.

The City was prefunding equipment purchases along with street and stormwater projects. The reserve accounts to fund these purchases were no longer sufficient to fund projects for 2016 and 2017. Because of the diminished reserves, borrowing is necessary to fund the street projects.

The City's adopted assessed tax rate is \$7.48/\$1,000 of assessed value; an increase of \$0.02 or \$5.52 on a home assessed at \$276.000.

# **MAJOR YEAR GOALS**

This budget was completed within the goals, objectives and priorities established by the Common Council. Major goals of the City continue to be infrastructure, environmental issues, equipment replacements and level of service to our citizens. The City has been aggressive in its street replacement program as much as funding allows. An increase in funding in the near future is necessary. The level of service continues with the funding proposed in this budget. The City will put a high priority on reviewing cost sharing options with neighboring communities for equipment and services, service levels and costs for efficiency and monetary savings. There may be additional opportunities with the new public works building.

The details of the City's goals and objectives are included in the Strategic Work Plan, Capital Improvement Plan and the Department budgets.

### **BUDGET ENVIRONMENT**

For 2018, the City anticipates approximately \$1 million more in expenditures from 2017. Of this amount \$365,000 is for the funding of the contingency reserve account in General Fund which will only be spent if there is an unforeseen emergency. And cannot be spent without the Common Council's approval.

The City's health and dental insurance increased 8% for 2018. The quoted increase for health insurance was 12.5% and the insurance consultant was able to reduce the increase to 8%. No changes were made to either plan for 2018, but options need to be reviewed by the Personnel Committee in 2018 for 2019 benefits.

Every year the City has to struggle with declining State aids such as shared revenues, the expenditure restraint program and the recycling grant program. The State has also increased tax exempt property. Since 1985 shared revenues have fallen from 29% of General Fund revenues to 2.3% in 2018. State Computer Aids and the recycling grant are budgeted to remain the same as 2017. State Transportation Aids are budgeted to increase \$77,967. In 2017 the Forestry Department qualified for a grant of \$19,822 to help with EAB remediation and tree maintenance, for 2018 there is none. In total the State grants

budget is decreasing 11%.

The levy limit is still in place from the 2011-2013 State budget. The law allows a municipality to carry forward from the previous year a percentage of unused levy capacity when calculating its 2018 limit. The expenditure restraint program allows for an increase in expenditures equal to the current CPI at September 30 and the percentage of net new construction in the City. Staying within the State levy limit and expenditure restraint programs continues to be an issue. The percentage the City is held to for 2018 was 3.5%. The City's budgeted expenditures are only increasing 3.4% which qualify the City for this revenue source in 2019.

The City's growth would only allow for a levy increase of \$611,842; 6.7%. The Common Council requested a zero percent rate increase for 2017; however that was not possible with the increasing costs, depleted reserves and outstanding debt service.

The 2018 budget process continued to be very challenging. The use of fund balance was budgeted to allow for continued service to our citizens as they expect. In addressing the budget every year, the City exercises fiscal discipline to avoid resorting to poor fiscal practices in order to make a particular fiscal year budget look better. Budget development guidelines to avoid include:

- Over-estimation of revenues
- Under-estimation of expenditures
- Use of General or Capital Fund fund balances to support re-occurring expenses.
- Use of debt to fund capital expenses that either have a short life expectancy or will occur annually

### **2017 IN REVIEW**

For 2017, revenues are expected to exceed expenditures resulting in an increase in the fund balance. The revenues and expenditures are expected to be over budget for the year. There were new accounting procedures followed in 2017 that created additional revenues; included were Senior Center van receipts, donations and tours and donations to the Police Department. Other items not previously recorded were fuel system revenues used for the maintenance of the equipment and software at the Public Works garage and the Police Department direct alarm fees. Because of these accounting changes both revenues and expenditures were over 2016. The new Public Works facility utilities did not come in as expected and the budget requests for 2018 were adjusted accordingly.

The City has been able to selectively use the fund balance for special, one-time costs because the City's reserves are well within the parameters set by policy. In these tough economic times, the fund balance is used more often for one time purchases. The budget includes a \$487,100 use of fund balance. One time purchases for Police handguns, park improvements, transfers to Capital Improvements for a sand area shower and the Senior van, the branding initiative and to fund the contingency reserve account. Further in the Transmittal Letter, the financial challenges of the City are discussed in detail.

### STRATEGIC WORKPLAN AND OTHER ACCOMPLISHMENTS IN 2017

The Strategic Workplan helps guide the budget document in planning for the future. The following highlights recent significant accomplishments of the organization over the last year as they relate to each established goal area of the Strategic Plan.

### Organizational Development (SWP Goal #1)

Responsiveness to citizen concerns and needs by involving citizens and by providing sufficient staffing levels to meet service standards through effective recruitment, training and retention of qualified employees, supplemented by a network of volunteers and contract providers.

- Hired and trained two new dispatchers
- · Hired full time fire inspector
- Hired and trained two new police officers
- Promoted and trained two new patrol sergeants

# Financial (SWP Goal #2)

Promote sound fiscal management that seeks to minimize debt, pre-fund significant expenditures, maximize non-tax revenues and share revenues and expenses with other government entities when feasible.

- Updated fund balance policy
- Library became a part of a new four county library system; Monarch Library System
- Cedarburg Friends of the Library provided funding for all educational and recreational programming at the library
- Library revenue from Ozaukee County was increased due to more service provided to non-libraried non-residents

# **Growth and Development (SWP Goal #3)**

Manage community development and redevelopment to retain "small town" atmosphere, foster historic preservation in historical areas, preserve quality of life and continue the vitality of the local economy.

- Completed Prairie View subdivision phase 2
- Sandhill Trails subdivision underway
- Completed The Glen at Cedar Creek subdivision
- Created TID #4 for the remediation and redevelopment of the Amcast site
- Participation in a Cedarburg branding initiative with four other entities
- Updated land use plan

# Infrastructure (SWP Goal #4)

Proactively maintain public facilities while planning and improving infrastructure compatible with growth.

- Completed Public Works Facility
- Began construction of communications monopole
- Completed Sheboygan Road regional lift station
- Acquired site for new Highland Road lift station
- Replaced boiler in Community Center Gym
- Replaced retaining wall behind Fire Department
- · Opened new yard waste drop off site with the addition of cardboard drop off
- Created plan for Adlai Horn Park
- Completed Comprehensive Park & Open Space plan

# Leisure Services (SWP Goal #5)

Preserve and enhance quality of life by providing cultural, educational, leisure and recreational activities for all generations to enjoy.

- Conducted ten week Aging Mastery Program at the Senior Center using a grant received in 2016
- Over 7,000 youth attended programs and over 6,000 youth participated in the summer reading programs at the library

# Public Safety (SWP Goal #6)

Protect life and property by establishing an atmosphere of safety, trust and well-being.

- Updated the City fire code
- Added a new first response fire vehicle (UTV) to provide protection during the festivals
- Replaced the outdated electric ambulance cart with a new gas ambulance cart
- Updated dispatcher console to new County system
- Upgraded officers body cameras
- Equipped three patrol vehicles with liquefied petroleum for fuel
- Replaced fourth of six emergency sirens
- · Participated in a county-wide radio user group needs study to develop the new county radio system
- Ongoing research for central or combined dispatch and shared services

# Risk Management/Environment (SWP Goal #7)

Conduct the business of the organization in a manner that reduces risk exposure in the most cost-effective manner possible, while maintaining a proactive stance on these issues through ongoing training concerning policies, procedures and safety practices.

- Changed property insurance carrier to save on premium
- · Conducted onsite employee training on forklift operation and safety

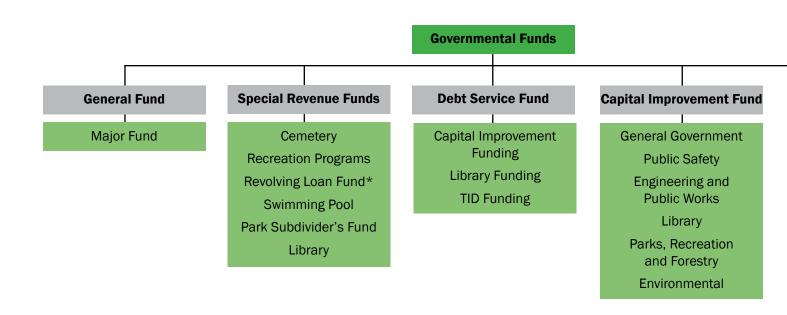

# **Technology** (SWP Goal #8)

Improve efficiency and productivity between City departments, residents and businesses through technology.

- Began replacement of City Hall workstations to update operating systems
- Added online scheduling software at the Police Department
- The library received \$13,000 in technology grants to purchase resources and equipment for residents. The updates in technology were in response to a technology user survey of the community and was a collaboration of the School District, resident volunteers, Chamber of Commerce and local organizations.

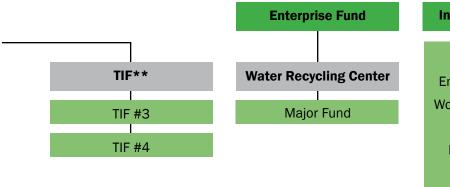

# **City of Cedarburg Fund Structure**

<sup>\*</sup> Not Budgeted—This is a loan program and amortization schedules are developed as loans are approved

<sup>\*\*</sup> Not Budgeted—A project plan is created at creation date stating project budget

<sup>\*\*\*</sup> Not Budgeted—Donations are not known until received (donor designates purchase)

# Liability Insurance Employment Practices Workers' Compensation Unemployment Property Insurance Crime Boiler Insurance Cyber Liability

### **2018 BUDGET OVERVIEW BY FUND**

The 2016 tax levy equaled \$9,118,922; 8.2% levy increase over the previous year. The goal of no tax levy increase was very challenging due to the increase in the debt service levy. Through this budget process, trying to keep the tax levy increase to zero, there were new budget requests that could not be funded. Combining the property tax funding of the General Fund, Capital Improvement Fund, Special Revenue Fund, TIF #3 and Debt Service Fund the 2017 total levy is \$9,342,213, 2.4% higher than last year. The increase is within the maximum allowable amount by the State tax levy limit due to our adjustment for the 2018 Debt Service.

For year to year, or city to city comparison purposes, the best measure is the equalized tax rate. The equalized rate is determined by dividing the proposed tax levy by the equalized value, which is an estimate by the State of Wisconsin of the total fair market value of taxable property within the City and is adjusted annually to reflect the increase in the fair market value of taxable property. The 2017 total equalized value is \$1,309,132,400; 4.4% higher than last year. Based on the proposed tax levy, the equalized tax rate is \$7.14/\$1,000 equalized value, or 1.8% lower than last year. Since 2002, the average annual municipal equalized rate increase has been 1.49%.

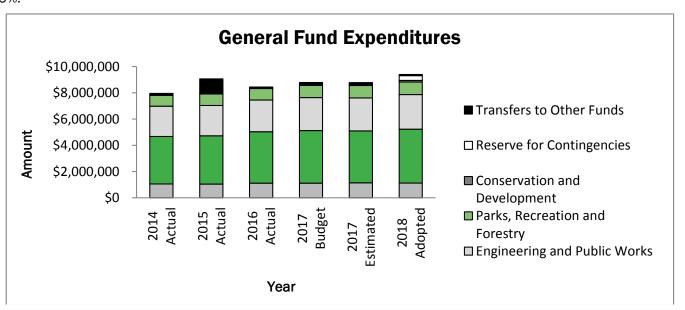

The assessed value of City property for 2017 is 95.4% of equalized value, or \$1,248,857,140 and is 2.2% over last year's value. This yields an assessed rate, based on the aforementioned levy, of \$7.48 per \$1,000 of value; 0.3% over 2016.

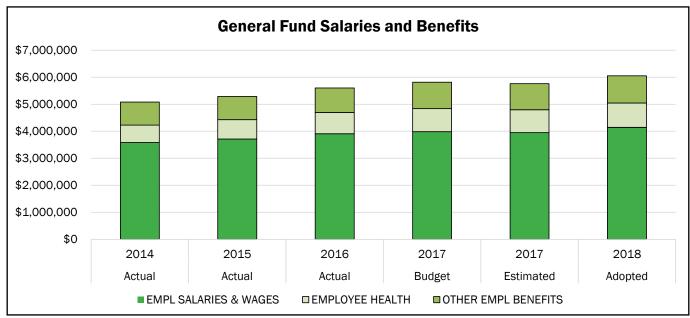

# **GENERAL FUND**

# **Expenditures**

The 2018 total General Fund Budget equals \$9,397,301, which is a 6.88% increase from last year. The Operating Budget equals the total General Fund budget minus budget transfers to other funds. With this increase in expenditures the City qualifies for the 2019 State Expenditure Restraint funding. The State program allows a percentage increase in expenditures based on a formula using the CPI; to qualify for the 2019 program revenue the expenditures cannot increase more than 3.39%.

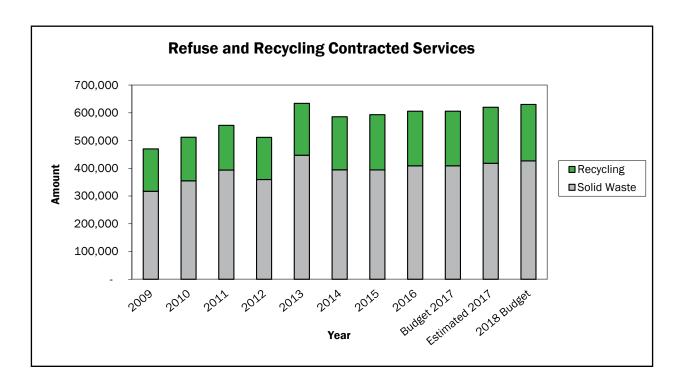

Salaries are budgeted with a 2% increase for employees on January 1; except for the Protective employees which are budgeted at a 2.50% increase. Dental and health insurance premiums are budgeted for an increase of 8.0%. The total budget for health and dental is increasing 5.7% due to the increase in health insurance. Workers' compensation premiums increased City-wide due to the change in the experience modification factor. In 2017 the factor was 1.01 and is 1.09 for 2018.

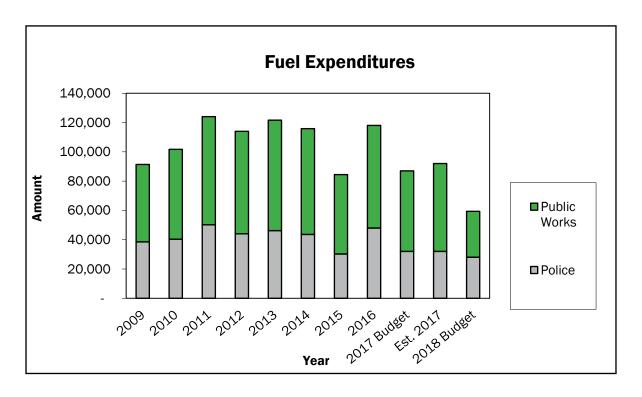

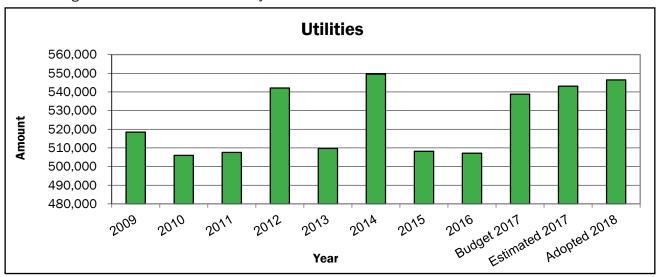

The City contract for refuse and recycling collection is increasing 2.0%. Part of the increase is due to the new construction of single family homes

The following graph shows the departments with the largest fleets of vehicles and their fuel budgets:

Utilities were budgeted the same as 2017 and adjusted to actual use for an increase of 1.4%.

The following are some of the significant changes in the General Fund budget:

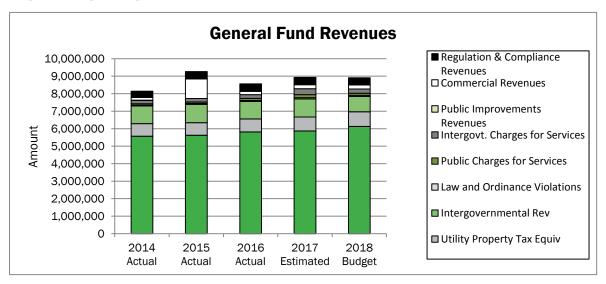

- Elections—An increase in election expenditures this year due to the number of elections increasing from 2017.
- Technology—An increase due to the replacement of computers for the upgrading of the operating systems to Windows 10.
- City Hall Complex—Decrease in personnel expenditures due to the new hire in 2017.
- **Police Administration**—Increase of \$3,000 in equipment outlay for the purchase of a surveillance camera in downtown.
- **Patrol**—Decrease in fuel due to the addition of propane fueled vehicles to the fleet. There is a \$10,000 increase in equipment outlay for the purchase of replacement handguns for the officers.
- **Fire Department**—Increase in salaries for a part time fire chief and a full time fire inspector/EMT/Firefighter plus benefits which began July 1, 2017. 2018 is the first full year of salaries and benefits; a total increase of \$78,100. To offset this expenditure increase, the Fire Department cut operating accounts by \$40,263.
- Engineering—Increase of \$7,000 for GIS data and mapping.
- **Public Works Crew**—Decrease in salaries and benefits due to reallocation of staff. Reduction of fuel and oil expense due to current prices; \$10,000. Utilities increased for new facility.
- **Street Maintenance**—Increase in salaries and benefits due to reallocation of staff. Reduction in signs due to end of three year replacement for State retro reflectivity requirement.
- Refuse & Recycling—The contract for collection increased for 2018 by \$12,358.
- **Senior Center**—Addition of a budgeted line item, other expenses, due to the reporting of senior trip costs. Senior van expenditures are also new from 2017; previously recorded in Trust & Agency Fund.
- Celebrations—Increase in cost of supplies for flower baskets. Liners need to be replaced.
- Parks, Recreation and Forestry—Increase in repair and maintenance account for improvements to bathroom facilities at three different parks.
- **Planning**—In 2018 an increase in the contract for the planner and economic development coordinator is included at 2%, along with four more hours per week for the planner.
- **Transfer to Other Funds**—The transfer to the Capital Improvements is for the Senior Center van and Fire Department pavement project. Swimming Pool transfer is for the sand area shower and \$1,000 to Recreation Programs for the Civic Band.

### **Revenues**

The General Fund budget includes revenues of \$8,910,201, an increase of 3.16% from 2017, to support General Fund operations. The most significant revenue source is the Tax Levy, which makes up approximately 69% of General Fund revenue. General Fund Tax Levy support for 2018 is increasing 4.5% compared to last year. Revenues are less than expenditures by \$487,100 to fund one time expenditures for the Police Department (\$10,000), park bathroom repairs of (\$10,600), City branding (\$15,000), the contingency reserve account (\$365,000). the swimming pool sand area shower (\$11,500) and a transfer to Capital Improvements for the senior van (\$25,000) and a Fire Department project (\$50,000). For 2018, revenues are budgeted to increase again due to the tax levy. Expenditure restraint revenues of approximately \$166,000 were lost for 2018 but will be available again in 2019. Building permits are budgeted lower than 2017 due to the year falling short of the estimated new construction permits.

Interest earnings are budgeted higher than 2017 due to the continued increase in interest rates.

### CAPITAL IMPROVEMENT FUND

The 2018-2024 Capital Improvement Plan identifies capital projects and estimates the cost presently projected for the next seven years. Staff was urged to thoroughly plan for and realistically budget for capital improvements. Projects are prioritized annually as needs change or as funding allows.

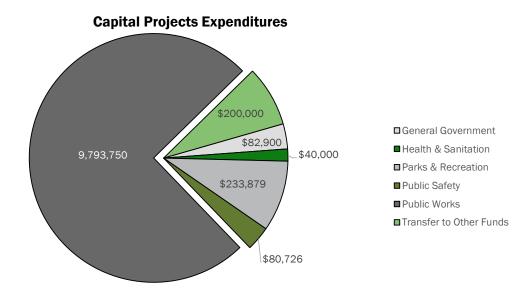

# **Expenditures**

The \$3,076,017 total 2018 Capital Improvement Plan represents an increase of \$576,293 from last year's amount. The reason for the increase is the monopole construction budgeted at \$300,000 and street improvements increasing \$247,000. There were other planned expenditures in the Capital Fund that were postponed until 2019 to lower the tax rate.

# Major Capital Projects Planned for 2018

- A total of \$1,123,000 is budgeted for street improvements in 2018. Projects include Balfour Street, Hampton Avenue and Court, Drury Lane, Kingston Court, Coventry Court, Harrison Avenue, Poplar Avenue, Montgomery Avenue, Chatham Street, St. James Court and Tower Avenue.
- **Stormwater improvements** are an area of Capital Improvement program emphasis with the NR216 regulations and resulting stormwater discharge permit with which the City must comply. Accordingly, \$267,276 of expenditures are expected for engineering services for 2018 projects; Tower Ave., Montgomery/Poplar catch basins, Balfour, Hampton, Drury, Kingston Ct., Harrison Ave., and Evergreen Blvd.
- **Environmental expenditures**, including potential dam and landfill expenses, total anticipated spending is \$510,000. Prochnow Landfill remediation is expected to continue into 2018. Of the funding \$500,000 was included for DNR mandated improvements/compliance to regulations of City-owned dams due to the engineering study required.
- Equipment purchases funded from the equipment replacement reserve account total \$402,000 for 2018. Major
  purchases include a mini excavator with trailer (\$155,000) and a one ton dump truck for Public Works and a lawn
  mower/snow blower (\$62,000) for Parks, Recreation and Forestry

• **Park improvements** projects included are repairs to the Behling Field storage shed, Adlai Horn Park hydrant and water service, Willowbrooke Park playground platforms and Prairie View shelter/restroom facility.

# **REVENUES**

The Capital Improvement Fund's primary funding source is **the property tax levy set at \$915,000**; **\$277,000 less than last year**. The tax levy funds the following accounts: the Equipment Replacement Account at \$450,000 based on the current year's needs; the Street Improvements Reserve at \$200,000, the Stormwater Program at \$225,000, and General Projects at \$40,000. A transfer in the amount of \$75,000 from General Fund is funding for the Fire Department project and the Senior Center van purchase. The allocation for street improvements should be more due to the depletion of the reserve funds but instead funds will be borrowed to continue the program.

# **Capital Projects Revenues**

### WATER RECYCLING CENTER FUND

In the City's major proprietary fund, the Water Recycling Center (WRC) Fund 2018 volume charge of \$5.30/1,000 gallons is a 1.5% increase from 2017. The fixed charge of \$14/month/connection will remain the same as 2017. The holding and septic tank hauler's fee per 1,000 gallons will remain at \$8.70 and \$44.91 respectively.

Operating expenses are decreasing 0.95%. This equates to an estimated net loss for the WRC Fund of \$331,456. The WRC Fund continues aggressive collection system repair and maintenance activities, as shown in the WRC Capital Plan. 2018 Capital expenditures total \$1,545,000.

The outstanding debt is due to the construction of a lift station on Sheboygan Road to service City property from Highway 60 west to Washington Avenue. \$1,005,000 was borrowed for the project in 2016 with annual principal and interest payments of \$82,809.

# **DEBT SERVICE FUND**

The tax levy support for general City debt is budgeted to increase from \$1,284,280 to \$1,502,211; 17%. The actual debt support needed in 2018 is \$1,595,924, which has been lowered by \$85,272 from fund balance, an IRS interest reimbursement from the Build America Bonds program and impact fees. Further discussion of the future debt plan is found in the Debt Service section.

# **SPECIAL REVENUE FUNDS**

In this budget, spending plans for six special revenue funds are included: library, swimming pool, cemeteries, self-supporting recreation programs, room tax, and park subdivider deposits. These individual accounts allow the programs to accrue and manage their own monies without concern of commingling their capital with other programs. The largest account is the Library Fund, with operating expenses of \$952,419; 5.6% increase from 2017 due to an increase in contracted services, publications and subscriptions and computer replacements. The second largest account is the Community Pool Fund with \$340,615 of activity, down 5.9% due to the replacement of the pool heater in 2017. The tax levy for the pool increased \$3,994 or 6%.

# **FINANCIAL PLANNING PRACTICES**

The Mission Statement in the Strategic Work Plan is the unifying theme to the organization which reads:

The City of Cedarburg seeks to preserve its historic, "small town" atmosphere and quality of life while balancing the desires of our community by delivering high-quality programs and services in a fiscally responsible manner.

The Strategic Work Plan has been updated for the new year. Long-term projects/issues are addressed in this plan and also coordinated with the department goals.

The 2018-2022 Strategic Work Plan identifies the objectives of the City for the coming years. Estimated time frames for completion of objectives are included in the Strategic Plan, which is a part of the budget executive summary. There are some items that require special attention from the Council and city staff over the next several years. In the preparation of this budget, staff has attempted to look forward and include required projects along with suggested improvements to operations.

# SIGNIFICANT BUDGET HIGHLIGHTS

A constant challenge facing the staff and Common Council during the budget process and beyond, is meeting the expectations of the community within available resources. The City's Mission Statement indicates the relationship between improving service while minimizing financial impacts to taxpayers. Growing citizen expectations, reduced State funding, limited financial resources, increasing State mandates and the overall cost of doing business has made this an area of concern. Careful consideration was made of City operations and services to continue to provide excellent, yet affordable service. Major changes to the budget for 2018 include dam repairs, monopole construction, and street and stormwater repairs.

### **Environmental**

Significant progress has been made in the area of environmental issues, yet some financial uncertainty still remains. A number of environmental related issues remain that could result in significant effort, coordination, and long term costs for the City. These items include pollution remediation of the Prochnow and Blank Landfills, coordination with the EPA and DNR of the Cedar Creek cleanup, and the potential rehabilitation, reconstruction or removal of the Ruck, Woolen Mills, and Columbia Mills Dams. The Cedar Creek cleanup will be completed by Mercury Marine in 2018.

The City continues to perform routine inspections and maintenance on the dams and in 2014 had an engineering study started to see what needs to be done for all three dams to be brought up to current DNR NR 333 standards. None of the dams meet the present hydraulic capacity standards, nor can they be certified to be structurally stable in a 100 year flood.

The potential financial burden and liability presented by the dams will only increase as they age. The City hired an engineer at the end of 2016 to begin work on the maintenance needed on the Woolen Mills and Columbia Mills Dams.

The Pleasant Valley Landfill well monitoring along with routine maintenance to the property and wells will continue into the future.

# **Street Condition**

Street condition continues to be a priority of the City. The City of Cedarburg had been working towards full "pay-as-you-go" financing of annual street maintenance and repair until growth became stagnant and funding was cut back to keep the tax rate down for residents and the reserved funds were depleted. For 2018, \$1,123,000 is budgeted for the 2018 capital program. The City had gradually increased funding support for the street maintenance efforts up until 2005. Additional support in future years remains necessary to fulfill an ambitious seven year capital street improvement program. The levy is not enough to fund this year's projects so a borrowing is planned in the amount of \$800,000.

# **Business Development**

In 2014, the Joint Review Board (JRB) adopted a resolution to create TID #3. This District is located in downtown Cedarburg on the northeast corner of Washington Avenue and Mill Street. The plan includes the construction of two buildings on the property with a minimum value of \$950,000.

In 2016, the Community Development Authority was created. The Board has been working on a project to remediate and redevelop an old manufacturing site that is blighted and on the EPA's National Priorities List. This developer's agreement was approved by the Common Council and Community Development Authority and the TID #4 project plan was approved by the JRB on November 16, 2017.

At the end of 2017, the City began marketing the property on State Highway 60. This property was previously part of a tax incremental district but was dissolved because of the slow economy and no utilities were available. Since the extension of utilities across the creek for development on Sheboygan Road, the potential for development of the business park is expected in a year or two.

### **Mandates**

The City has been impacted by state mandates. The City began compliance with the Governmental Accounting Standards Board (GASB) Rule 34 in 2003, in which the City must report all capital and infrastructure assets of the City and depreciate them. This involved substantial data gathering and administration to be incorporated in the audit statements. This data base is continually maintained.

In order to receive State Transportation Aids, the City is mandated to biannually create a complete **Pavement Evaluation** and **Management Program** of all City streets, which electronically rates the condition of the streets. This information is updated annually.

In 2008, the City had to comply with GASB 45, which requires the recording of other post-employment benefits (OPEB). The 2008 budget included additional funds to pay for the actuarial services to comply and the reporting was included in the 2008 audit report. To avoid the additional cost in the future, the City has charged retirees their fair share of the premium since 2011. This eliminated the OPEB liability on our financial statements and the actuary expense.

The DNR has developed the new Total Mass Daily Loadings (TMDL) requirement for both the wastewater treatment plant effluent as well as municipal storm water discharges entering Cedar Creek. Very strict phosphorus limits have been established, and all Wisconsin municipalities are struggling with how to comply. The regulations are still unfolding and new permits are coming out. The ultimate cost of compliance could be very high, but it appears municipalities will have multiple permit terms, perhaps 10 to 15 years, to fully comply with the new regulations.

The City applied for and was awarded a \$33,000 grant from DNR in 2016 to update our storm water model and redraft the Erosion Control and Storm Water Management ordinances. Another \$19,500 grant to evaluate TMDL storm water compliance options was applied for in 2017.

As new permits are finalized, the plan of action and cost to comply will become clearer.

In 2006 the State of Wisconsin passed Act 203 and Act 477 changing how municipalities collect, spend, and report impact fees. With the new impact fee law the City is further restricted on the use of impact fees and is also required to report revenue and expenditure totals in the annual budget. If the impact fees are not expended within seven years of collection, an extension must be requested or the fees refunded to the property owners.

Impact Fees 2017 Activity				
	Beginning			Ending
	Balance	Receipts	Disbursements	Balance
Park Impact Fees	33,477.06	47,603.79		81,080.85
Library Impact Fees	0.00	9,081.05	(7,474.00)	1,607.05
Sewer Impact Fees				
Biosolids	2,275.82			2,275.82
Equipment Replacement	39,281.62	5,089.28		44,370.90
Police Impact Fees	0.00	10,388.62	(10,388.62)	0.00
Total Impact Fees	75,034.50	72,162.74	(17,862.62)	129,334.62

In order to comply with the U.S. DOT Federal Highway Administration retro-reflectivity mandate, \$11,000 was added to the sign budget in 2011. The City signs were replaced with signs meeting the new retro reflective standards. 2015 was the last year for this program.

In 2015 the City was required to comply with GASB 68, Accounting and Financial Reporting for Pensions. An adjustment is made annually to the total net position of the City for the guideline.

The State of Wisconsin clarified the expenditure restraint program making it more difficult to qualify for the program and Ithe City ost \$166,000 in revenues for 2018. The City will qualify again for the revenues in 2019 with the 2018 budget.

### **2018 BUDGET CHALLENGES**

The City strives to maintain the high level of services its citizens have come to expect and was able to accomplish this with only a \$0.02/\$1,000 of assessed value increase in the rate. In prior years, maintenance or replacements of aging infrastructure, buildings and equipment were postponed and now are more expensive and urgent than before. Funding levels in capital improvements should have been re-instated to necessary amounts for proper project funding. Equipment purchases and park projects were postponed to keep the tax rate down. The housing market, building inspection revenues, impact fees, and the timing of the business park on Hwy 60 will continue to have a significant impact on the City's tax base. The City has been able to maintain an adequate fund balance to alleviate revenue reductions beyond the City's control.

The Common Council needs to continue to look towards the future, not just the current budget year. The City's workforce is aging and there are many retirements expected in the next five years. Succession planning and investment in our current staff will be very important to the City.

### **GFOA BUDGET AWARD**

The Government Finance Officers Association of the United States and Canada (GFOA) presented the Distinguished Budget Presentation Award to the City of Cedarburg for its 2017 budget document for the twentieth year. The award is valid for a period of one year. The City will be applying for the award for its 2018 budget.

### **ACKNOWLEDGEMENTS**

This budget would not have been possible without the effort, energy, talent and dedication of the City's Department Heads and staff. Everyone was very helpful with their financial prudence. Specifically, Administrative Assistant Jenny Valenta and Deputy Treasurer/Payroll Officer Kelly Livingston were instrumental and invaluable in the preparation of this budget document.

Respectfully submitted,

**Christy Mertes**

# ECONOMIC PROFILE

# CITY OF CEDARBURG

The City of Cedarburg is located on the banks of Cedar Creek, in the southeastern portion of the State of Wisconsin in Ozaukee County, approximately 18 miles north of downtown Milwaukee, Wisconsin, and less than four miles from Lake Michigan. The City is comprised of 55.68 miles of streets located in a 4.86 square mile area, has 3 bridges and 55.4 miles of sanitary sewer. Interstate Highway 43 is located about three miles to the east of the City. State Highways 60 and 181, as well as County Highways C, I, N, NN and T, also provide ingress and egress to the City.

The City of Cedarburg operates under the laws of the State of Wisconsin as a fourth-class city, with a Mayor, seven Common Council Members, and a full-time City Administrator to coordinate municipal operations and services. Council Members are elected for two-year terms and the Mayor for a three-year term. A limit of four terms has been set for Council Members and three terms for the Mayor, with certain exceptions. Fifteen committees, commissions and boards, made up of Council Members and citizens, help determine the overall goals, advise in areas of special concern, and open additional lines of communication between

the general public and City Officials. These volunteers, possessing a strong sense of community, give freely of their time and talents to create a community rich in architectural, cultural and historical ambience. City Hall is located in the former high school building which was built from locally quarried limestone in 1908 and renovated in 1987.

In 1842, Ludwig Groth began a new life along Cedar Creek's banks and entered the history books as the first settler of Cedarburg. In 1844, Frederick Hilgen and William Schroeder purchased land from Groth and built a grist mill. Much of the prosperity of Cedarburg came from its presence on Cedar Creek. Because of the significant drop in grade as Cedar Creek flows towards the Milwaukee River and the resulting construction of dams, important industries including a grist

mill, saw mill, planing mill and woolen mill emerged. In 1864, taking advantage of the water power from Cedar Creek, the Wittenberg Mill was built, which was the only woolen mill west of Philadelphia to produce worsted yarns. This mill made wool cloth for Union uniforms and blankets. By the 1890s, it was the largest woolen mill in the Midwest. Today, that historic building houses the Cedar Creek Settlement, a complex of shops, restaurants, artists' studios and winery. Cedarburg was incorporated as a village in 1874. After Cedarburg's population had grown to 1,500 in 1885, it was incorporated as a city. Careful preservation and restoration of many of Cedarburg's original structures has assisted in maintaining the look of "yesteryear" despite being in the new millennium. The downtown area looks much as it did a century ago. Cedarburg's downtown Washington Avenue area is listed in the National Register of Historic Places, with over 100 buildings considered historically significant. Columbia Road Historic District is listed on the National and State Registers of Historic Places including almost 130 structures.

In 2008, the City of Cedarburg formally adopted the Smart Growth Comprehensive Land Use Plan–2025, which was drafted in accordance with Section 62.23(2) of the Wisconsin Statutes. This Plan is the official statement of the City of Cedarburg that sets forth the major objectives concerning the physical development of the City. It is intended to be used as a tool to help guide the physical development into functional, healthy, efficient and attractive land use patterns.

The Department of Administration's population for the City of Cedarburg in 2017 was 11,537. According to the 2017 Census, 24.8% of the population is made up of children less than 18 years of age. There are currently 4,901 housing units in the City, of which 3,764 are single family. The total equalized value of the City is \$1,309,132,400 with the average equalized value on a single-family home being \$289,000.

# PARKS, RECREATION AND FORESTRY

# CITY OF CEDARBURG

Cedarburg is a diverse business community whose downtown area has remained essentially unchanged for the past 100 years. Today, these restored structures serve as the "heart" of the City and are utilized for shops, homes, offices, museums, art galleries, restaurants and public buildings, resulting in a vital downtown district. Historic preservation is a priority in this community. A diversified cross section makes up Cedarburg's largest employers. Woodmere Town homes claims the City's highest 2017 assessed value equaling \$7,840,000. Integral to the economic development of Cedarburg is the Cedarburg Business Park, which was created as the City's first Tax Incremental Financing (TIF) District in 1991 through the joint efforts of the City, Chamber of Commerce and Forward Cedarburg. Businesses that have located in this successful Business Park include: L.S. Research Inc., Milwaukee Journal/ Sentinel, Community Printing, AE Commerce LLC, Eastern Wisconsin Water Conditioning, Inc., and others; ranging from local importers of medicinal herbs to software developers. The TIF District closed in 2002, two years ahead of projections with an incremental value increase of \$30,183,200 attributable to the City's investment in the property.

A primary goal of the leaders of this community is to foster economic growth and development through business retention and attraction of new businesses, preserving the financial integrity of Cedarburg. To this end, in 1998 the City purchased 60 acres along State Trunk Highway 60 in the Town of Cedarburg for future use as a business park. The City completed a Master Plan for this land and surrounding area and that planning effort is a component of the City of Cedarburg Smart Growth Plan-2025. This city-owned land for our future business park along with additional land annexed into the City comprised our second Tax Incremental Financing District. The TID No. 2 plan was adopted on January 29, 2007. The TID No. 2 was located on the north end of the City and abuts Highway 60, giving easy access to I-43. TID No. 2 was a mixed-use district to develop a business park and related areas to stimulate economic development. The TID No. 2 was closed in 2015 due to inactivity and a decrease in value. The City began marketing the park at the end of 2017 due to the availability of utilities on Sheboygan Road.

In 2014, the City of Cedarburg was named the 2014 eCity of Wisconsin by Google. "The eCity Award recognizes the strongest online business community in each state; the digital capitals of America."

As part of the development of a long-range plan for economic growth and industrial expansion, the leadership, supported by its residents, is committed to protecting the environment and preserving Cedarburg's unique historic flavor and ambiance. In 2008, the City contracted with an Economic Development Coordinator. This contractor's main focus is on revitalizing the City's downtown. With this position,

current and potential businesses and property owners have one resource for information.

In 2015, the Mayor and Common Council created a Community Development Authority (CDA) to work on redevelopment opportunities with owners of blighted property in the City. The CDA completed a developer's agreement and with the Joint Review Board created a tax incremental district as of January 1, 2018 for the clean-up and redevelopment of the Amcast, Hamilton Road property, which is on the EPA's National Priorities List.

In addition to 35 beautiful, well-kept city parks and designated park lands totaling 154 acres, the City of Cedarburg has been awarded the designation of Tree City USA by The National Arbor Day Foundation for 27 consecutive years. The City also received the Tree Growth Award 8 times. To become a Tree City USA, a community must meet four standards—a legal tree governing body, a city tree ordinance, a comprehensive urban forestry program and observance of Arbor Day.

Part of the park system is a city-wide interurban walking/biking trail that runs the full length of the community and is adjacent to an attractive section along Cedar Creek, which is crossed by a former rail bridge renovated in 1998. The City's trail is a portion of the 30-mile Ozaukee Interurban Trail, which follows the path of the former Interurban Railroad, and is a unique pathway for walkers, runners, cyclists and skaters that links Milwaukee County on the south to Sheboygan County on the north. Along the trail, the former Interurban Train Depot was renovated and is now occupied by the Ozaukee County Historical Society. Additionally, a bike trail was constructed in 2000 along Pioneer Road/CT Hwy C, between Green Bay Road and Wauwatosa Road, as part of the road reconstruction project.

In 1996 the City, in cooperation with the Town of

# CITY OF CEDARBURG

Cedarburg, built a state-of-the-art community pool, which includes interactive play equipment, an area for toddlers and other amenities for members of this family-oriented community to enjoy. Annually over 75,000 people visit the Cedarburg Community Pool. In 2017 the Town pulled out of the shared services agreement and the pool is fully operated and funded by the City.

The multi-service Senior Center located in the historic 1894 Lincoln Building, a former grade school in downtown Cedarburg, is designed to provide essential social, wellness, education, nutrition, transportation and leisure services to adults 55 years and older in the Cedarburg area. The Center offers one-day and extended trips, organizes and implements sport leagues and activities, coordinates additional special events and the site for the Ozaukee County Senior Citizen Meal Program. Senior Center amenities include lounge area, games, pool table, and cable TV.

**ITY SERVICES** 

The City of Cedarburg is serviced by municipal water, electric distribution and wastewater treatment systems. The **Cedarburg Light & Water Utility** is part of a community of more than 2,000 publicly-owned electric utilities in the United States that through consumer ownership ensure reliable, efficient and cost-effective electricity to their consumers. Established in 1901, Light & Water purchases power through the 51-member WPPI Energy consortium and has over 100 miles of electric lines. Over fifty miles of water mains deliver a daily average of 1,000,000 gallons of water to the community. As a locally

owned and operated electric and water utility, it supplies approximately 6,200 customers in Cedarburg with low-cost, reliable service. As a not-for-profit utility, "service" is the mission, not the need to pay out-of-town stockholders. Rates are kept low and savings are achieved in the community. About \$1.9 million is saved annually in electric charges compared to rates paid in surrounding communities, and

over \$780,000 is paid to the municipality in lieu of property taxes, helping to strengthen the local economy. The sevenmember Light & Water Commission is appointed by the Mayor and confirmed by the Common Council, serving for three-year terms of office.

The Cedarburg Police Department consists of twenty fulltime sworn officers and six full-time dispatchers and is housed in a state-of-the-art building constructed in 2000 on the west side of the City. In addition to maintaining a safe environment for citizens and businesses in the community, the Police Department provides service to many civic organizations at special events such as festivals, the annual Ozaukee County Fair, Maxwell Street Days, and Cedarburg School District activities. Presentations are offered to the community on subjects such as drug abuse and sexual assault prevention, peer pressure, first aid, shoplifting and identity theft prevention. Annually, the Department cosponsors Safety Town and Safety Camp with the Cedarburg Junior Woman's Club to teach youngsters in the community bicycle safety; and along with the WI Department of Natural Resources sponsors Hunter Safety classes. A Citizens' Police Academy is also conducted annually. Several officers are certified as child passenger safety seat technicians and provide safety seat installation assistance. In 2008, the Police Department began offering registration services for the WI DMV.

In early 2009, a K-9 unit was added to the Police Department. Through generous donations, the Police Department was able to purchase Jake, a black Labrador, to assist officers with drug investigations and searching for missing persons. The Cedarburg Police Department is one of 42 departments in Wisconsin to demonstrate a level of competency to obtain accreditation by the State, for its' policies, training and practices.

# EDUCATION

# CITY OF CEDARBURG

The Cedarburg Fire Department, which was established in 1866, provides fire protection and emergency medical services 24 hours a day, seven days a week to the City and Town of Cedarburg. It is recognized as among the State's best. The volunteer department responds to approximately 1,000 calls annually. In 2006, a second fire station was constructed in the Town of Cedarburg just north of Highway 60. Training is a major component of the success of the Fire Department. In 2016, approximately 5,900 training hours were logged to improve fire and EMS skills. The Cedarburg Fire Department's Public Education participates in Safety Town and provides a Survive Alive House and program. They also train local businesses and employees in the proper use of fire extinguishers and provide CPR classes. The Cedarburg Fire Department participates in the Learning for Life Explorer program where young men and women, ages 14-18, can learn the fire/EMS service. Cedarburg Fire Department promotes "Change Your Clock, Change Your Battery" program. The department annually participates in Safety Day promoting not only fire and EMS safety but drug awareness, water safety and many more displays to keep the community aware and educated.

The department is jointly funded by the Town and City of Cedarburg. Money raised from Maxwell Street Days, which is held four times a year, assists in the purchasing of capital equipment, specifically fire and rescue vehicles. Currently, the fire department has three engines, one tender, one 105' ladder tower, one heavy rescue with extrication equipment, one grass truck, one multiple purpose brush truck with extrication and EMS equipment, two ambulances, two utility vehicles, one dive trailer, two Cannondale bicycles and two EMS response vehicle used for festivals and football games. In 2013, a command vehicle was purchased to aid the Chiefs in running a fire scene and going to mutual aid calls in other jurisdictions. All equipment is paid for with money earned from fundraising and ambulance transport fees. No tax dollars are used to purchase equipment.

**Emergency Management** is responsible for the development, implementation and management of the City of Cedarburg's disaster prevention, preparedness, response, recovery and mitigation efforts in coordination with Ozaukee County and Wisconsin Emergency Management. The Police Chief, as the Director, is responsible for the development of the City's Emergency Response Plan (ERP). The plan is then adopted by the Common Council. **Auxiliary Police** are also overseen by the Police Chief and assist in local events, traffic control for accidents and fire calls.

The **Cedarburg Public Library** was established in 1912 by the Cedarburg Woman's Club and has had three locations in the City until finally opening a modern new facility in July of 2014. The library was a member of the Eastern Shores Library System until the end of 2016 when the system merged with Dodge and Washington Counties to form the Monarch Library System. This system will provide residents access to all the public libraries in Ozaukee, Sheboygan, Dodge and Washington Counties along with Lakeland College library and a bookmobile. Savings is gained through the resource sharing of an automated catalog, technology

support, delivery of interlibrary loan materials, reference/research support, and centralized cataloging of materials. Residents have access to well over a million materials among all the libraries. The library supports lifelong learning and offers programs for infants through seniors including story times and technology instruction. Approximately

133,000 visits were made to the library in 2017 along with 13,000 people attending programs/events and 320,000 library items checked out. 8,787 residents are registered library card holders. The library receives supplemental support from the Friends of the Cedarburg Public Library, a 501(c)3 organization.

The Cedarburg School District encompasses three elementary schools, one middle school and one high school. In addition, located within the Cedarburg School District is a parochial school: First Immanuel

# CITY OF CEDARBUF

Lutheran School. In 2013, Cedarburg School District was recognized by Forbes as one of the best ranked schools for your housing dollar in America. In 2014 Cedarburg High School was one of eight schools nominated by the State Superintendent for the National Blue Ribbon Program which recognizes overall academic excellence or progress in improving student achievement. The High School was nominated for the "Exemplary High Performing School" based on being in the top 15 percent for performance levels on the state's reading and mathematics assessments. Within 25 miles of Cedarburg, a higher level of education is offered at institutions such as Concordia University, University of Wisconsin-Milwaukee, University of Wisconsin-West Bend. Marquette University, Cardinal Stritch College, Milwaukee School of Engineering, and Milwaukee Area Technical College, providing excellent educational opportunities for Cedarburg residents.

The Cedarburg Cultural Center is a distinct facility that offers citizens ever-changing exhibits of art, photography, folk heritage, and historical displays. The Cultural Center provides a community meeting room, hosts the annual Stone House Tour, oversees the historic Kuhefuss House and General Store Museum, and maintains a 20th century school room. In addition, the Cedarburg Performing Arts Center, which is adjacent to the High School, provides a backdrop for entertainment in the form of theater, comedy and music.

New to the City in 2017 was the Cedarburg History Museum. The museum came to be through the partnership of the Cedarburg Landmarks Preservation Society Inc., local benefactors and the Cedarburg Cultural Center. It is located in the old Hilgen & Schroeder Mill Store at the corner of Portland and Columbia Roads.

The Cedarburg Artists Guild represents a large cross-section of artisans and crafts people, many of whom have earned local and national recognition. Leading artists' work can be found in local galleries, stores, and at art fairs.

As the last remaining single-screen theatre in Ozaukee County, the Rivoli Theatre contributes to Cedarburg's smalltown character. The restoration of this 70 year-old theatre captures the old-fashioned excitement that attending a movie generates. Layers of previous renovations have been removed, replaced by a new façade recreating the theatre's original 1930s grandeur in the City's historical downtown.

Concerts in Cedar Creek Park are held on Friday evenings from late June through August. Community volunteers began Summer Sounds in 2002. In 2016 the Cedarburg -Grafton Rotary donated to the City a band shell at the park that hosts these concerts.

Cedarburg celebrates festivals each year beginning with Winter Festival. Activities include an ice carving contest, bed racing, chili contest and a pancake breakfast. In June, Strawberry Festival is all about arts and craft shows and plenty of strawberry delicacies. Cedarburg enjoys an old fashioned Fourth of July celebration like no other. A parade, day-long picnic in the park and spectacular fireworks complete the day. Then in September, the annual Wine and Harvest Festival includes arts and crafts, live bands, food courts, apple bobbing and a scarecrow contest. The annual event celebrating German heritage in Cedarburg is in October with authentic German bands, dancers, German food and specialty beers.

The Cedarburg area is truly a treasure trove of history overflowing with exceptional charm. Cedarburg's location, the availability of transportation, the history and rich heritage of the area, the wide array of unique shops combined with a positive business and industrial climate, recreational opportunities, arts and entertainment diversity, a strong commitment to education and schools, available healthcare services and facilities, diverse worship options and strong leadership within city government have and continue to contribute toward making Cedarburg the "best of

small-towns." From the many attributes offered, Cedarburg has become a very popular tourist and visitor destination. Cedarburg was voted Wisconsin's Best Shopping Town and Wisconsin's Most Distinctive Architecture by 2008 Wonders of Wisconsin. M Magazine and Milwaukee's Lifestyle Magazine, named the City of Cedarburg as one of Metro Milwaukee's BEST neighborhoods in their August 2011 edition. The City of Cedarburg is now home to the Milwaukee Curling Club, and the historic downtown area in Cedarburg was featured in Midwest Living Magazine's Holiday October 2012 issue. The City was named 2014 eCity of Wisconsin by Google for our strong online business community. Besides everything that Cedarburg offers, it is just minutes away from the greater Milwaukee metropolitan area for those who occasionally want a taste of the "big city."

# ORGANIZATIONAL CHART

# ORGANIZATIONAL CHART

# BUDGET PROCESS

# **BUDGET DEVELOPMENT**

Once the Strategic Work Plan is updated and expenditure targets have been established by the Common Council, departments begin developing their budget requests reflecting what is necessary to meet the needs of their departments. Budget preparation affords departments the opportunity to reassess their goals and objectives for accomplishing them. Base budgets, which represent existing service levels, are adjusted for price changes (e.g., inflation and compensation adjustments). Staff is asked to evaluate programs, positions and services. Budgets are prepared by the departments addressing growth, service levels, and citizen and Council priorities. Department budget proposals are due in August for board and commission review and input. Boards, committees, and commissions review department requests and suggest changes as they consider necessary. Most comments from the boards and commissions are additions to the Capital Plan. The board, committee, and commission recommendations are brought to the Common Council.

Included in their budget packets are estimates of revenues and expenditures, narratives for each program, explanation for program costs above or below prior year levels, measurement of key service areas, additional personnel requests, capital projects and equipment purchases or major rental requests.

Financial trend analysis is an integral part of the City's decision-making process, which includes both short- and long-range economic financial forecasts. The City's current financial condition with existing programs is evaluated as well as future capacity, integrating long-range plans, objectives and financial policy. Infrastructure needs (capital improvement projects) are also evaluated and play a very important role in forecasting related short- and long-term operating needs.

Performance objective measures are used to report on the achievements, impacts and outcomes of City programs. Departments submit an update of their objectives and measurements during the budget process. They report on prior year performance, update current year estimates, long-term objectives, and set targets for the upcoming year. Department Heads are also encouraged to continually evaluate their performance indicators to ensure they accurately reflect the City's Mission Statement and priorities.

### BUDGET REVIEW WITH DEPARTMENTS OF PROPOSED BUDGET

Department Heads and Supervisors meet with the City Administrator/Treasurer in mid-September to discuss their operating and capital budget requests. Any new or expanded programs or services, costs or items not fitting within the overall established budget target are placed on an "unfunded" list. These supplemental requests are evaluated based on the City's financial capacity and how they relate to the Council's priorities. Following the review of every budget proposal, a preliminary proposed budget is completed for submission to the Common Council at their first meeting in October. During the 2018 budget process, there was not an unfunded list. Some items discussed but not included were a storm water education program, multiple downtown security cameras, electronic data storage and recodification.

### REVIEW AND ADOPTION OF BUDGET

After incorporating staff, board, commission, and committee comments into the budget, the proposed budget is presented to the Common Council at the first meeting in October for their review and amendment. The budget summary is communicated to the general public in the City's official newspaper for public review in October. An official public hearing for citizen comments is held in late October and the Council adopts the budget and tax levy in November. These meetings provide the opportunity for the general public to offer information and recommendations to the Common Council.

The City adopts annual budgets for the General Fund, Cemetery, Room Tax, Recreation Programs, Parks & Playgrounds, Library, and Swimming Pool Special Revenue Funds, Debt Service Fund, Capital Improvement, Internal Service and Sewer Enterprise Funds. A budget has not been adopted for the Community Development Block Grant Fund as the only expenditures are loans and loan-related expenditures which must be individually approved by the Common Council. The Tax Incremental Finance (TIF) budget was approved at the point of plan adoption. The water and electric enterprise funds are independently adopted by the Light & Water Commission.

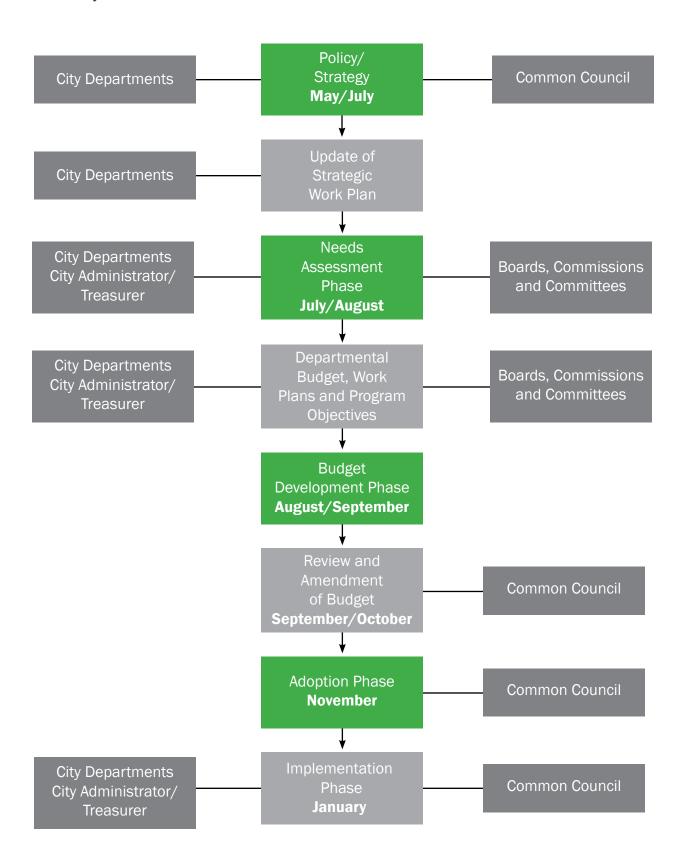

# **BUDGET ADOPTION AND AMENDMENTS**

Individual departments are accountable for budgetary control throughout the fiscal year. Expenditure plans are examined, compared to budget plans, and corrective action, if necessary, is taken during the fiscal year. During the year, the City's accounting system is maintained on the same basis as the adopted budget. This enables departmental budgets to be easily monitored via monthly reports. The accounting software program alerts staff when departments are over budget. Quarterly reports and annual financial statements in addition to the annual audit are presented to the Common Council.

Once the annual budget is adopted, appropriations may only be modified with the approval of a two-thirds majority of the Common Council, including transfers between appropriations. Notice of such appropriation or transfer shall be given by publication within ten days thereafter in the local newspaper. Appropriations (or functions, such as general government, health and sanitation, etc.) represent the level of expenditures which cannot be exceeded without approval of the Common Council. Transfers within appropriations can be made with the approval of the City Administrator/ Treasurer. All unencumbered annual appropriations lapse at year end and shall revert to the fund balance. The appropriation continues in force until the project/purchase is completed or abandoned. Annual budgets are adopted in accordance with State Statutes. Adoption of an annual budget usually takes place before November 30.

# POLCY AND BUDGET

The process of budget review and adoption for the City of Cedarburg is prescribed by State Statutes and local ordinance. These laws require public input in the budget process, including the publishing of a budget summary in the local media. Public input is also solicited throughout the budget deliberations.

**June 19** Staff Review of Strategic Work Plan

Mid-June Capital planning meeting

**June 26** Council set budget parameters

Common Council to review and approve 2018 Budget Process Calendar

**June 30** Department Heads/Supervisors issued departmental request forms for operational budget needs.

review and updating of department descriptions and narratives including unfunded items

August 7 A copy of proposed narrative and line item budget is due to Administrator/Treasurer

Preliminary proposed budget review process begins for board, committee and commission comments; public input solicited at City board, committee and commission meetings in order to

identify constituent concerns and any other budget issues.

September 8 Department proposed budget requests with comments from boards, committees and commissions

due to City Administrator/Treasurer

**September 11–15** Department Heads meet with City Administrator/Treasurer

October 2 E-mail budget summary to News Graphic (by 10:00 a.m.)

October 5 Budget published in News Graphic

Proposed budget distributed to Common Council and available for public review

October 9 Consider proposed budget. Department presentations

October 16 or 23 Possible budget meeting. Department presentations

October 30 Consider proposed budget, official public budget hearing for citizen comments

(citizens are free to comment throughout budget deliberations)

**November 13** Consider proposed budget

**November 27** Budget adopted by Common Council

Budget ordinance published

Following budget adoption, the budget may be amended only by a 2/3 majority vote of the Common Council. Such a majority is required both for additional appropriations and for changes/transfers between appropriations. Appropriations are defined as expenditure categories such as general government, public safety, etc. Budget changes are required to be published in the official newspaper within ten days of approval.

# BASIS OF BUDGETING

# **DESCRIPTION OF CITY FUNDS AND ACCOUNTING STRUCTURE**

This budget is prepared on a basis consistent with generally accepted accounting principles (GAAP). The accounts of the City are organized on the basis of funds, each of which is considered a separate accounting entity. During the year, the City's accounting system is maintained on the same basis as the adopted budget, with the exception that carry-overs or encumbrances from the prior year are added to the budgeted line items. This enables the departmental budgets to be easily monitored via the Trial Balance reports on a monthly basis. Encumbrances represent commitments related to unperformed contracts for goods or services. An encumbrance account—under which purchase orders, contracts and other commitments for the expenditure of resources are recorded to reserve that portion of the applicable appropriation—is utilized in the governmental funds. Material encumbrances outstanding at year-end are reported as reservations of fund balances and do not constitute expenditures or liabilities because the commitments will be honored during the subsequent year.

The City's fiscal year is the calendar year. As required by Wisconsin Statutes, budgets are adopted for the City's funds, which are classified and defined as follows.

### **GOVERNMENTAL FUND TYPES**

These are the funds through which most of the functions of the City are financed. These funds are budgeted on a modified accrual basis of accounting. The focus of the modified accrual basis of accounting is on available spendable resources; that is, the flow of resources into and out of the organization in providing services. The reported fund balance of a governmental fund represents a measure of the available spendable resources. Under the modified accrual basis of accounting, revenues are recognized when measurable and available. Available means collectable within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long term debt, are recorded when the liability is incurred, if measurable. The following are the City's governmental fund types:

### **General Fund**

The General Fund is the general operating fund of the City. It is used to account for all financial resources, most of the day-to-day operations, except those required to be accounted for in another fund.

# **Special Revenue Funds**

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. Special revenue funds utilized by the City include:

Swimming Pool Room Tax Recreation Programs (self-supporting) Cemetery Park Subdivider Deposit Library

The City also utilizes a special revenue fund for administration of its Community Development Block Grant (CDBG) Revolving Loan Fund Program. No annual budget is adopted for the CDBG Fund as the only expenditures are loans and loan-related expenditures which must be approved by the Common Council. The goal of the loan program is to create jobs, encourage private investment, and provide a financing alternative for start-up or expanding businesses. The low interest rate loans may range from \$10,000 to \$125,000.

# **Capital Projects Funds**

Capital Projects Funds account for financial resources to be used for the acquisition of equipment, construction of major capital facilities, or other long-term projects. Capital Projects Funds used by the City include the capital improvement fund and any tax incremental financing (TIF) district fund. The TIF No. 1 project plan adopted by the City in 1991 closed out in 2002. TIF No. 2 plan was adopted by the City in January 2007 and closed out in 2015 due to the losses seen and no development to date. There currently is one outstanding TIF, TIF No. 3 was created in 2015 for two properties located on Washington Avenue and Mill St. Included in this plan is the project budget; therefore, an annual budget is not necessary.

# BASIS OF BUDGETING

### **PROPRIETARY FUND TYPES**

These fund types are used to account for activities funded primarily through user charges. The basis of accounting used in budgeting such funds is accrual accounting. The focus of accrual accounting is primarily upon the determination of net income and the maintenance of capital. Therefore, included within these funds are all assets and liabilities associated with the fund's operations. Revenues are recognized under the accrual basis of accounting when earned. Expenses are recorded as soon as they result in liabilities for benefits received, notwithstanding that the receipt or payment of cash may take place in another accounting period. The City prepares budgets for the following proprietary fund types:

### **Enterprise Funds**

Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business—where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges, or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes. The budget for the City's Water Recycling Center Enterprise Fund is included herein. Operations of the electric and water utility of the City are governed by a separate Light & Water Commission which has been given such oversight responsibility by the Common Council. The budget for the electric and water utility is separately published.

### **Internal Service Funds**

Internal Service Funds are used to account for the financing of goods or services provided by one department to other departments of the City. The City maintains an Internal Service Fund to account for its risk management activities with respect to property, liability, auto, and workers' compensation insurance. In 2010, funding for unemployment compensation claims was added.

# FINANCIAL POLICIES

Preparation and administration of the annual budget is framed by the financial policies and practices of the organization. These serve to make sure the use of City funds are made following the best financial practices and meet the long-term interests of the City. This document compiles the financial policies and practices of the City of Cedarburg, some of which are reiterated in other sections of the budget.

### FINANCIAL GOAL STATEMENT

The second goal of the Strategic Work Plan clearly states the City of Cedarburg's financial values:

Promote sound fiscal management that seeks to minimize debt, pre-fund significant expenditures, maximize non-tax revenues and share revenues and expenses with other government entities when feasible.

Led by this statement, the City has been cautious about issuing debt and has developed reserves for future potential liabilities and re-occurring capital expenditures. Moreover, the City has joint ventures with the Town of Cedarburg (fire department) and joint purchases with other municipalities (insurance, electrical power, and equipment). The Police Department shares surveillance equipment with the rest of the County, computer hardware, software, and maintenance of records system, (shared records system interfaces citations and accident reports with the State), received radio equipment and support from the County, fitness officer specialists and training officers, shares the cost of equipment for Tactical Team in Ozaukee County and contributes manpower to the County Tactical Team and the County Drug Unit.

The Fire Department participates in the MABAS system which allows the Department to request assistance or assist another community outside the county for a large event. The dive team and hazardous materials team share their services with all fire departments in the County. The Fire Department also trains with other departments and the County to save on costs. Ladder and hose testing is also coordinated with other departments to keep costs down. The Department also shares a face piece testing machine with nine other departments in the County that is only used once a year by each department. The Fire Department shares a mass casualty trailer filled with medical supplies with all the fire departments in Ozaukee County. The trailer was bought with a grant through the Ozaukee County Association of Fire Departments.

The Senior Center coordinates trips with the neighboring senior centers, the Library is part of a multiple county system; Monarch and our recreation department coordinates events with neighboring recreation departments for large events. These shared purchases and ventures reduce costs of services and improve the program quality.

### **FINANCIAL POLICIES**

The Common Council has adopted written policies where consistency is required, or where the results of deviation from established guidelines will not serve the best interests of the City of Cedarburg or its officials and employees. Below is a summary of these policies.

### Revenue

The City needs to maintain a diversified and stable revenue base to shelter it from unanticipated fluctuations as well as to minimize reliance on the property tax.

### **Budget Considerations**

- Annual revenue will be estimated by an objective, analytical process.
- Revenues are to be budgeted for debt service amounts relating to general obligation debt before they are allotted for any other type of expenditure.
- Emphasis will be directed toward full cost recovery through user fees and cost sharing with other governmental units (i.e., Town of Cedarburg, other City funds such as sewer, cemeteries, etc.). User fees and cost allocation formulas will be updated annually as part of the budget process to reflect inflation and other cost increases.
- Utility payments in lieu of taxes shall be budgeted and based on utility estimates.
- Investment interest shall be budgeted conservatively.
- Proceeds from the sale of property shall be budgeted as an operating revenue in the General Fund. When appropriate, such sale proceeds may be used to offset specifically identified and related projects (i.e., vehicle replacements, etc.).

- The annual budget will contain a statistical ten-year analysis of revenue trends, state tax credits and growth percentages as an appendix.
- The City will project revenues for the next five years and will update this projection annually. Each existing and potential revenue source will be re-examined annually.
- The City's annual operating budget must be balanced. In order to balance the budget some years the Fund Balance is used for larger one-time purchases.

### **Revenue Monitoring**

- Quarterly, the City Administrator/Treasurer will report actual revenues to budgeted amounts to the Common Council for their review. Whenever a revenue shortfall is identified, that is other than temporary, the City Administrator/Treasurer will develop a plan to maintain a balanced budget.
- A representative of the Common Council or its designee will maintain an ongoing dialogue on revenue matters with appropriate representatives of Ozaukee County, the Cedarburg Board of Education, etc.

#### **Other Considerations**

- New sources of non-property-tax based revenue should be actively explored and discussed throughout the year.
- Intergovernmental grant requests should be approved prior to their submission by the City Administrator/Treasurer and
  Mayor to ensure that the grants do not create an obligation for unfunded expenditures by the City relating to the grant's
  purpose. All matching funds grant requests shall be approved by the Council prior to their submission or the grants
  should contain escape language favorable to the City.

### **Debt**

The City acknowledges that certain costs incurred on an annual basis reflect an investment in the future of the City. These types of costs include development and acquisition of assets which will be used by the residents of the City over a long period of time. Financing of these long-term assets is often appropriately accomplished through the issuance of long-term debt instruments, special assessments, or any other combination of these. It is the responsibility of the Common Council and City Administrative staff to monitor the financial health of the City. A significant portion of the City's financial health is determined by its ability to manage its debt. It is the responsibility of the City Administrator/Treasurer with assistance from the City's financial advisor to regularly monitor the City's outstanding debt and to recommend issuance, replacement and retirement of outstanding debt to the Common Council.

### **Financing Considerations**

- The City will confine long-term borrowing to capital improvements or other long-term projects which cannot and, appropriately should not, be financed from current revenues.
- The City will not use long-term debt to finance current operations, nor will long-term debt be used to finance the cost of short-lived, depreciable assets (for example, vehicles).
- In general, the final maturity of bonds and notes issued by the City may not exceed the expected useful life of the underlying project for which it is being issued.
- The City will retire tax anticipation debt annually.
- The City will retire bond anticipation debt within six months after completion of the underlying project.

### **Debt Limits**

- The City will keep the maturity of all outstanding general obligation bonds at or below 20 years.
- Total general obligation debt will not exceed 4% of the equalized valuation of taxable property within the City.
- The total annual debt service for general obligation debt will not exceed 50% of the City's total annual general operating revenues (inclusive of all property tax levies and exclusive of revenues from proprietary entities).

### **Other Considerations**

- The City will maintain good communications with bond rating agencies regarding its financial condition.
- The City will follow a policy of full disclosure in all financial reporting including bond prospectus.

# FINANCIAL POLICIES

### Financial Advisor

- The City will utilize the services of a qualified financial advisor in monitoring its debt and debt service.
- The City should strive to maintain a long-term relationship with a financial advisor to allow for continuity and consistency in services provided by the advisor. However, the agreement between the financial advisor and the City should be examined every three to five years or as deemed necessary by City Administrative staff and the Common Council.
- All feasible alternatives (for example, State Trust Fund loans and private placements with local financial institutions) for borrowing funds should be considered by the City and the financial advisor depending on the uniqueness of the items or projects being financed by long-term debt.
- All costs of issuing long-term debt, including fees for professional services, underwriting fees, and the interest costs over the term of the debt issue, must be considered and carefully evaluated for each borrowing.
- The City will work with the financial advisor to ensure that long-term debt issues are structured to protect the interest of the City for the present and in the future (for example, the inclusion of call provisions to protect the City against future interest rate fluctuations or other circumstances).

### **Capital Budget**

The City of Cedarburg has a substantial investment in buildings, equipment, parks and infrastructure supporting its roadways and utilities. Prudent management of these investments is the responsibility of city government. In order to fulfill this responsibility but within fiscally prudent parameters, the City should endeavor to pre-fund normal, recurring capital improvements and equipment costs. This objective shall be exclusive of unique capital improvements projects which have a specific long-term benefit to the City and are typically funded with debt.

### **Budget Considerations**

- The City will enact an annual capital improvements budget based upon the five-year capital improvements plan. Future
  capital expenditures necessitated by changes in population, changes in real estate development, or changes in economic
  base will be estimated and included in capital improvements budget projects.
- The City will develop a five year capital improvements plan to include considerations for equipment replacement, streets, stormwater and any other capital expenditures anticipated. The five-year capital improvement plan will be updated annually.
- The City will coordinate development of the annual capital improvements budget with the development of the operating budget. Future operating costs associated with new capital improvements will be projected and included in the operating budget.
- The annual capital improvements budget and five-year capital improvement plan will be developed by each Department Head for their respective departments. These initial budget plans will be reviewed by the City Administrator/Treasurer and by the appropriate board or commission responsible for overseeing the operations of each department. A final review of the annual capital improvements budget will then be completed by the Mayor and City Administrator/Treasurer prior to being presented to the Common Council for final approval.
- Approval of the annual capital improvements budget shall take place at the same time as approval of the annual
  operating budget.
- Capital improvement expenditures shall include any amounts expended for equipment or other assets with a useful
  life of five years or more and/or which involve amounts more than \$25,000. Expenditures not meeting these criteria,
  or which have a useful life of less than the payback period of the funds to be borrowed, shall be included in the City's
  annual operating budget.
- The City will make all capital improvements in accordance with the approved annual capital improvements budget. Any
  variance from the approved budget which would require a supplemental appropriation, or to add, delete or substitute
  projects, requires review and approval by the Common Council.
- The City's annual operating budget must be balanced. The Fund Balance will be used for one-time purchases.

### **Financing Considerations**

- The City will utilize the least costly financing method for all new projects.
- Each department will identify the estimated costs and potential alternate funding sources for each capital improvement project proposal.
- The City will utilize available grant funds and other inter-governmental assistance to finance only those capital improvements that are consistent with the capital improvement plan and the City's priorities.

#### Other Considerations

- The City will maintain all of its assets at a level adequate to protect the City's capital investment and to minimize future maintenance and replacement costs.
- The City will maintain adequate equipment utilization and maintenance records to support its five-year capital improvements plan and to assure proper maintenance of equipment.

### **Investment**

The City needs to ensure continuous prudent deposits and investments of available City funds.

### **Public Deposits**

- The City shall designate one or more public depositories, organized and doing business under the laws of this state or federal law, and located in this state. Depositories to be designated shall be evaluated by the City Administrator/ Treasurer and recommended to the Common Council for approval and formal designation via resolution.
- As part of the evaluation and recommendation of public depositories, the City Administrator/Treasurer will obtain annual
  audited financial statements from depository institutions where City funds are being deposited or contemplated being
  deposited.
- Deposits. The City Administrator/Treasurer shall deposit public monies upon receipt on a daily basis in the name of the City of Cedarburg in such public depository or depositories designated by the Common Council.
- Collateralization. Deposits shall not exceed the maximum federal and/or state insurance coverages unless a) they are
  collateralized by federal government securities at a rate of 110% of the investments; b) they are collateralized by local
  mortgages at a rate of 135% of the investments; or c) collateralization has been waived by the Common Council

### Investments

- This policy is limited in its application to funds which are not immediately needed and are available for investment. Other funds, the investment of which is subject to special federal and/or state laws and regulations, shall be invested in accordance with such laws and regulations to the extent they may be inconsistent with the provisions of this policy.
- In investing City funds, the City Administrator/Treasurer should utilize a wise and prudent cash management system in such a manner to maximize investment earnings, while at the same time being able to respond promptly to authorized expenditures. When investing City funds, the City Administrator/Treasurer should seek to maximize investment returns without taking undue risk as to liquidity or safety of principal.
- In exercising investment responsibilities, the City Administrator/Treasurer shall exercise the care, skill, prudence and diligence under the circumstances then prevailing as would a prudent person acting in a similar capacity, with the same resources, and familiar with like matters in the management of a similar activity, with a like purpose.
- The investment of City funds shall be in accordance with the Wisconsin Statutes and as follows (see FC-4 for more detail):
  - a. Certificates of Deposit
  - b. Money Market Deposit Accounts
  - c. Government Bonds & Securities
  - d. Government Pool
  - e. Repurchase Agreements
  - f. Repurchase Agreements Collateralized by Local Mortgages Without a Federal Government Guarantee
  - g. Other Securities
  - h. City of Cedarburg Bond or Security

# FINANCIAL POLICIES

- Notwithstanding the above limitations, cemetery funds held by the City may be invested in any prudent investment in accordance with the provisions of Wisconsin Statutes Ch. 881. Investment of cemetery funds will be subject to the same oversight and reporting requirements as other funding.
- When permitted by law, the City will pool cash from several different funds for investment purposes.
- Investments in bonds and other securities will be made only from those financial institutions designated as public depositories and from a listing of securities brokers and dealers compiled by the City Administrator/Treasurer and approved by the Common Council.

### **Oversight and Reporting**

- Prior to investing in securities without fixed maturities (e.g., GNMA obligations or U.S. government securities mutual funds), the City Administrator/Treasurer shall report to the Common Council on his or her intention to make such investments. No such investments shall be made prior to the approval of the Common Council.
- On a quarterly basis, the City Administrator/Treasurer will report to the Common Council on the composition of the City's investment portfolio and investment performance. The City Administrator/Treasurer will report investment activity as requested by the Common Council.
- The City will establish an ad hoc Debt/Investment Advisory Committee as comprised by the Mayor with representation of the Common Council and citizens with expertise in the investment and debt fields to be available on an as-needed basis to advise the City on specific investment and debt options and strategies.

#### **Investment Advisor**

• Should the City deem it appropriate to retain an investment advisor, the procedures will be followed with respect to the investment advisor relationship as outlined in Policy FC-4.

### **General Fund Balance**

The objectives of this policy are to preserve the creditworthiness of the City for borrowing monies at favorable interest rates, provide working capital for the City to meet cash flow needs during the year and stabilize fluctuations from year to year in property taxes paid by the City's taxpayers.

- A general fund balance shall be maintained as of December 31 of each year equal to a minimum of two months and a maximum of three months of the ensuing year's general operating budget.
- Any anticipated balance in excess of the maximum should be used to reduce the ensuing year's property tax levy.
- Withdrawal of any amount in excess of the anticipated minimum balance for the sole purpose of reducing the ensuing
  year's property tax levy may be made only in such amounts to cause the ensuing year's property tax levy (determined
  without any consideration of this anticipated general fund withdrawal) to decrease by no more than 15%.
- Any earnings on general fund investments in excess of the budgeted amount, and any unbudgeted proceeds on sales on City-owned real estate will be added to the general fund balance.
- The Common Council, by a three-fourths affirmative vote, can declare a fiscal emergency and withdraw any amount for purposes of reversing the fiscal emergency; but also must provide for the necessary appropriations to restore the general fund to the minimum balance within a three-year period.

### **Budget Transfer Policy**

In accordance with Wisconsin Statutes Section 65.90(5)(a) (Municipal Budgets), changes to budgeted appropriations will not be made unless authorized by a vote of two-thirds (2/3) of the Common Council.

- a. Requested changes will be reviewed by the City Administrator/Treasurer and referred to Council for approval by resolution.
- b. A Class 1 notice will be published within ten days of approval.

#### **Procedure**

Request for increases or decreases in the total salary and fringe benefit accounts of a department must be reviewed
and have the approval of the City Administrator/Treasurer. No changes will be considered which are contrary to adopted
salary ordinances or wage schedules in collective bargaining agreements. Any questionable change requests will be
referred to the City Administrator/Treasurer for review and recommendation. Example: If the Department Head is
requesting that (excess) salary or fringe benefit funds be transferred to or from an account other than a salary and fringe

benefit account within the department's budget or if funds are being transferred from one salary account to another salary account within the department's budget, within the same appropriation, the transfer request will be reviewed and, if found to be justified, may be authorized by the City Administrator/Treasurer.

- The purchase of additional equipment or outlay items not in the approved budget must be reviewed and have the approval of the City Administrator/Treasurer.
- Transfers within appropriations, other than those listed in paragraphs one and two above, must be requested in writing
  by the Department Head (or as may be delegated to a department supervisor) together with justification for the transfer.
  These transfers will be within the account group(s) of the department's budget. The transfer requests will be reviewed
  and authorized by the City Administrator/Treasurer.
- All requests for transfers are to be in writing with proper justification and are to be presented to the City Administrator/ Treasurer.
- All transfers that need authorization by the Common Council will be presented for review and recommendation by the City Administrator/Treasurer.
- All requests for transfers will, in all but emergency cases, be made before monies are expended and/or purchases are authorized.
- All accounts are subject to a periodic internal audit by the City Treasurer's Office to ensure compliance with budgetary policies.

### **Property Assessments**

The objectives of this policy are to maintain uniform and equitable market value assessments on all taxable property in the City of Cedarburg. This is to ensure all taxpayers that their portion of the tax burden is no higher than necessary and in compliance with the State Statutes regarding property taxation. In order to achieve the objectives of this policy the following guidelines shall be followed by the City Assessor's Office. To follow Section 4 of the Assessment Manual, in addition to revaluing all property as follows:

- Every year the Assessor shall complete a statistical sales analysis study to verify the equity of existing assessments.
- No more than every three years, and not less than every five years, the Assessor shall coordinate the completion of a
  revaluation of all residential and commercial properties in the City using statistical studies and drive-by verifications of
  properties as a base to generate values plus or minus five percent from full value. This is to ensure the City will be in full
  compliance with the State mandated guidelines on assessment procedures.
- To ensure that the database and property cards on which assessments are made are up-to-date and factual, every nine
  to 12 years the Assessor's Office shall, with assistance, field verify all database information by viewing the interior and
  exterior of all properties.
- Council approval will be needed if changes in the market indicate a revaluation should be completed less than or more than the years stated in the policy.
- The City of Cedarburg will ensure that sufficient funds are available to carry out these procedures by annually reviewing projected costs and setting funds aside for anticipated revaluations.

### Writing Off Uncollectible Receivables

The City bills various groups for use of City facilities, labor provided or other services. Occasionally, these bills are not paid. This policy is to address circumstances when accounts receivable are not collectible.

- The City Treasurer's Office issues invoices to individuals/groups for the services provided. The invoice is payable 30 days from the date of invoice. After the 30 days, the invoice will accrue interest at 18% per annum.
- Invoices one month past due will be sent a reminder to submit payment with the additional amount of interest due.
- Four attempts will be made to collect the payment. Every 30 days the accounts will be reviewed by the Treasurer's Office. The office will make a recommendation to the City Administrator/Treasurer for review and possible approval.
- Upon written request, payment plans can be arranged to ensure full payment of the invoice. The approval of the City Administrator/Treasurer is required.
- Invoices to individuals/groups located in the City of Cedarburg with any past due amounts as of November 15 will be placed on the tax roll as a lien against the property.

# FINANCIAL POLICIES

- When the amount of the invoice is \$2,000 or less, and has been determined to be uncollectible, the City Administrator/ Treasurer will have the authority to approve writing off an invoice as uncollectible.
- When the amount is larger than \$2,000 and determined to be uncollectible, Common Council approval will be required to write off an invoice.

### **Fixed Assets**

The policy is to ensure the proper record keeping of fixed assets. Fixed assets include items such as land, land improvements, buildings, fixtures and equipment. These items should be recorded considering the amount given or received, plus ancillary costs, such as freight and related professional expenditures. Any purchase of this type of \$5,000 or more and with an estimated useful life of more than two years must follow this policy. The \$5,000 limit should be applied to individual items, rather than groups of items.

Department Heads and supervisors are required to notify the Treasurer's Office of acquisition and disposal of all fixed assets. The Asset Maintenance Form needs to be completed for fixed assets purchased, sold, disposed or transferred. Departments are required to do a physical inventory once every five years. The inventory will ensure items are still on hand and help verify useful life of the assets.

### **Purchasing**

The purchasing function involves procurement of supplies, materials, equipment and services at the lowest price consistent with quality and performance necessary to meet standards established by the City of Cedarburg. The lease of equipment or vehicles as measured by its fair market value shall conform to the same procurement parameters as required for purchase. The use of multiple purchase orders to circumvent the dollar limits specified in this policy is prohibited. The City Administrator/ Treasurer shall act as purchasing agent for the City of Cedarburg.

- Whenever it is necessary or desirable that supplies, materials, equipment or contractual services be purchased which
  will cost \$5,000 or more, a purchase order shall be submitted by the department supervisor or director, to the City
  Administrator/Treasurer for issuance of a purchase order. All purchase orders require the approval of the Department
  Head and City Administrator/Treasurer. All purchase orders for the City Administrator/Treasurer require the approval of
  the Mayor.
- No requisition shall be submitted and no purchase shall be made for items or services not included in the current budget, or at an amount exceeding that which has been budgeted.
- All required procedures shall be complied with before any purchases are made except in urgent situations where
  operational or safety requirements pose an immediate need. In such instances, the Department Head or supervisor is
  authorized to make any necessary purchases, with "confirming" purchase orders to be issued at the earliest opportunity.
- If the estimated cost of supplies, materials, equipment or services will exceed the sum of \$5,000, competitive quotations or proposals will be obtained in writing from three or more vendors who are able to supply the requested item(s). If a specific vendor or brand name commodity is deemed to be in the best interest of the City, the requesting department may present information in support of the requisition and, if concurred with by the City Administrator/Treasurer, the requirement for competitive proposals may be waived. In this event, the rationale for selecting the particular vendor or commodity shall be noted on the requisition.
- Upon receipt of competitive proposals the City Administrator/Treasurer, in consultation with the requesting department, is authorized to award the purchase of the supplies, materials, equipment or service to the vendor offering the lowest and/or best bid, taking into account price, availability, reliability, warranty, uniformity or other bona fide factors. In the event that all factors are relatively equal, Cedarburg vendors shall be given preference.
- For public construction exceeding \$25,000 in estimated cost, specifications shall be prepared and formal bids shall be obtained from qualified contractors in accordance with §62.15, Wis. Stats. The results of such bidding shall be reported by the Department Head to the appropriate board or commission for recommendation to the Common Council which may approve or disapprove the recommended contract as it deems appropriate.
- For individual purchases costing less than \$5,000, Department Heads are authorized to obtain the necessary supplies, materials or equipment from a local or other vendor, provided that the current approved budget provides for such purchase, and further that the Department Head exercises sound judgment in selecting the vendor which can provide the item or service at the best price or availability.

• For small purchases amounting to \$35 or less obtained from local suppliers at which the City does not have an account, the use of petty cash is recommended and authorized in order to minimize the need to utilize normal accounts payable procedures. If petty cash is used for such purchases, a memo slip detailing the item(s) purchased, purpose and budget account shall be completed for each such transaction and submitted along with the purchase receipt to the City Administrator/Treasurer. This procedure shall not be used to make numerous purchases of the same commodity to avoid the issuance of a purchase requisition.

# STRATEGIC WORKPLAN

Common Council Review June 2017

Each goal and objective is noted in the corresponding Department under each program's "2017 Significant Accomplishments" and "2018 Objectives to be Accomplished"

The City of Cedarburg seeks to preserve its historic, "small-town" atmosphere and quality of life while balancing the desires of our community by delivering high-quality programs and services in a fiscally responsible manner

# GENERAL FUND Fund Balance Summary

The graph below represents the trend in the General Fund Balance for the past nine years. City policy states that undesignated General Fund–Fund Balance should be between two and three months of general fund expenditures, or approximately \$1.57 million to \$2.3 million. The fund balance occasionally is used for planned reductions of one-time expenses while still keeping the City within the adopted policy. The 2018 budget includes use of fund balance in the amount of \$487,100 to fund the purchase of handguns for the Police Department, bathroom facility upgrades at two park facilities, branding initiative, funding for the contingency reserve account, a transfer to Capital Improvements for a Fire Department project and senior van and a transfer to the swimming pool fund for a sand area shower.

The difference between the total fund balance and the assigned fund balance is encumbrances carried over from the previous fiscal year, prepaid expenses and fuel and supply inventory.

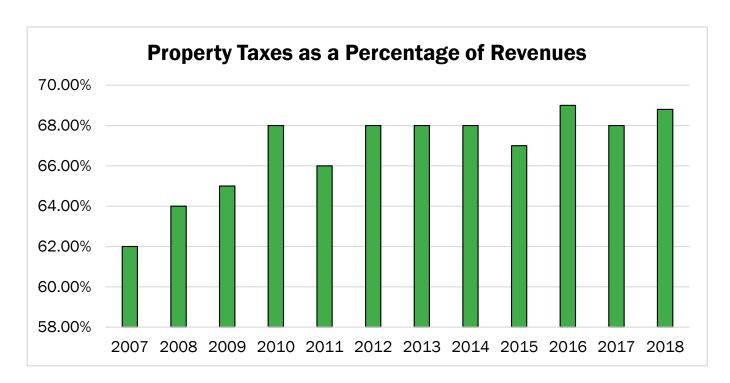

City General Fund revenue sources are relatively free from subjective factors. The majority of General Fund revenues are obtained from property taxes and State Shared Revenues, which are not as subject to fluctuations in the local economy, as revenue sources such as sales or income taxes would be. However, as discussed below, such revenues are impacted by various factors that can cause fluctuations from year-to-year.

### **Property Taxes**

Property taxes are levied upon all City property owners at a calculated rate per \$1,000 of assessed property valuation on both real and personal property. Property taxes represent the largest single revenue source used to fund General Fund expenditures. The trend for property taxes as a percentage of General Fund operating revenues is as follows:

Property taxes as a percentage of total General Fund revenues have held steady since 2010. With construction picking up, the percentage may continue to decline in the City in the future. The building inspection revenues for 2017 were budgeted to increase \$71,000 over 2016 due to the increase expected in construction; however, the actual is estimated to be under budget for 2017. For 2018 the budgeted building inspection revenues are continuing to decline by 4.4%. In the future the City needs to explore other revenues sources to help lower the share of the burden on the taxpayers.

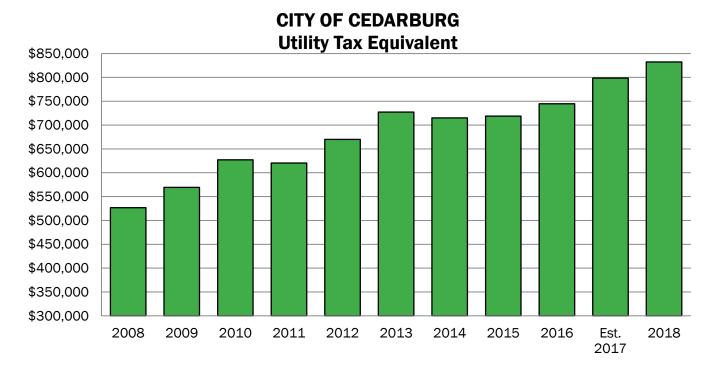

The 2018 adopted budget assessed tax rate increased from \$7.46 to \$7.48/\$1,000.

### GENERAL FUND

### **Utility Tax Equivalent**

The Cedarburg Light & Water Utility makes a payment in lieu of property taxes (PILOT), calculated by applying the local municipal and school tax rates against the total value of the utility plant in service. The calculation includes the assessment ratio; therefore, as the assessment ratio declines, so does the PILOT. This source provides 9.3% of General Fund operating revenues in 2018.

The assumption for 2018 revenues was based on the value estimate completed by Cedarburg Light & Water and a 95.4% assessment ratio for 2017.

### **Intergovernmental Revenues**

The assumptions used for State revenues were based on the estimated payment notice received from the Departments of Transportation and Revenue. The highest portion of this category consists of payments per the State's revenue sharing formula, as well as supplemental aids available under the Expenditure Restraint Program. General shared revenues are based on a formula, which considers per capita and aidable revenue factors. The aidable revenue factor is based on the City's property value and local revenues generated. Due to the high value of the City's taxable property relative to other communities, no shared revenues are allocated based on the aidable revenue factor.

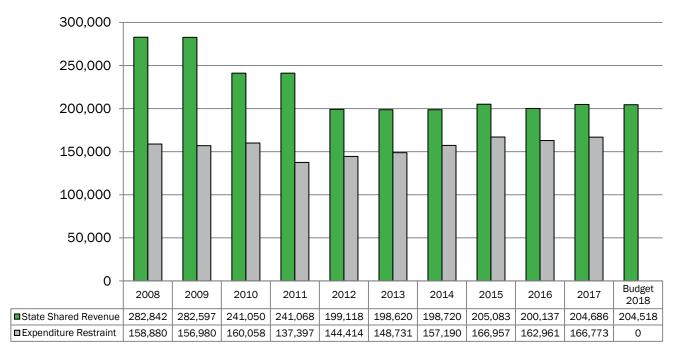

Typically, the City receives 95% of the prior year's payment under the State formula. State Shared Revenue for 2018 is remaining the same as the 2017 budget.

In 1995 the State added the Expenditure Restraint Program. Obtaining these revenues helped offset the decline in general shared revenues. The Expenditure Restraint Program provides additional shared State revenue for restricting the rate of growth of General Fund expenditures to a limit that considers inflation and growth in new construction in the municipality.

To obtain these funds, the City must comply with the State requirement as previously mentioned. For 2017, the revenue is increased from the 2016 budget by \$3,813. The City did not qualify for the program in 2018 due to the change in the calculation of the total expenditures and the cap on expenditures limited the City to an increase of 1.7%. The 2018 increase in expenditures for all funds is 3.22% which qualifies the City for the program revenues in 2019. The WI DOR cap percentage of expenditures increasing was 3.39%, which was easier to achieve. The higher percentage was due to the increase in net new construction and the CPI increase for the year.

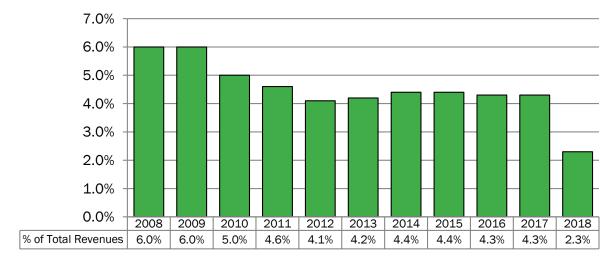

### **State Shared Revenue and Expenditure Restraint**

The previously noted trend toward decreasing general State shared revenues resulting from the formula application and State budget property tax levy limit will continue to have a negative impact on General Fund revenues. As a percentage of total general fund revenues, the combined shared revenue and expenditure restraint decreased from 4.3% to 2.3% of total revenues.

### **Total State Shared & Expenditure Restraint Revenues** as % of Total General Fund Revenues

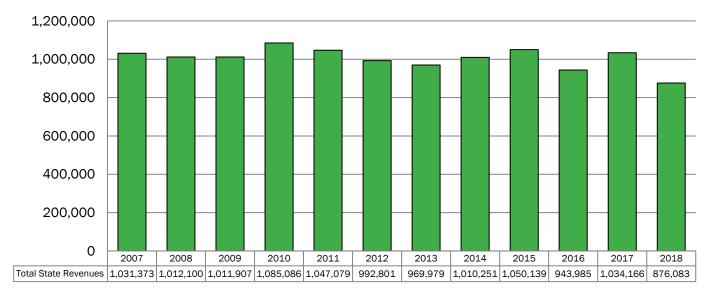

### GENERAL FUND

The second largest intergovernmental revenue consists of State transportation aids. State transportation aids are \$606,514, approximately 6.8% of the General Fund's revenue; resulting from a formula established by the State which takes into consideration costs of maintaining the City's transportation system, including maintenance, traffic enforcement and other costs. This formula uses costs over a rolling six-year period in determining the aid amount and such aids have been rising along with operating costs. The 2018 amount is a 14.75% increase from 2017.

The City's Recycling Grant, funded by the Wisconsin Department of Natural Resources, pays for a portion of the cost of the City's curbside recycling program and yard waste collection and disposal. This grant previously provided approximately \$56,000 in annual funding. In 2011 the recycling grant program was affected by the State budget cuts. The 2018 amount is budgeted at \$37,800, 5% higher than 2017. Like other forms of State aid, the future of this source of revenue is uncertain.

Since 2000, the City has received computer aid revenue from the State. This payment stems from their decision to exempt all computers from inclusion as personal property. This revenue is budgeted to decrease by 2.14% for 2018 due to the added exemptions by the State.

### **Total State Revenues**

### **Regulation and Compliance Revenues**

This revenue includes licenses issued by the City (e.g., liquor, contractor, bartender, pet, etc.), the cable television franchise fee and building and related permits. Such revenues are 4.6% of General Fund operating revenues. Many of the license fees and the cable television franchise fee are limited by State Statute and cannot be expected to increase to any significant degree in the near future. Building and related permits are dependent on construction activity and the local economy. In recent years, revenue from such permits has exceeded budgeted amounts due to increased residential construction and expansions at local industries. Construction has picked up in 2017 but not to the revenue expectations. Regulation and compliance revenues are projected based on known factors (e.g., planned new development, number of premises requiring a liquor license) and trends in such revenues. In 2018 new construction is estimated to continue at the same rate as seen in 2017 which is a reduction of 4% from 2017.

### **Law and Ordinance Violations**

Such revenues represent the City's share of fines from violations of City ordinances and State Statutes, as well as parking ticket revenues. Fines and parking tickets represent less than 1% of general fund operating revenues. Revenues are budgeted to remain the same as 2017.

### **Public Charges for Services**

This revenue source includes charges for use of City services and facilities. Major categories include Assessor's Office, Police Department, Public Works and Senior Center fees. Some of these fees were previously in the Trust & Agency Fund that was dissolved in 2016 and are first being budgeted for 2018. Examples include the fuel system maintenance charge, alarm fees and senior van fees. Public charges for services are 1.3% of total revenues and budgeted to increase 53.5%.

### **Intergovernmental Charges for Services**

This source consists of payments received from the Town of Cedarburg under a Shared Services Agreement for the Fire Department that is in effect through 2024. The DNR mandates water monitoring at the Pleasant Valley Landfill which is shared jointly with the Town. They fund one-third of the expenditures.

Beginning in 2004, an administrative charge of \$10,250 was applied to the Sewerage Fund representing the support to the utility from the Mayor, Common Council, Administrator and City Clerk.

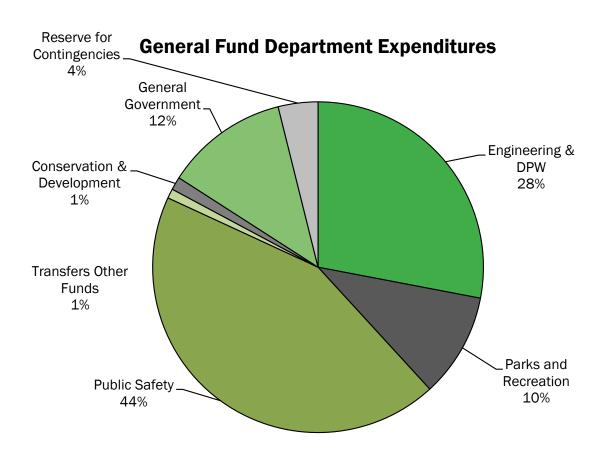

The intergovernmental charges revenue category provides approximately 2.7% of General Fund Revenues.

### **Commercial Revenues**

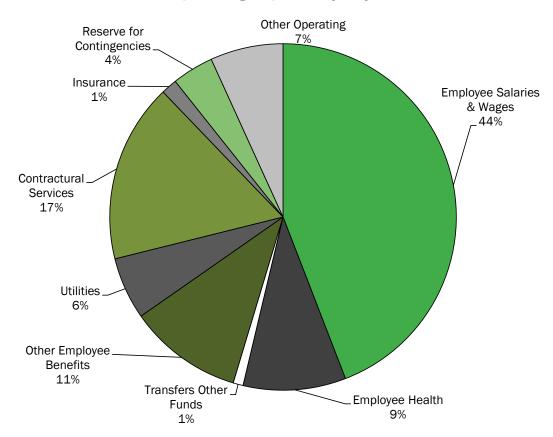

This source primarily consists of interest earnings on invested funds and sales/rental of City property including rental income from the lease of space on the water tower to cellular telephone companies. As a percentage of General Fund operating revenues, such revenues fund approximately 2.6% of the operating budget. Fluctuation in this account is due to the changes in yields on invested funds and the amount of investable funds. The market interest rates began to increase in 2016 along with the State of WI Investment Pool rates. As investable funds have increased, the City has implemented the investment strategies recommended by the ad hoc Debt/Investment Advisory Committee and more actively managed its investments by hiring an investment advisor for long term investments. The commercial revenues are budgeted to increase 17.4% from 2017.

### **Mayor & Common Council**

513100, 511100

### **Department and Program Manager:** Mayor and Common Council

**Program Description:** The Mayor is the Chief Executive Officer of the City making sure all City ordinances and State laws are observed and enforced, and that all City officers, boards, committees and commissions properly discharge their duties. The Mayor nominates to Council the appointment of the City Administrator, statutory employees, board, committee and commission members and is a voting member of the Plan and Public Works & Sewerage Commissions. The Mayor presides at the meetings of the Common Council, voting only in the case of a tie vote. The Mayor is elected at large for a three-year term of office and is limited to three consecutive terms of office.

The Common Council is the legislative branch of City government. Its primary purpose is the passage of laws, ordinances and policies, establishment of pay ranges for City employees and official management of the City's financial affairs; its budget and the raising of funds for the operation of the City. The Common Council is comprised of seven council members representing the seven aldermanic districts, serving two-year terms, and members are limited to four consecutive terms of office.

### **Products and Services:**

- · Represent people of the City of Cedarburg
- Adopt ordinances and resolutions, levies taxes and appropriates monies for the operation of the City
- Adopt policies to meet needs of City and its citizens
- Approve appointments to boards, commissions, committees and statutory employees

### **Mayor/Common Council Staffing Levels:**

Personnel Schedule Summary Position	2016	2017	2018
Mayor (part-time elected)	1.00	1.00	1.00
Council Members (7 part-time elected)	7.00	7.00	7.00
Total	8.00	8.00	8.00

### **2017 Significant Accomplishments:**

- 1. TID #4 creation
- 2. SandHills Trail plat review
- 3. Approved St. Francis Borgia School redevelopment
- 4. Participated in branding initiative
- 5. Adopted revised fund balance policy
- 6. Adopted policy on contacting City Attorney

### **Long Term Goals:**

1. Promote economic development

### **Account Detail:**

### 511100—Common Council

- 313 **Printing:** Costs for budget document
- **Subscriptions and Dues:** League of Municipalities (\$3,830), Mid Moraine Municipal Association (\$700), Cedarburg Chamber of Commerce (\$195), Ozaukee County Tourism Council (\$75), OED (\$1,500), VALUE (\$35)
- 330 **Travel & Training:** Mid Moraine (intergovernmental meetings and functions)

### 513100-Mayor

- 330 Travel and Meeting Expenses: Mid Moraine (intergovernmental meetings and functions)
- 343 Awards, Supplies: Mayor's Enhancement Awards, signs for 4th of July parade

### **Budget Variances:**

### 513100-Mayor

225 **Phone:** Reflects actual costs

### **2018 Objectives to Be Accomplished:**

1. Plan for Hwy 60 business park

### **City Administrator**

513200, 519200

**Department:** City Administrator

Program Manager: City Administrator/Treasurer

**Program Description:** The City Administrator serves as the Chief Administrative Officer—leading, planning, organizing and directing the administration of the City of Cedarburg toward the fulfillment of goals and policies determined by the Common Council. The City Administrator coordinates the day-to-day activities of the City, introduces new methods and procedures among City departments and apprises the Mayor and Common Council on operation results.

Additionally, the Administrator, as City Treasurer, oversees management of financial resources and is responsible for the preparation of the annual City budget.

### **Products and Services:**

- Oversee general operation of City
- City Treasurer responsible for preparation of annual budget, capital improvement plan and coordination of all debt issuances
- Risk Manager for City, adjusting insurance claims and serving as City representative to Cities & Villages Mutual Insurance Company (CVMIC)
- Purchasing Director responsible for approving purchases, award of all contracts and all transfers
- Personnel Director responsible for negotiation and administration of collectively bargained labor agreements; approve hiring of non-sworn personnel; recommend appointment of statutory employees to Mayor; oversight of annual employee performance appraisals and preparation of Department Head evaluations; authorize pay and benefit changes within policy or labor agreement
- Carry out policy directives of Common Council
- Prepare and review Common Council agenda with Mayor and City Clerk
- Attend all Council meetings and Board, Committee and Commission meetings as necessary
- Apply for grants to fund City projects
- Conduct staff meetings
- · Coordinate training opportunities for staff
- Public Information Officer responsible to prepare information, letters, memos, press releases
- Facilitate annual review of Strategic Work Plan

### **City Administrator/Treasurer Staffing Levels:**

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
City Administrator/Treasurer	1.00	1.00	1.00
Administrative Assistant*	0.25	0.25	0.25
Total	1.25	1.25	1.25

<sup>\*</sup>Other .25 FTE located in City Clerk's Program

Department Services Indicators:	2015	2016	2017	2018 Projected
Bond Ratings	Aa2	Aa2	Aa2	Aa2
Distinguished Budget Presentation Award	yes	yes	yes	yes

### **City Administrator**

513200, 519200

### **Performance Measures:**

Service Area	Objective	Efficiency Measure	Actual 2015/2016	Actual 2016/2017	Target 2017/2018
Administrator's Office	Cost per capita	Operating costs	\$8.64	\$9.00	\$9.19

### **2017 Significant Accomplishments:**

- 1. Implemented GFOA budget reviewer comments
- 2. TID No. 4
- 3. Updated Fund Balance Policy
- 4. Created policy on contacting the City Attorney
- 5. Completed first year with new auditing firm

### **Long Term Goals:**

- 1. Continue improvement of CVMIC risk assessment score (SP#7)
- 2. Hold a Wellness Week

### **Account Detail:**

### 513200—City Administrator

- 310 **Office Supplies:** File folders, pens, etc.
- Publications and Dues: Membership to Milwaukee Area Municipal Employer Association (MAMEA), Wisconsin City/County Management Association (WCMA) and Wisconsin Public Employer Labor Relations Association (WPELRA)
- 330 **Conferences and Travel:** Fuel usage, WCMA conferences and district meetings, University Wisconsin-Green Bay (UWGB) Administrator's Summit and other seminars as needed

### 519200—Employee Relations

- 161 **EAP/125:** Employee Assistance Program
- 210 **Professional Services:** Driver Notification Program, hearing and drug testing and other risk management activities
- 335 **Leadership Development:** Employee meeting refreshments
- 343 Awards, Supplies: Employee years of service recognition

### **Budget Variances:**

### 513200—City Administrator

- 225 **Telephone:** Decrease to actual
- 330 Training and Travel: Increase to reflect actual

### 519200—Employee Relations

- 125 **Performance Bonuses:** Merit pay increases removed due to budget constraints
- 343 Awards Supplies: Increase due to actual awards expected
- 335 **Leadership and Development:** Increase to reflect actual cost for Employee Meetings (providing healthier food options)

**Department:** City Attorney

Program Manager: Mayor/City Administrator

**Program Description:** The City Attorney is responsible for conducting a majority of the legal business in which the City is involved in; such as legal opinions, ordinances, resolutions, general legal counsel, purchase and sale of property, and prosecution of ordinance and traffic violations. The City Attorney may also serve as special counsel at the request of the Mayor or Common Council Members.

The legal services program budget also includes funds for special counsel outside the scope of the City Attorney's duties and labor counsel for general personnel matters and collective bargaining matters. Legal expenses associated with claim defense are charged to the risk management in the Internal Service Fund.

#### **Products and Services:**

- · Consult with staff and elected officials on legal matters
- Attend all Common Council and Plan Commission meetings
- Draft and/or review ordinances and resolutions
- Prosecute ordinance violations
- Prepare and review development agreements and City contracts

#### **Staffing: Contractual**

Budget amounts for activities of City Attorney also accounted for in: Police Administration (100-522110-212), Capital Improvements Environmental (400-533750-841), , Sewerage Administrative Services (601-573850-211), Library (260-555110-211) and the Internal Service Fund (700-519400).

#### **2017 Significant Accomplishments:**

- 1. Prochnow remediation
- 2. Amcast Developer's Agreement
- Assist staff with revising and developing policies for Council approval

#### **Long Term Objectives:**

1. Continue recodification of Municipal Code. (SP#1)

#### **Account Detail:**

#### 516100—City Attorney

- 210 Annual retainer—No longer applied
- 211 Prosecution of ordinance violations, legal services, meeting attendance

#### **Department and Program Manager:** City Clerk

**Program Description:** The City Clerk is the legal custodian of the City's official records, serves as the public information officer and liaison between the city and county, state and federal agencies, is responsible for the administration of elections, provides legal notifications to the public, issues licenses and permits, and prepares official minutes and agendas. The Clerk's Office provides administrative support to the Mayor, Common Council, City Administrator, boards, commissions and committees, and responds to informational requests from the general public.

Employees in the City Clerk's Office include the City Clerk, Deputy City Clerk, and Administrative Assistant. The Administrative Assistant is a part-time shared position with the City Administrator.

#### **Products and Services:**

- Prepare and distribute resolutions, ordinances, proclamations, agendas and minutes for meetings of the Common Council and various City boards, committees, and commissions

### **City Clerk**

#### 514100, 514200

#### **2017 Significant Accomplishments:**

- 1. Completed Wisconsin Election Commission (WEC) Four-Year Voter Maintenance Program
- 2. Continued updating license and permit application forms
- 3. New filing system for Voter Registration established
- 4. Processed several extensive open record requests
- 5. Continued to implement the Photo ID law, including training of staff and election workers and outreach efforts
- 6. Began to explore options for future electronic document management system

#### **2018 Objectives to Be Accomplished:**

- 1. Continue to update license and permit application forms
- 2. Successfully administer four elections, including the Gubernatorial Election in November
- 3. Select vendor and begin to implement electronic document management system if funded

#### **Long-Term Objectives:**

1. Provide training to Administrative Assistant on use of voting equipment and continue training in all aspects of elections to further participate in the administration of elections

#### **Account Detail:**

- 210 **Professional Services:** License Manager software maintenance, records retention on CD, notary bond, sellers permit
- 225 **Telephone:** Time Warner
- 240 **Repair and Maintenance:** Pitney Bowes postage equipment
- Office Supplies: Safe deposit box, CDs, tapes, business cards, name plates, Council photos, miscellaneous office and postage supplies, plaques, directory covers, postage meter tapes, supplies for Mayor's Enhancement Award Program, and printer cartridges, etc.
- 311 **Recording Fees:** Annexations, Certified Survey Maps (CSMs), Conditional Use Grants (CUGs), Land Covenants and Developer Agreements
- 315 **Postage:** Box rental, bulk mail permit, postage
- 320 **Publications and Dues:** IIMC, WMCA, WI Taxpayers Alliance, News Graphic, League manuals
- 330 **Conferences and Seminars:** UWGB advanced education, WMCA District 5 meetings, WMCA conference, WisLine (ETN) sessions, Mid Moraine meetings, mileage
- Legal Notices: Publication of public hearing notices, land use amendments, Council minutes, ordinances, certain resolutions, requests for bids, employment ads, alcohol license applications and the cost of publication affidavits
- 380 **Equipment:** Fund for purchase and replacement of necessary office equipment

#### 514200-Elections

- Salaries: Election Officials, Chief Inspectors, tabulators, greeter, Special Registration Deputies, Special Voting Deputies
- 112 **Overtime:** Administrative Assistant
- **Supplies:** Food, paper plates, etc., memory card programming, ballot layout and setup, printing of regular and absentee ballots and test decks, maintenance agreements for voting equipment, miscellaneous supplies, e.g., tally slips, ballot marking pens, absentee ballot envelopes, signs, batteries
- 321 Legal notices: Publication of election notices

#### **Budget Variances:**

#### 514200-Elections

- 111 Salaries: Increase due to four elections in 2018
- 112 **Overtime:** Increase due to four elections in 2018
- 125 Part Time Salaries: Increase due to four elections in 2018
- 310 **Election Office Supplies:** Increase due to four elections in 2018 and due to small increase in hourly wage rate for election officials

#### **Department and Program Manager:** City Assessor

**Program Description:** The Assessor's Office is responsible for setting the value of all property within the City for the purposes of determining the taxable value of real and personal property, upon which is levied the municipal, county, state, technical college and school's property tax. The City Assessor handles the day-to-day responsibilities of this office.

#### **Products and Services:**

- Preparation and completion of Municipal Assessment Reports (MAR), TIF Assessment Reports (TAR) and Exempt Computer Report (ECR) to the Department of Revenue
- Prepare and complete a detailed Annual Assessment Report detailing all assessment information on all properties
- Hold Open Book and Board of Review as required by State Statutes
- Validate sale information with an interior inspection to verify and update the property record card and review Wisconsin Realty Transfer Returns and listings
- Enter assessment information into the eRETR system and electronically submit assessment information to the Department of Revenue regarding all sales
- Assessment of all property in the city; inspect and review all properties that were issued permits for the current year, any
  partial assessments from the prior year and any requests for review to determine values
- Create, delete and update property record card and plat maps per Register of Deeds changes. Changes include: splits, new subdivisions, property line changes, combinations, annexations, etc.
- Input and update information in property data base
- Complete in-house revaluations, as necessary, on all parcels to maintain fair and equitable assessments
- Annually field verify the personal property accounts and maintain an annual updated list of businesses for personal property reporting
- Provide Real Estate Sales list on a monthly basis, along with assessment information to interested parties
- Prepare lists of property owners within 300 ft. of subject property for Public Hearings and detour routes
- Complete requests for Special Assessment letters

#### **City Assessor Staffing Levels:**

Real Estate and Personal Property Taxes Collected	78%	75%	80%	81%

#### **Performance Measures:**

Service Area	Objective	Efficiency Measure	Target 2015/2016	Target 2016/2017	Target 2017/2018
City Treasurer's Office	Cost per capita	Operating Costs	\$3.84	\$4.00	\$4.00

The City and participating community banks continue to collect 85% of the total tax roll. The County takes over collection in February and collects the remaining 15%.

### **City Treasurer**

515600, 515900, 514700, 519100

#### **2017 Significant Accomplishments:**

- 1. Purchased and trained on ACA reporting module
- 2. Closed Trust & Agency accounts
- 3. Started recording of fixed assets
- 4. Replaced six Windows 7 work stations

#### 2018 Objectives to Be Accomplished:

- 1. Streamline accounts payable
- 2. Replace Windows 7 work stations
- 3. Research accounting software

#### **Long-Term Objectives:**

- 1. Recodify finance section of City Code (SP#1)
- 2. Research alternative accounting and payroll software programs

#### **Account Detail:**

#### 515600—City Treasurer

- 210 Professional Services: Payroll provider, insurance consultant and financial advisor annual disclosure reporting
- 225 **Telephone:** Three lines and directory listing
- **Office Supplies:** Payroll forms, accounts payable checks, envelopes, invoices, storage boxes, file folders, bank endorsement stamps and deposit books, tax bill postage, employment law posters
- 320 **Publications and Dues:** MTAW, GFOA, and WGFOA dues, GFOA publications
- 330 Training and Travel: Seminars, Treasurer's Institute, MTAW Conference, and CVMIC training mileage
- 380 **Capital Outlay:** Office equipment and furniture
- 390 Other Expenses: Bank fees, UPS/Fed Ex, DTC audit confirmation, cat licenses, credit card collection fees, GFOA Awards Program Fee

#### 514700—Information Technology

- 220 Internet Service
- 312 **Computer Supplies:** Printer toner and maintenance
- 380 Capital Outlay: Desktops, Microsoft Office Licenses, antivirus software, monitors, backup system and licensing

#### **Budget Variances:**

#### 514700—Information Technology

380 **Equipment:** Increase to replace City Hall workstations with Windows 10 operating system

## Insurance 519400

#### **Program Manager:** City Treasurer

**Program Description:** The City utilizes an Internal Service Fund to account for all its insurance activities with respect to liability, property, auto and workers' compensation insurance needs and charges the cost to the respective funds and accounts. This account records the general government portion of insurance expenses. More information on the insurance program of the City is detailed in the Internal Service Fund section. Insurance allocations to programs and funds are summarized in the below table.

Department Services Indicators:	2015	2016	2017	2018 Projected
Total General Liability Incident Reports	5	5	4	5
Incurred Liability Claims Paid/Reserve	4	5	2	5
Number of Vehicle Incident Reports	1	2	1	2
Total Vehicle Claims Paid	\$74,359	\$34,495	\$703	0
Number of Property Claims Filed—Public	2	3	2	3
Total Vehicle Claims Filed—City	1	2	2	2
Number of Property Claims Filed—City	3	2	2	2
Number of Workers' Compensation Incident Reports	15	9	15	15
Total Workers' Compensation Incident Claims	5	5	10	8
Workers' Compensation Modification Factor	.88	1.04	1.01	1.04

#### **Budget Variances:**

#### 519400-Insurance

Worker's Compensation: Modification factor increase
 Property Insurance: Premium and value increases
 General Auto Liability: Premium and value increases
 Liability Claims: Increase due to prior years' history

## City Hall Complex 518100

**Department:** Engineering and Public Works **Program Manager:** Building Inspector

**Program Description:** This account serves the building maintenance and repair needs of City Hall, Lincoln Building and Community Center Gym. Costs associated with the Library, Fire Station, Police Station maintenance and repair costs are located in their own budgets.

#### **Products and Services:**

- Coordinate City Hall, Lincoln Building and Community Center Gym repairs
- Provide custodial services for City Hall, Lincoln Building, Community Center Gym and Police Station
- · Maintain City grounds and buildings

#### **City Hall Complex Staffing Levels:**

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
Building Maintenance Engineer	0.83	0.83	0.83
Custodian	0.60	0.60	0.60
Total	1.43	1.43	1.43

<sup>\*</sup>Remainder of custodial staff is in Cemetery Fund (.17 FTE) & Police Department (.40 FTE) for a total of 2.

#### **2017 Significant Accomplishments:**

- 1. Replaced steam boiler in gym
- 2. Replaced retaining wall behind Fire Department

#### 2018 Objectives to Be Accomplished:

- 1. Remove and replace asphalt pavement around Fire Department
- 2. Exterior painting of Complex Buildings
- 3. Remove and replace concrete driveway at Station 1
- 4. Repairs to mausoleum

#### **Long-Term Objectives:**

- 1. New roof on Fire Department (Capital Improvement Plan 2019)
- 2. Replace roof on cemetery house

#### **Account Detail:**

#### 518100—City Hall Complex

- 222 **Electric:** Three buildings (interior and exterior)
- 224 Natural Gas: Three buildings
- **Telephone:** Land-line telephones for three buildings, phone updates, cell phones for maintenance supervisor and complex custodian
- 226 Water Service: Three buildings (interior and exterior)
- 240 **Repairs and Maintenance:** Monthly elevator inspection, rugs and mats, alarm system, HVAC repair/maintenance, monthly pest inspection, seasonal lawn and tree maintenance, water softener, exterior window cleaning, pull station inspections, Light & Water for bubbler, sprinkler, carpet cleaning, purchase of fire extinguishers (required in 2010)
- 350 **Operating Expenses:** Hardware/paint, janitorial supplies/paper products
- 380 **Equipment Outlay:** Telephone replacements and equipment/tool purchases
- **Capital Outlay:** Phone system, door locks, HVAC purchases, carpeting, lighting for parking lot, painting, window replacements and other major purchases and work performed for complex

#### **Budget Variances:**

### Police—Station & Administration

522100, 522110

**Department: Police** 

Program Manager: Chief of Police

**Program Description:** The Station Building (Account 522100) supports the activities of a part-time custodian who is responsible for the daily cleaning, upkeep and minor repairs of police grounds, building, and equipment.

The Administration Division (Account 522110) of the Cedarburg Police Department is headed by the Chief of Police who is responsible for organizing, controlling, and directing the personnel and resources of the Department. In addition, the Chief, per State Statute and local ordinances, is responsible for matters of police operations, discipline, rules/regulations and policies/procedures for the Department. The Captain assists the Chief with administrative matters and is primarily responsible for scheduling, training, and equipment. Within the Administration Division there are other non-sworn support personnel, which include an administrative assistant, a records clerk, and dispatchers.

The Police Department is staffed with six full-time dispatchers who provide 24-hour service, seven days a week. They are trained in emergency medical dispatching and in the state and national teletype systems for accessing State Department of Transportation records, checking for wanted persons, and processing record checks required for liquor license applicants, transcribe reports, CVR/DMV program, etc. They dispatch officers and other City emergency response personnel to calls: fire, rescue, ambulance, Auxiliary Police Unit; and page Light & Water, Wastewater and Public Works personnel for afterhours calls.

The Administrative Assistant handles all the related administrative duties for the Chief and Captain, and maintains Department personnel records; provides oversight of non-sworn personnel; and prepares police-related statistical reports. The Records Clerk transcribes complaint, arrest, and accident reports dictated by the officers; completes written reports and transmits copies to the District Attorney, Municipal and Circuit Clerk of Courts, and other social service agencies; is responsible for Department filing; and handling court and traffic records.

#### **Products and Services:**

- Recognize citizen cooperation through the issuance of commendations
- Make recommendations to Mayor, Common Council, Boards, Commissions, and citizens concerning public safety issues
- Seek potential grants and funding
- Coordinate annual Safety Day event to enhance public relations and offer information regarding Cedarburg Police Department
- Provide 24-hour police communications dispatch center
- Provide secretarial support to officers and supervisory staff
- Provide general upkeep of the police station building, grounds, and equipment
- Oversee maintenance and repairs of police vehicles
- Provide 24-hour, open door service to the public
- Prepare bids annually for replacement of patrol vehicles

#### **Police Station and Administration Staffing Levels:**

### **Police—Patrol & Investigations**

522120, 522130

**Department:** Police

Program Manager: Chief of Police

**Program Description:** The Patrol Division (Account 522120) is comprised of four traffic sergeants and twelve patrol officers. These officers are the principal agents for carrying out the functions of the Cedarburg Police Department, which include protection of life and property; preservation of the peace and good order of the community; and furnishing any other appropriate services to enhance safety and the orderly operation of the City. One of the Department's patrol officers serves as the handler for the Division's K-9 Unit. The canine is trained to search for narcotics and to locate and rescue missing persons.

The Investigation Division (Account 522130) is comprised of two officers. The Detective Sergeant is responsible for all adult criminal investigations and may be assisted by the Detective/Juvenile Officer or a day-shift patrol officer when needed. The Detective/Juvenile Officer is responsible for all juvenile investigations and all other relationships with the public and parochial schools, parents, and school children; and assists the Detective Sergeant as necessary.

#### **Products and Services:**

- Patrol areas of the City with squad vehicle, bicycle, foot patrol and canine
- Apprehend violators of state and local laws/ordinances and take appropriate action as specified by the rules/regulations and policies/procedures of the City
- Render service and provide assistance to those who live, work, or visit the City of Cedarburg by responding to home
  and vehicle lock-outs; providing open door and window checks for businesses, and home checks while citizens are on
  vacation; providing directions, and motor vehicle and driver's license information to the public; assisting motorists and
  pedestrians; locating lost children; and investigating problems encountered by the public while in the City
- Handle initial investigations of crimes or criminal activity and complete the proper reports for follow-up by the Detective or Juvenile Officer
- Two officers are trained as Special Response Team (SRT) members to help supplement the county-wide SRT unit; two
  officers participate on the Anti-Drug Task Force; three officers are trained as firearms instructors; and one officer is
  trained as defensive tactics instructor
- All officers undergo at least 24 hours of mandatory, annual training
- Officers investigate complaints; respond to fire/rescue calls, burglar/fire alarms and false 911 calls; issue warnings or
  citations for offenses; secure all City park restrooms year-round; investigate complaints related to burglary, theft, arson,
  vice, narcotics, sexual assaults/abuse, domestic violence, identity theft, juvenile enforcement, mental commitment,
  and other types of investigations as required
- Provide public education for adults and juveniles related to crime prevention, drug/alcohol awareness, child abuse, identity theft, and graffiti problems
- Provide Bicycle Safety Camp and Safety Town to help educate and protect young children relating to pedestrian and bicycle safety

#### **Police Patrol and Investigations Staffing Levels:**

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
Patrol Sergeants	4.00	4.00	4.00
Patrol Officers	12.00	12.00	12.00
Detective/Juvenile Officer	1.00	1.00	1.00
Detective/Sergeant	1.00	1.00	1.00
Total	18.00	18.00	18.00

### Police—Patrol & Investigations

522120, 522130

Department Services Indicators:	2015	2016	2017 Estimated	2018 Projected
Calls for Service and Incidents Received	18,902	20,898	20,580	23,640
Assistance to Motorists/Pedestrians	2,526	2,016	2,212	2,056

Accidents Investigated	180	170	156	114
K-9 Deployments	64	58	28	58

#### **2017 Significant Accomplishments:**

- Researched de-escalation techniques and trained officers
- 2. Hired and trained two new patrol officers
- 3. Promoted and trained two new patrol sergeants
- 4. Three patrol vehicles equipped to use Liquefied Petroleum for fuel
- Promoted Detective Sergeant and Detective/Juvenile Officer
- 6. Selected and trained drug recognition expert
- 7. Selected and trained new Drug Force Officer
- 8. Selected and trained new Crime Prevention Officer

#### 2018 Objectives to Be Accomplished:

1. Train two evidence technicians

#### **Long-Term Objectives:**

1. Train new Internet Crimes Against Children Officer

#### **Account Detail:**

#### 522120—Patrol Division

**Supplies and Expenses:** Firearms/weapon supplies, fuses, batteries, etc.; Safety Day, Citizen Police Academy and Hunter Safety expenses

#### 522130—Detective Division

- 210 **Professional Services:** Jail fees (inmate meals and lodging); blood tests; applicant test fees; attorney fees; hospital/lab fees; officer medical tests (includes drugs, audiology, etc.)
- 310 Investigative Office Supplies: Safety Town/Camp supplies, cameras and related accessories, evidence collection materials

**Department:** Fire

**Program Manager:** Fire Chief

**Program Description:** Fire service is provided by Cedarburg Fire Department, a volunteer service as the official municipal fire department in the City and Town of Cedarburg. The fire chief is elected by the volunteers and confirmed by the Police and Fire Commission.

#### **Products and Services:**

- Provide 24 hour fire communications
- Primary Emergency Medical Services (EMS) provider
- Coordinate four Maxwell Street Days events at Firemen's Park to raise funds to purchase fire fighting equipment
- Train all volunteers in latest fire fighting and emergency techniques
- Maintain all equipment and facilities (City and Town owned)
- Maintain Fire Stations 1 and 2 and Public Education/Museum Facility

#### **Fire Department Staffing Levels:**

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
Fire Chief		.50	.50
Fire Inspector	1.00	1.00	1.00
Volunteers	0.77	0.77	0.77

Department Services Indicators:	2015	2016	2017 Estimated	2018 Projected
Total Number of Training Hours	8,300	8,300	8,300	8,300
Structural Fires	4	4	4	4
Total Losses Due to Fire				
Response to Incidents in City	850	800	875	875
Response to Incidents in Town	220	200	225	225
Accident Responses	34	30	40	40
Total Responses	1,104	1,030	1,100	1,100
Other Mutual Aid Locations	50	45	60	60
Fire Inspections	1,620	1,620	1,620	1,620
Number of Citizens Receiving Fire Safety Education	1,000+	1,000+	1,000+	1,000+
Number of Hours of Public Contact				

#### **2017 Significant Accomplishments:**

- 1. Replaced concrete apron at Station 1
- 2. Hired a full time Fire Inspector

#### **2018 Objectives to Be Accomplished:**

1. Recruit more Fire/EMS volunteers

#### **Long-Term Objectives:**

1. Continue to focus on keeping Cedarburg Fire Department a volunteer fire/rescue organization

#### 522230, 522240

#### **Account Detail:**

#### 522230—Fire Station

235 **Operating Expense:** 

Administration	\$42,000	Fuel	\$7,500

### **Building Inspection**

522310

**Department:** Engineering and Public Works

Program Manager: Building Inspector

**Program Description:** The Building Inspector approves all permits including electrical, building, occupancy, plumbing, heating, erosion control, etc. Position is responsible for conducting all building inspections, enforcing building and zoning ordinances, updating codes and ordinances, and the sign approval process. Additionally, the Building Inspector supervises City Hall Complex employees, coordinates building maintenance, oversees cemeteries, and acts as Americans with Disabilities Act (ADA) representative. The Building Inspection Secretary is also secretary for the Public Works Division, handling all refuse and recycling questions and service requests, serving as recording co-secretary for the Public Works and Sewerage Commission, assists in coordinating cemetery burial and purchasing of lots and volunteer coordinator of the City Hall complex.

#### **Products and Services:**

- Issue permits
- Perform inspections
- Supervise management of City Hall Complex and capital improvements to facilities
- Respond to citizen inquiries and service requests concerning refuse, recycling, zoning, construction, code clarification, erosion, signage, cemeteries and landscape/drainage information
- Oversee cemetery operations

#### **Building Inspector Staffing Levels:**

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
Building Inspector	1.00	1.00	1.00
Secretary II	1.00	1.00	1.00

#### **Performance Measures:**

Service Area	Objective	Efficiency Measure	Target <b>201</b> 5/2016	Target 2016/2017	Target 2017/2018
Building Inspection	Efficient Municipal Government	Operating Costs	\$1.33 per person	\$0.75 per person	\$2.81 per household

#### **2017 Significant Accomplishments:**

- 1. Began permit process for The Glen at Cedar Creek
- 2. Oversaw construction of 42,000 SF storage facility for Cedarburg Storage

#### 2018 Objectives to Be Accomplished:

- 1. Permits and oversight of Hamilton House Care Facility
- 2. Permits and oversight of Arrabelle Development
- 3. Continue permit process for The Glen at Cedar Creek
- 4. Permits and oversight of 192 Unit Development on Sheboygan Rd.
- 5. Oversee development of Washington and Jackson site
- 6. Oversee construction of 7,000 SF Concord Development building

#### **Long-Term Objectives:**

- 1. Improve availability of information online
- 2. Specify responsible parties to handle health-related issues within the City (i.e. County Health Department liaison)

#### **Account Detail:**

#### 522310—Inspection

- 210 **Professional Services:** Testing or services as required by the Common Council and Commercial Electrical Inspector's wages
- **Telephone:** Land-line telephones, cell phone for building inspector
- **Office Supplies:** Forms reproduced/general office supplies, house number tiles and frames; State tags for new houses, microfilm of building permits
- 330 **Employee Training/Travel:** State of Wisconsin Safety and Buildings (recertification for building, electric, plumbing inspector license-training classes), SE-WBIA (Building Inspector seminars)

#### **Budget Variances:**

#### 522310-Inspection

- Staff is estimating 32 new single family residential starts in 2018
- Staff is including fee of \$6,030.00 for start of Arrabelle Building C
- Staff is including fee of \$17,430.00 for start of Sheboygan Rd. Apartments

#### **Revenues:**

443500 Building Permits: Decrease in Building Permits based on 32 single family starts estimated443512 Building Inspection Plan Review: Decrease based on 32 single family starts estimated

### Auxiliary Police & Emergency Management

522410

**Department:** Auxiliary Police and Emergency Management

Program Manager: Police Chief/ Emergency Management Director

**Program Description:** The City's Emergency Management duties in State law are performed by the Common Council appointed Emergency Management Director. The Emergency Management Director serves as the Common Council's principal advisor for the City's emergency management activities. The Emergency Management Director shall develop and the Common Council adopt a City Emergency Management Plan that is compatible with the County plan of emergency management and thereby also compliant with the State plan of emergency management.

The Auxiliary Police are overseen by the Police Chief or his designee. The Auxiliary Police are non-sworn volunteer reserves of the Police Department.

#### **Products and Services:**

#### **Emergency Management**

- Implements the adopted City Emergency Management Plan
- Provides trained spotters for severe weather
- Maintains the compatibility of the City Emergency Management Plan with the County's plan
- Directs local emergency management training programs and exercises
- Directs participation in emergency management programs and exercises that are ordered by the Adjutant General or the County head of emergency management
- · Advises the County head of emergency management on local emergency management programs
- Submits to the County head of emergency management any reports required
- Maintain City sirens
- Performs such other duties related to emergency management as are required by the Common Council

#### **Auxiliary Police**

- Assist Police Department with traffic and crowd control and searches
- Assist Fire Department at fire and rescue calls and practices
- · Recruit new members and daytime staffing

#### **Auxiliary Police and Emergency Management Staffing Levels (Volunteers):**

Personnel Schedule Summary Position	2016	2017	2018		
Auxiliary Police Volunteers	16 Active	16 Active	16 Active		
Emergency Management	1 Director, 1 Deputy	1 Director, 1 Deputy	1 Director, 1 Deputy		

Department Services Indicators:	2015	2016	2017 Estimated	2018 Projected
Storm and Tornado Support Call Outs (Em. Mgmt.)	6	6	6	6
Crowd Control/Searches Call Outs (Aux. Police)	4	4	4	4
Assists Fire Department Call Outs (Aux. Police)	10	8	8	8
Assists County Sheriff Department (Aux. Police)	10	8	8	6
Provides Emergency Power/Communication Call Outs (Em. Mgmt.)	2	2	2	2
Mutual Aid Call Outs—Events (Aux. Police)	10	12	12	12
Mutual Aid Call Ins—Events (Aux. Police)	10	7	7	6
Local Community Emergency Call Outs (Aux. Police)	5	7	7	7
Volunteer Hours (Aux. Police and Em. Mgmt.)	2,600	2,200	2,200	2,200
Training Meeting Hours (In House) (Aux. Police and Em. Mgmt.)	500	450	450	450
Seminars and Special courses (Hours) (Aux. Police and Em. Mgmt.)	350	300	300	200

### **Auxiliary Police & Emergency Management**

522410

Department Services Indicators (contd.):	2015	2016	2017 Estimated	2018 Projected
Number of Emergency Siren Activations (Em. Mgmt.)	2	2	2	2
5K Runs and Bike Race Call Outs (Aux. Police) 5K Run Hours	10 175	10 180	10 180	12 200
Parades—Local Call Outs (Aux. Police) Parades—Hours	4 300	5 325	5 325	5 375
Vehicle Maintenance Hours (Aux. Police and Em. Mgmt.)	100	100	100	100

#### **2017 Significant Accomplishments:**

- 1. Replaced fourth of six sirens
- 2. Added one new member
- 3. Increased the number events worked

#### 2018 Objectives to Be Accomplished:

- 1. Re-evaluate siren placement for new development of outlying City property
- 2. Replace an old siren—fifth replaced of six
- 3. Recruit more members
- 4. Continue Crisis Intervention Training
- 5. Continue improvement of garage and facility
- 6. Community outreach and education
- 7. Replace 2005 Dodge Ram 2500 pickup
- 8. Update traffic control signage for runs/walks

#### **Long-Term Objectives:**

- 1. Recruit daytime members
- 2. Continue a rigorous and regular training schedule
- 3. Maintain two-year cycles for driver training and CPR/AED training

#### **Account Detail:**

#### 522410—Auxiliary Police and Emergency Management

- 225 **Telephone:** Office phones and cell phones
- 239 **Siren Maintenance:** Annual cost to operate six sirens
- 240 **Repair and Maintenance:** HVAC and minor building repairs
- 290 Maintenance Contracts: HVAC
- 316 Radio Equipment Maintenance: Cost to maintain radio and pagers
- 343 **Awards:** Recognition banquet for volunteers
- 346 **Uniforms:** Update and make all uniforms the same
- 350 **Operating Supplies:** Vehicle maintenance
- 380 **Equipment:** Larger building repairs, radio equipment, and traffic safety equipment

#### **Budget Variances:**

#### 522230—Fire Station

239 Siren Maintenance: Increase for remaining old sirens and increased software maintenance for new sirens

# **Engineering & Public Works— Administration**

533110

**DEPARTMENT:** Engineering and Public Works

PROGRAM MANAGER: Director of Engineering and Public Works

**PROGRAM DESCRIPTION:** The Department of Engineering and Public Works consists of the following divisions: Engineering, Building Inspection, Planning, Public Works and Wastewater Treatment Plant. This program provides for the overall management of these divisions, which comprise 17 program budgets and 25 full-time employees.

#### **Products and Services:**

- Project oversight, construction inspection and design review services provided for all public construction projects, private developments, and zoning and site plan submittals
- Coordinate state and federally mandated programs for streets, stormwater, solid waste and wastewater collection and treatment
- Maintain official maps and records; including zoning, sewer and storm sewer
- · Respond to citizen inquiries and concerns regarding zoning, development, and public construction
- Coordinate City GIS mapping with Ozaukee County
- Staff support provided to Public Works and Sewerage Commission, Plan Commission and the Common Council
- · Administrative and engineering related services provided to divisions and departments

#### **Engineering and Public Works Administration Staffing Levels:**

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
Director of Engineering & Public Works*	0.75	0.75	0.75
Administrative Secretary*	0.75	0.75	0.75
Total	1.50	1.50	1.50

<sup>\*</sup>Remainder of employee allocation in Sewerage Enterprise Fund

DEPARTMENT SERVICES INDICATORS	2015	2016	2017 Estimated	2018 Projected
Installation of new sidewalk slabs	300	300	N/A	275
Lineal Feet of Streets Repaved	9,000	8,000	7,100	9,600

#### **2017 Significant Accomplishments:**

- 1. Reconstructed Pine St. from Harrison Ave. to Tower Ave.
- 2. Reconstructed Hickory St. from Harrison Ave. to Tower Ave.
- 3. Reconstructed Oak St. from Harrison Ave. to Chestnut St.
- 4. Reconstructed Spruce Ave. from Chestnut St. to Beech St.
- 5. Reconstructed Linden St. and Locust Ave. from Harrison Ave. to Bridge Rd.
- 6. Reconstructed Beech St. from Tower Ave. to Locust Ave.
- 7. Reconstructed Chestnut St. from Spruce Ave. to Tower Ave.
- 8. Reconstructed Hillcrest Ave. from Lincoln Blvd. to Jackson St.
- Coordinated the design and construction of a City owned communications tower
- Coordinated resolution of Cedar Creek clean up issues with Mercury Marine
- 11. Pursued land acquisition for lift station

#### 2018 Objectives to Be Accomplished:

- 1. Reconstruct Tower Ave.
- 2. Reconstruct Chatham St.
- 3. Reconstruct Montgomery Ave.
- 4. Reconstruct St. James Ct.
- 5. Reconstruct Balfour St.
- 6. Reconstruct Hampton Ave. and Ct.
- 7. Reconstruct Drury Ln.
- 8. Reconstruct Harrison Ave. from Coventry to Washington
- 9. Reconstruct Poplar Ave. from Drury to Washington
- 10. Reconstruct Kingston and Coventry Courts
- 11. Complete maintenance and structural repairs to Woolen Mills and Columbia Mills Dams per DNR mandate
- 12. Construct new Highland Lift Station

# **Engineering & Public Works— Administration**

533110

### **Long-Term Objectives:**

- 1. Evaluate alternatives available to comply with DNR stormwater discharge limits
- 2. Maintain and reconstruct Cedarburg dams to comply with NR333 requirements

### **Account Detail:**

### 533110-Engineering & Public Works

- 210 **Professional Services:** Land surveys, appraisals, geotechnical reports, soil borings, structural analysis, environmental testing
- 225 **Telephone:** Three lines, two cell phones, and directory listing
- **Office Supplies:** General office supplies, laminating sheets, business cards, storage boxes, batteries, calendars, drafting supplies, office furniture
- 320 **Publications and Dues:** WI Professional Engineer Registration, City membership in APWA, ASCE
- **Training & Travel:** Seminars (APWA spring and fall conferences), League of Municipalities Conference, staff training/computer seminars, D.O.T. Seminars
- **Operating Supplies:** Plotter ink cartridges, paper, Mylar, spray paint, survey flags, ribbon, stakes, safety equipment (vests, glasses, boots, gloves), recording fees, large document copier toner and paper
- **Capital Outlay:** Service for large document copier and AutoCAD plotter, GIS & AutoCAD software upgrades, radio equipment

### **Budget Variances:**

### 533110-Engineering & Public Works

- 318 GIS Mapping: Increased \$4,500 total to address consultant maintenance and support costs
- 330 **Training & Travel:** Increase \$200 to help address state mandated continuing education requirements for P.E. Certification

### 533210, 533311, 533410, 533420, 533421, 533440, 533450

**Department:** Engineering and Public Works

**Program Manager:** Superintendent of Public Works

**Program Description:** These programs include repair and maintenance activities for the City's movable equipment and 54 plus miles of City roadways and alleyways. Also included are fall leaf pickup, brush pickup and drop-off, and street sweeping. The Superintendent of Public Works provides the front-line management of this budget area. The alleys (non-eligible) are a separate program because they are not calculated in the State transportation aids reimbursement

### **Products and Services:**

### 533210 Garage—Public Works Crew

- Maintain buildings and yard at Public Works garage
- Storage of materials for Public Works and other departments
- Provide mechanical and maintenance services of Public Works and other departmental equipment
- Responsible for operation of fuel system for City entities

### 533311—Street Maintenance

- Provide painting of corner and fog lines, crosswalks, arrows, curbs and parking stalls for City streets, facilities and parking lots
- · Repair, replace and maintain existing signs and posts
- Install and maintain all added signage, when approved by Council
- Street patching
- · Small curb and gutter replacement
- Sidewalk replacement
- Install ADA ramps at intersections
- Provide signage, barricades, manpower and flags for festivals, celebrations and holidays
- Employee salaries for snow plowing, salting and removal for streets and City-maintained sidewalks (materials from snow and ice account)

### 533410—Street Ineligible

· Maintain alleys and City-owned parking lots

### 533420—Street Lighting and 533421 Traffic Signals

Labor provided by Cedarburg Light & Water, account overseen by Public Works (also includes utility costs)

### 533440-Storm Sewers

- Maintain the storm sewer system including repair and maintenance of catch basins, storm sewer manholes and pipes
- Clean storm sewers and catch basins
- Maintain and clean stormwater quality ponds

#### 533450-Snow and Ice Control

Materials to maintain all streets, alleys, sidewalks and parking lots during winter weather, salting, plowing and removal
of snow and ice (FTE hours listed under Street Maintenance)

## **Public Works**

533210, 533311, 533410, 533420, 533421, 533440, 533450

Appliance/Furniture Pickup	260	320	300	340

### **Public Works**

### 533210, 533311, 533410, 533420, 533421, 533440, 533450

### **Performance Measures:**

Service Area	Objective	Efficiency Measure	Target <b>201</b> 5/ <b>201</b> 6	Target 2016/2017	Target 2017/2018
Public Works	Appropriate Response to Winter Storms	Salting Operations	70%	70%	70%
Public Works	Appropriate Response to Winter Storms	Plowing Operation	20%	20%	20%
Public Works	Appropriate Response to Winter Storms	Downtown Snow Removals	10%	10%	10%

### **2017 Significant Accomplishments:**

- 1. Organized a smooth move in and set up of the new Public Works facility
- 2. Spec'd and replaced 1 ton dump truck with plow and salter
- Spec'd out and replaced front end loader with plow and salter
- 4. Helped spec out and worked with Wastewater on a shared Jetter Vac truck
- 5. New recycling center at Public Works open 6 days a week with longer hours and resident remote access
- 6. Revised brush pick-up policy

### 2018 Objectives to Be Accomplished:

- 1. Continue with set up of new facility
- 2. Spec out and replace 5-yard dump truck with plow, wing and salter
- 3. Spec out new 20,000 lb. mini excavator and trailer
- 4. Making projects and job sites as efficient as possible and continue evaluating how to improve operations

### **Long-Term Objectives:**

- 1. Continue vehicle replacement plan as specified in Capital Improvement Plan
- 2. Review utility and fuel saving methods
- 3. Continue to monitor the most cost-effective brush pickup/disposal policy

### **Budget Description and Variances:**

### 533210—Garage—Public Works

- 111 Salaries: Public Works crew and 0.25 WWTP employee
- 210 **Contracted Services:** Required hearing testing
- 222 **Electric:** \$4,000 increase for usage
- 225 **Telephone:** Increase for employee phone plan reimbursement
- 226 Water Service: \$4,000 decrease
- 326 Fuel System Maintenance: New account for system upgrades and annual maintenance
- 330 **Travel and Training:** \$1,000 increase for in and out of state training
- 350 **Garage/Maintenance Supplies:** \$5,000 increase for services
- 351 Gas and Oil Expense: \$5,000 decrease due to fuel pricing
- 353 Machine Equipment/Maintenance: Maintenance of DPW and City Hall trucks and equipment

### 533311—Street Maintenance—Public Works Crew

- 112 **Overtime:** Includes snow and ice removal
- 125 Part Time Salaries/Seasonal: Seasonal employee for DPW
- 210 **Professional Services:** Mandated drug testing for Commercial Driver's License (CDL) holders. Random Tests: Includes possible tests needed
- 240 Repair and Maintenance Services: Crack sealing materials, street painting and street patching
- 363 **Signs, Supplies and Parts:** Decrease \$1,000 due to less signage needing to be updated

### **Public Works**

533210, 533311, 533410, 533420, 533421, 533440, 533450

### **Budget Description and Variances (contd.)**

### 533410—Street Ineligible

530 **Lease Expense:** Parking lot rental (cover property tax)

#### 533420-Street Lighting

222 **Electric:** Budget number provided by Cedarburg Light & Water

#### 533421—Traffic Control Signals

240 **Repair and Maintenance Service:** \$4,500 increase for traffic signal improvements at Pioneer Rd. pedestrian signals

### 533450-Snow and Ice

380 **Equipment:** Maintain snow plows and wings, cutting edges

450 Ice Control Materials: Cost of road salt materials and anti-icing liquids

#### Revenues

435300 State Transportation Aids: Amount set under State budget

**463101** Appliance/furniture pickup plus fees paid by Festivals for Public Works crews for festivals (average \$3,500 for appliances, plus 100% of DPW time for festivals—Wine & Harvest: \$5,000, Strawberry Festival: \$6,000 and Winter Fest: \$1,700)

### **Health & Sanitation**

533710, 533720, 533730, 533740

**Department:** Engineering and Public Works

Program Manager: Director of Engineering and Public Works

**Program Description:** The Health and Sanitation program provides brush pickup curb side beginning the first Monday of the month from April through October. A compost/yard waste and brush drop-off site has been created at the Public Works yard with drop-off set up for Saturdays from April 1 through December 1.

The second aspect of this program is to provide contracted solid waste removal and recycling pickup for City residents and facilities.

Below is a summary of the progression of our solid waste and recycling program:

- **1995** Begin curb-side recycling (18 gallon bins bi-weekly) (contract runs 1995-1997)—close drop-off recycling center
- 1998 Renegotiate contract extension with Waste Management (contract runs 1998-2000)
- **2001** Renegotiate contract with Waste Management (contract runs 2001-2003)—begin weekly pickup of recycling (18 gallon bins).
- 2004 Renegotiate contract with Waste Management (contract runs 2004-2008)—code changed to volume based
  pickup—eligible building allowed equivalent of six 32-gallon containers for refuse and no more than two 18-gallon
  recycling bins every two weeks per building. Building owners can purchase service for one two-cubic yard refuse
  dumpster and two 96-gallon recycling containers at cost.
- 2009 Bids requested and contract awarded to Waste Management (five year contract—12/31/13). The City will continue to offer refuse service to eligible buildings that generate six 32-gallon containers of refuse or less per week. For recycling, eligible buildings will be provided one 64-gallon recycling cart for biweekly (every two weeks) pickup. A provision in the Code does allow a 96-gallon cart to replace the 64-gallon cart upon payment of a one-time flat fee of \$25. Also, the City is no longer allowing businesses to purchase two-yard dumpster pickup services through the City's contract. As part of the 2009 State of Wisconsin budget, landfill tipping fees were increased effective July 1, 2009 (additional 31¢ per unit) with an additional increase on October 1, 2009 of 23¢.
- **2014** Bids requested and contract awarded to Waste Management (seven year contract—12/31/20). City will continue to offer refuse service to eligible buildings that generate six 32-gallon containers of refuse or less per week (status quo). For recycling, eligible buildings will be provided either one 64-gallon or one 96-gallon gallon cart for biweekly pickup (every two weeks) due to the fact the cost of pickup is identical for either size cart. If request to upgrade to a larger cart is made before 12/31/13, there will be no charge; however, any requests after 12/31/13 will be charged a one-time flat fee of \$25.

Buildings serviced through City contract (2018 estimates):						
Single family, duplex, condo	4,010					
Commercial	70					
Apartment	20					
Total:	4,100					

	Grand Total	\$648,048			
Compost employee—	Compost employee—(35 weeks/\$11.25 per hour/6 hours per week)				
	Fuel Surcharge				
Additional recycling carts purchased	Additional recycling carts purchased—50 units at \$4.24/unit=\$212/mo=\$2,544/yr				
Recycling—4,100 unit	\$208,608				
Refuse-4,100 unit	Refuse—4,100 units at \$8.88/unit = \$36,408/mo = \$436,896/yr				

### **Health & Sanitation**

533710, 533720, 533730, 533740

### **Products and Services:**

- Curb side refuse collection once per week, with an allowance for six 32-gallon containers per week
- Recyclable collection biweekly, with an allowance of one 64-gallon recycling container
- Provide option to upgrade to one 96-gallon recycling container upon payment of a one-time fee of \$25
- · Brush pickup is provided starting the first Monday of the month from April through October
- Provide a compost/yard waste and brush drop-off for City residents at the Public Works yard six days a week from 7:00 a.m. to 7:00 p.m.
- Curb side leaf pickup service provided in fall

### **Health and Sanitation Staffing Levels**

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
Equipment Operator/Crewperson	1.5	1.5	1.5

Department Services Indicators:	2015	2016	2017 Estimated	2018 Projected
Refuse Collection (Tons)	2,000	2,050	3,100	3,255
Recycled Collection (Tons)	1,200	1,230	2,160	2,200
Recyclables to Refuse	36%	38%	38%	48%

### **2017 Significant Accomplishments:**

- 1. Added cardboard dropoff/recycling
- 2. Provided 6 day per week drop off at yard waste site
- Worked with Waste Management to increase service due to increase of single family residences/homes—a day was added

### 2018 Objectives to Be Accomplished:

- 1. Research paint collection at yard waste site
- 2. Research battery collection at yard waste site

### **Long-Term Objectives:**

- 1. Provide different options for hazardous waste disposal
- 2. Provide additional yard waste site services
- 3. Continue review of utility and fuel saving methods
- 4. Review working with different communities on recycling opportunities
- 5. Start to look at automated garbage collection options

### **Budget Variances:**

### 533710-Solid Waste Collection

290 Contracted Services: Per contract

297 **Fuel Surcharge:** Charged only if fuel prices exceed \$4.00 per gallon

### 533720-Landfill: Groundwater Monitoring

290 **Contracted Services:** Determined by contract

### 533730-Recycling

112 **Overtime:** For leaf-pickup

125 Part-time employee: No longer necessary with new drop off site

290 **Contracted Services**: Per contract

#### Non Tax Revenue Supporting Program

435420 **Recycling State Grant:** Amount set by State

464104 **Recycling Cart Upgrade:** Dependent upon resident requests

464105 **Landfill Monitoring:** Town to pay one-third of monitoring costs at Pleasant Valley

**Department:** Senior Center

Program Manager: Senior Center Director

**Program Description:** The multi-purpose Senior Center, located in the Lincoln Building in downtown Cedarburg, is designed to provide essential social, wellness, education, nutrition, transportation and leisure services to older adults. The Senior Center seeks to provide quality activities and opportunities to adults 55 years and older in the Cedarburg area. With diverse programs and services, the Center offers an atmosphere that enables older adults to be involved with and contribute to their community.

### **Products and Services:**

- Develop and implement new programs to reflect the changing needs and interests of Cedarburg older adults to include health, educational and inter-generational programs
- Design and distribute approximately 500 Senior Center newsletters bi-monthly
- Coordinate approximately 25 one-day and extended trips, accommodating approximately 500 senior citizens
- Co-sponsor county-wide trips and special events with Port Washington and Grafton Senior Centers
- Coordinate scheduling, operation and maintenance of the Cedarburg Senior Van Service and 14 volunteer drivers
- Provide site for Ozaukee County Senior Citizen Food and Friendship Meal Program
- Coordinate additional special events: Entertainment, Travel Show, Spring Luncheon, Speaker Program, Volunteer Appreciation, Senior Art Exhibition, Annual Turkey Feast, a special day featuring the talents of seniors, and holiday events
- Organize and implement sport leagues and activities, including Senior Games, tennis and pickleball
- Senior Center amenities include lounge area, games, pool table and lending library
- Co-sponsor classes and events with St. Mary's Hospital, Ozaukee County Aging and Disability Resource Center, local public and private healthcare agencies, local businesses and Cedarburg School District
- Coordinate educational programs including watercolor workshops, retirement and financial planning, health and wellness workshops including current community events, 55 Alive Mature Drivers Safety Classroom Refresher Course, Brain Wellness Programs, music appreciation and adult enrichment
- Coordinate two Annual Rummage Sales plus Holiday Craft Sale
- Co-sponsor Annual Ozaukee County Senior Conference

### **Senior Center Staffing Levels:**

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
Senior Center Director	0.70	0.70	0.70
Senior Center Supervisor	0.60	0.60	0.50
Total	1.30	1.30	1.20

Van Ridership	4,100	4,882	4,670	4,800

<sup>\*</sup>Attendance figures include attendance at the daily Cedarburg Dining Center. Van ridership is included in the weekly program figures.

### **2017 Significant Accomplishments:**

- 1. Formed team to participate in community Walk to End Alzheimer's Disease
- 2. Trained newly hired Senior Center Supervisor in all working aspects of the Senior Center
- 3. Conducted the ten week Aging Mastery Program at the Senior Center using grant received in 2016

### **2018 Objectives to Be Accomplished:**

- 1. Develop Excel attendance tracking tool to improve accuracy and time efficiency
- Develop a policy and procedure for allowing area businesses to promote their business and support the Cedarburg Senior Center
- 3. Improve Senior Center use of website
- 4. Encourage citizens to sign up for email alerts
- 5. Refresh and update display areas in Senior Center for promotion of programs, tours and special events

### **Long-Term Objectives:**

- 1. Train new volunteers to allow continuation of Senior Center volunteer van service and Senior Center office staffing during staff absences
- Develop programs to increase attendance at the Cedarburg meal site and continue to provide a location for the Monday through Friday congregate Food and Friendship meal program in Cedarburg for older adults run by the Ozaukee County Aging and Disability Resource Center
- 3. Continue to co-sponsor county-wide tours and special events with Port Washington and Grafton Senior Centers
- 4. Continue to provide outreach programing to area senior housing facilities through the Cedarburg Senior Chorus performances
- 5. Serve as a resource center for Cedarburg older adults by providing current literature, programming and information
- 6. Continue to encourage participants of the Senior Center to make a yearly contribution to the Center as an investor to maintain revenue return
- 7. Continue to promote van ridership to the City of Cedarburg older adults increasing ridership

### **Account Detail:**

### 555140—Senior Services

- 210 **Professional Services/Special Events:** Music appreciation, exercise, healthy living and watercolor instructors, miscellaneous class instruction, special events, e.g., rummage sales, volunteer appreciation, arts day, senior games, luncheons, parties, Ozaukee Senior Conference
- **Supplies and Expenses:** Receipt books, tour refreshments, advertisement placement for sales, newsletter postage, music group supplies, News Graphic subscription, decorations, cleaning supplies, mailing labels, miscellaneous supplies and lift maintenance
- 313 **Printing:** Printing of bi-monthly newsletters
- Travel and Training: Wisconsin Association of Senior Centers (WASC) membership and Annual Conference, American Red Cross training, Wisconsin Park & Recreation Association membership and training.

555140

### **Budget Variances:**

### 555140—Senior Services

Professional Services/Special Events: Increase from \$6,800 to \$7,500 due to increased class offerings and class sizes

390 **Other:** For trip expenditures

## Parks, Recreation & Forestry

555510, 555220

**Department:** Parks, Recreation & Forestry

Program Manager: Director of Parks, Recreation & Forestry

**Program Description:** The parks program provides for the maintenance of the City parks, which includes turf maintenance, painting, cleaning and repairing of 35 City park areas, encompassing 159 acres, and recreational facilities, which include playgrounds, play equipment, athletic fields and buildings. The maintenance of City-owned property including right-of-ways, boulevards, and facility grounds is also included. The maintenance and development of the City's urban forestry program, including pest management, planting, pruning and removal of City street and park trees is also part of this program's operation, as well as the Weed Commissioner's duties (Superintendent of Parks and Forestry).

### **Products and Services:**

- Park and recreational facility maintenance (including maintenance of the Community Pool, baseball fields, football fields, parks, restroom facilities, buildings and shelters)
- Urban forestry planning, planting, maintenance and removal of over 7,800 street trees
- · Ordinance enforcement
- City building grounds maintenance including City Hall, Police Department, Pool, Library and Public Works Garage
- Turf maintenance of approximately 90 acres of public lawn which includes parks, public right-of-way, City facilities and boulevards (approximately three miles)
- Maintenance of downtown hanging flower baskets and public flower and shrub beds at City facilities and boulevards
- Maintenance of the Cedar Creek walkway areas
- Maintenance of approximately three miles of the Interurban Trail (bicycle and pedestrian) easement
- Weed complaints, notices, and invasive species control
- Nuisance tree complaints and notices
- Submit Tree City USA, Growth Award and Urban Forestry Grant applications
- Canada Goose control
- Staff support provided to Parks, Recreation, and Forestry Board, Pool Commission and Common Council
- Administrative services provided to divisions
- Maintenance of three miles of boulevards

### **Parks, Recreation and Forestry Staffing Levels:**

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
Director of Parks, Recreation & Forestry	1.00	1.00	1.00
Recreation Supervisor/Office Manager	1.00	1.00	1.00
Superintendent of Parks & Forestry	1.00	1.00	1.00
Crewperson	3.00	3.00	3.00
Recreation Superintendent	0.25	0.45	0.45
Total	6.30	6.45	6.45

### **2017 Significant Accomplishments:**

- 1. Developed a plan for Adlai Horn Park
- 2. Received DNR grant for Ash tree management
- 3. Completed Comprehensive Park and Open Space Plan in house (savings of \$15,000-\$20,000)
- 4. Negotiated planting of sod at Behling Field
- 5. Negotiated a \$10,000 donation to Cedarburg fireworks

### 2018 Objectives to Be Accomplished:

- 1. Oversee restoration of Adlai Horn Park
- 2. Train one staff member as a playground inspector
- 3. Develop web based playground inspection program

### **Long-Term Objectives:**

- 1. Develop Master Street Tree Planting Plan
- 2. Develop Outdoor Sports Complex

### **Account Detail:**

### 555510—Parks and Forestry

- 112 **Overtime:** Weekend park duties, emergency tree service, special events, festivals, Recreation staff
- 210 **Professional Services:** Elm tree injections, membership dues for Arborist Associations
- 240 **Repairs and Maintenance:** Vehicle/machinery repairs and maintenance, park and forestry maintenance supplies (trash bags, paint, seed/fertilizer, topsoil, playground wood mulch, personal protective equipment, hand tools, etc.), gas and oil filters
- 241 **Vandalism Repairs:** Repair of vandalized buildings/equipment
- 290 Contracted Services: Tree removals, portable toilets, technical support, EAB
- 330 **Training and Travel:** Wisconsin Arborist Association Conference, Wisconsin Park and Recreation Association training and fall conference
- 341 Trees and Supplies: Street and park tree planting and planting supplies

## Parks, Recreation & Forestry

555510, 555220

### **Account Detail (contd.):**

### 555510—Parks and Forestry (contd.)

- 363 **Sign Supplies:** Park I.D. signs, miscellaneous park signage
- 380 **Equipment:** Mowers, chain saws, string trimmers, grills, picnic tables, benches

### **555220—Celebrations (Hanging Baskets and Summer Sounds)**

- 224 Natural Gas: Boy Scout House and Girl Scout House
- 350 Operating Supplies: Water soluble fertilizer, irrigation equipment, replacement hardware

### **Budget Variances:**

### 555510—Parks and Forestry

- 310 **Office Supplies:** Moved Recreation office supplies to this account
- 320 **Publications & Dues:** Required certification renewals
- 330 **Training:** Increase due to addition of staff requiring CEU's for professional certifications and renewals. Addition of playground inspector certification
- 341 Trees Contracted: Reduced due to work being completed by staff
- 350 **Operating:** Cost of copy machine has increased since 2016. Entire copy machine rental moved to this account
- 390 Other Expenses: Addition of playground inspection software

### 555220—Celebrations (Hanging Baskets and Summer Sounds)

- 112 **Overtime:** Increase due to more overtime hours for Summer Sounds, Festivals, 4th of July, and flower baskets
- **Supplies:** Increase to purchase flowers, fertilizer and irrigation equipment for hanging baskets and garbage bags and gloves for Summer Sounds

#### **Revenues:**

- **482215 Rent of City Property:** Rentals done through Parks, Recreation & Forestry Department at Senior Center and Gym—APlus (\$9,540-Tax), Festivals (\$1,620), NS Soccer (\$820), Solar Rec (\$820), Baseball (\$620), Misc. Rentals (\$500) for a total of \$13,920
- 485550 \$6,000 moved to conservation and development, \$3,500 added from TP&D Donation towards flower baskets

### **Conservation & Development**

566310

**Department:** Engineering and Public Works

Program Managers: City Planner, Economic Development Coordinator

**Program Description:** The community planning function provides services that maintain and preserve the "small town" atmosphere and quality of life for residents and businesses. It is responsible for both long and short-range planning, site plan review, zoning code administration and enforcement, economic development, landmarks administration, and general support of community development activities. It also supports historic preservation in historic areas.

The Economic Development Coordinator's mission is to work with existing businesses on issues facing the business community. The Coordinator serves as a liaison between merchants, businesses, the Cedarburg Chamber of Commerce and the local government. In addition, the Coordinator mediates concerns and directs inquires to the appropriate parties. The Coordinator works to promote the City of Cedarburg as the location of choice for retail, office and industrial business.

### **Products and Services:**

#### Conservation

- Comprehensive (long-range) Planning Coordination—Provide research, policy analysis, and recommendations to Plan Commission and Common Council to help formulate long-range goals and objectives
- Current Planning Coordination—Review, analyze and report on development proposals, work with citizens, business
  owners, and developers to provide accurate Code interpretations and guide development in accordance with City
  ordinances, policies and plans
- Staff liaison to Plan Commission, Common Council, Economic Development Board, and Landmarks Commission
- Zoning Code Administration—Implement Land Use Regulations that reflect the evolving policies of the City, provide interpretation of the Zoning Regulations and prepare amendments to the Zoning Code as necessary
- Historic Preservation—Provide research, analysis and recommendations to the Landmarks Commission regarding historic preservation matters

#### **Development**

- Create marketing strategies to attract businesses, developers and investors to redevelop sites within the City
- Coordinate City's economic development program, including providing demographic materials, information on available sites and other resources
- Work with existing businesses on issues facing the business community
- Sponsor information meetings on topics relevant to local businesses
- Coordinate with nearby communities regarding projects, trends and developments
- Attend Tourism, Promotion and Development, Cedarburg Merchants Organization, and Economic Development Board (serve as secretary) meetings

### **2017 Significant Accomplishments:**

- 1. Land use plan updated
- 2. Coordinated redevelopment of St. Francis Borgia site
- 3. Coordinated redevelopment of Jackson Ct. property
- 4. Coordinated redevelopment efforts for Amcast
- 5. Coordinated redevelopment of the Formart Site

### 2018 Objectives to Be Accomplished:

- 1. Continue approval process for Arrabelle
- 2. Coordinate Stroebel multi-family development
- 3. Develop ordinance for Pocket Neighborhood development
- 4. Begin update of Land Use Plan
- 5. Zoning Code recodification
- 6. Provide technical assistance related to extending sewer and water service to Sheboygan Road Corridor

### **Long-Term Objectives:**

- 1. Update the Land Division and Subdivision Ordinance for consistency with the Smart Growth Plan
- 2. Coordinate development activity and rezonings as needed for Sheboygan Road Corridor
- 3. Provide technical assistance for development proposals within Sheboygan Road Corridor
- 4. Monitor future development and land divisions within Town of Cedarburg
- 5. Coordinate redevelopment activities for Amcast, Weil Pump and Mercury Marine sites
- 6. Provide technical assistance for the development, redevelopment and business retention for the Downtown Business District
- 7. Encourage redevelopment opportunities throughout Cedarburg with both private investors and development companies
- 8. Monitor commercial development along the Creek Walk
- 9. Work with the Landmarks Commission on a program to place historic informational plaques on certain buildings in the Historic Preservation District

The Capital Improvement Budget, including the seven-year plan, is an important tool in managing the City's near and long-term infrastructure and equipment needs. It documents the major projects that the City will be undertaking over the plan period, as well as the repairs to City facilities and replacement of equipment necessary to carry out City operations.

### **POLICY AND PRACTICES**

Per Policy FC-3 Capital Improvement Budget, the City adopts an annual capital improvement budget, which is based on a seven-year capital improvement plan. The annual budget and seven-year plan is prepared by department heads and reviewed by the City Administrator/Treasurer along with the departmental and program operating budgets, as part of the annual budget cycle. The capital improvement budget is then reviewed and adopted by the Common Council via ordinance. As part of the budget review process, the impact of capital projects on future operating budgets is also considered which is estimated on the following capital project description pages.

Capital Improvement expenditures must be made in accordance with the budget document. Variance from the approved categorical budgets, including supplemental appropriations, prior year encumbrances or additions/deletions of projects, must be approved by the Common Council. As a general guideline, capital improvement expenditures are defined as those amounts expended for equipment or other assets with a useful life of five or more years and/or which involve amounts exceeding \$25,000. This includes multi-year projects where the total project cost is estimated to be more than \$25,000. In addition, expenditures for long-term projects are considered part of the capital improvement fund expenditure budget. Expenditures not meeting these criteria, or which have a useful life of less than the payback period of any borrowed funds used for the item's purchase, are included in the operating budget.

### **HISTORY**

Per the Strategic Work Plan Goal #2 Financial, the City emphasizes pre-funding reoccurring capital costs, or financing items on a "pay as you go" basis, funded by existing resources or tax levy. To this end, property tax direct funding has increased from no property tax funding prior to 1993, up to the 2018 capital amount of \$915,000. The capital plan anticipates that debt will be used solely for high dollar, long-lived assets or projects. Additional sources of revenue include special assessments, capital fund balance, park equipment and development impact fees, transfers from other funds and grants or other intergovernmental assistance. City policy states that intergovernmental assistance will be used to finance only those capital improvements that are consistent with the capital improvement plan and City priorities.

### **CURRENT YEAR EXPENDITURES**

The 2018 Capital Plan anticipates expenditures for a variety of projects and assets. The street improvements total \$1,123,000 (excluding water, storm and sanitary sewer improvements) for the road reconstruction projects on portions of Balfour Street, Hampton Avenue and Court, Drury Lane, Kingston Court, Coventry Court, Harrison Avenue, Poplar Avenue, Montgomery Avenue, Chatham Street, St. James Court and Tower Avenue. The 2018 levy funding for the Street Improvement Reserve Fund is \$200,000. The remaining funding will be from an \$800,000 borrowing.

The **storm water** capital reserve, funded by \$225,000 of property taxes, will support improvements to Tower Ave., Montgomery/Poplar catch basins, Balfour, Hampton, Drury, Kingston Ct., Harrison Ave., and Evergreen Blvd. and consulting and engineering fees.

The remediation of the **Prochnow and Blank Landfills**, of which the City is a potentially responsible party (PRP), and repair of City dams continues to be a major present and future expense. \$10,000 is budgeted for environmental expenditures and \$500,000 for City owned dams. The timing of the Prochnow Landfill closing is dependent upon the DNR and the actions of the PRP group. These expenditures are funded by the Environmental Reserve Account.

**Equipment purchases** are funded by \$450,000 in property taxes through the Equipment Replacement Reserve program. The purchases for 2018 include two squad cars, an Emergency Management pick-up truck, mini-excavator and trailer and one-ton dump truck for Public Works, and a lawnmower with attachments for the Parks, Recreation and Forestry Department. Capital projects funded through the general projects appropriation and fund balance include Emergency Management siren replacement and park improvements.

### **FUTURE YEARS EXPENDITURES**

The Capital Plan for 2018 and future years reflects the funding philosophy previously discussed, in that the City is attempting to maintain stable, uncommitted Capital Fund balances; plan and coordinate borrowing needs; obtain sufficient current resources via property taxes and other revenue sources to pay for projects; and accumulate funds for known future needs.

Tax levy support for capital items is anticipated to grow over the next several years in order to fully fund the street improvement and vehicle programs; replace the funding for parks equipment and improvements previously provided by park fees charged to developers; pay for repairs and maintenance of City facilities; and pre-fund future potential landfill and dam repairs. Competition for the street and storm sewer funds and the coordination with the water and sewer utilities led to the creation of an extended 7-year capital plan.

The street improvements budget is anticipated to be used for street repair in coordination with water, storm sewer and sanitary sewer needs, and the pavement evaluation and management program as required by the Wisconsin Department of Transportation (WDOT). Street improvements in the amount of \$6.7 million are anticipated in the seven-year plan. This will address street condition deficiencies for 53 streets.

The Prochnow Landfill and Blank Landfill remediation continues into 2018. The cost is still unknown. During 2010, the City's Well #4 reached levels of vinyl chloride of .2 parts per billion, the maximum level allowed by the DNR, requiring the City to shut the well down. A treatment facility was built and up and running in September 2011. The source of the contaminant has not been fully determined, but it is likely associated with the Prochnow Landfill. In 2015 the PRP Group approved an appraisal and wetland delineation be completed along with the creation of an interim action plan for submittal to the DNR.

The City routinely completes all required dam inspections and evaluations, and the reports are submitted to DNR per the compliance schedule.

In 2013 the City awarded a grouting contract to address required seepage repairs at the Woolen Mills Dam. City crews also removed trees and vegetation adjacent to the dams and replaced missing warning signs as required by DNR.

\$200,000 was budgeted in 2014 for additional repairs to both the Woolen Mills and Columbia Mills dams; however, the repairs were put on hold when the City received a letter from DNR requiring the dam spillways be brought into compliance with NR 333 spillway capacity requirements within 10 years.

The City then retained a consulting engineer to evaluate alternatives to comply with the spillway requirements. The alternatives included widening the spillways and/or lowering the spillway crest to increase hydraulic capacity. The initial alternatives proved to be expensive and unpopular with the public, and ultimately the Common Council chose not to proceed in this direction.

The City received a time extension until October 2018 to address identified structural deficiencies. These include scour repairs at the spillway toe at Woolen Mills Dam and masonry repairs along both channel sidewalls. Required repairs at the Columbia Mills Dam include reconstruction of the mill race, the addition of an operable weir gate, and miscellaneous repairs to the deteriorated concrete structure.

\$500,000 was budgeted for this work in 2018, and the City will be applying for a State Dam Rehabilitation Grant to cover part of the cost.

Over the next seven years the storm water budget includes \$2.5 million in capital projects. Much of this is associated with the reconstruction of our existing storm sewer system, but a sizable share is related to dredging existing City owned storm water ponds.

Funding is also allocated to address the new TMDL regulations for Cedar Creek. The strict phosphorus limits imposed will require a new approach to municipal storm water management.

### **CAPITAL PROJECTS IMPACT ON OPERATING BUDGET**

To identify the annual operating impact of the capital program, an assessment of each item has been made, based on the below criteria.

**Positive** The project will either generate some revenue to offset expenses or will actually reduce operating costs

Negligible No discernible impact on operating budget

**Slight** Impact will be less than \$10,000 in increased operating expenditures

Moderate Impact will be between \$10,001 and \$50,000 in increased operating expenditures

**High** The project will cause an increase in operating expenditures of \$50,001 or more annually

### **REVENUE SOURCES**

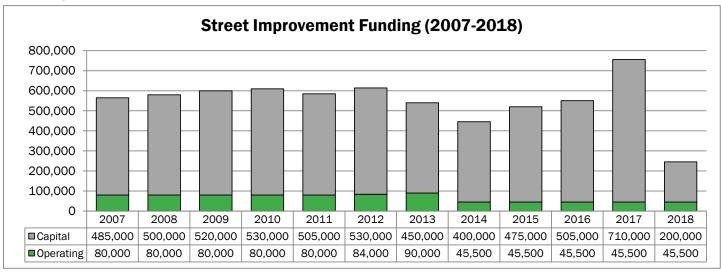

Major revenue sources for the Capital Improvement Fund include the following:

**Park Equipment and Development Impact Fee**—This impact fee adopted in 2002, in accordance with the 1993 Wisconsin Act 305, provides funds for developing new parkland dedicated by developers, or to expand or improve existing park facilities to accommodate new development. Park expenditures of \$535,000 are funded by this revenue source in the 2018-2022 budgets.

**Local Road Improvements Grant**—These funds (approximately \$42,000) are available every four years from the State of Wisconsin (via Ozaukee County) for road Improvements. Funds were budgeted for 2015 and are budgeted again in 2019.

**Property Tax**—Prior to 1993, this funding source was not used for Capital items. Total 2018 budgeted tax levy support for the Capital Fund is \$915,000. This represents a 23% decrease from the 2017 level.

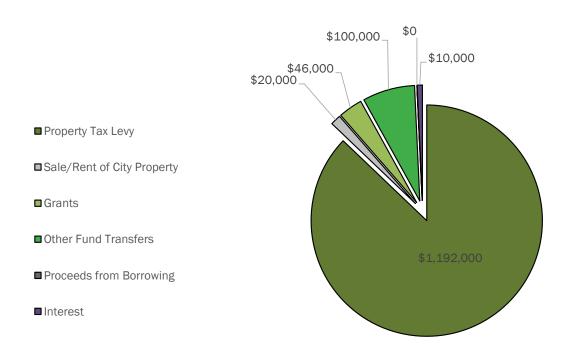

\$200,000 of property tax is being used to fund street projects; specifically for road improvements. Environmental costs expected to be incurred in 2018 are funded by a \$10,000 levy and the reserve account. The equipment replacement reserve seeks to provide resources for the purchase of major movable equipment (vehicles, etc.) by including it in the property tax levy amounts equal to the annual cost for each piece of equipment. The annual funding level is determined by dividing the expected replacement cost of each asset by its expected useful life. The allocation for 2018 is \$450,000; \$230,000 more than the 2017 amount. The funding is scheduled to increase in 2019 to make up for the shortage from prior years. The goal of the program is to eliminate peaks and valleys in funding for equipment as items require replacement, and to cease the use of long-term debt to fund the purchase of short-lived equipment.

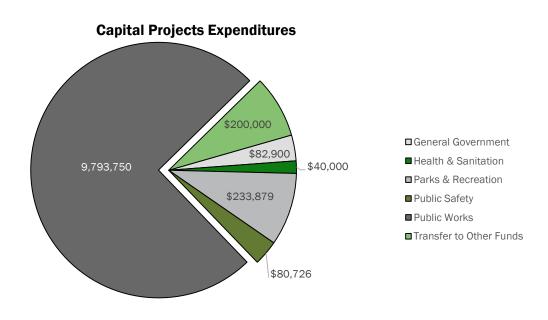

### **FUND BALANCE**

Undesignated reserves in the General or Capital Fund accumulated through positive variances in the cost of prior year projects, interest earnings on unspent funds, special collections and other factors. Fund balance was used as a source of funds for smaller capital projects, primarily for facility maintenance or rehabilitation nature and to help lower the levy in previous years. Maintenance of stable fund balances allows the City flexibility in funding projects, as preliminary costs on large projects (which will be funded via debt) can be paid out of existing reserves, with the fund balance being replenished by the debt issuance as needed.

## WATER RECYCLING CENTER Water Recycling Center

The Cedarburg Water Recycling Center (WRC) fund is a proprietary-enterprise fund of the City of Cedarburg. All financial transactions for the WRC Division operation are recorded within this fund. The WRC fund is supported by the user charges to our customers, which is based on water usage for residential and commercial customers, and effluent volume and strength for our industrial customers. The policies and planning of the Water Recycling Center\* operations are overseen by the nine members of the Public Works/Sewerage Commission, which are appointed by the Mayor and approved by the Council for two-year terms of office. Currently, Cedarburg has eleven lift stations which keep the influent moving through approximately 57 miles of sewer lines until its ultimate destination, the Water Recycling Center.

### **HISTORY**

The Cedarburg Municipal Sewerage System was installed in 1921 and 1922 along with the water works. Initially, there were two plants which consisted of two-story sedimentation tanks called Imhoff Tanks. They gave a rudimentary type of treatment which consisted of separation of liquid and solids, but not to the level of treatment available today in Cedarburg.

In 1973 the Activated Sludge Plant came on line with a more sophisticated mode of operation—biological treatment. The Oxidation Ditch, started in 1988, takes this farther still being able to naturally remove nitrogen and phosphorus. The living bacterial/protozoal mass biodegrades the sewage to the point where the solid residue or biosolids are spread on farm fields and the clear oxygen enriched effluent is discharged to Cedar Creek meeting the effluent limits imposed by the Department of Natural Resources.

In 1993 the WRC took over the cleaning and maintenance of the Collection System as well as the plant and lift stations. All of this is managed and maintained by one superintendent and six operators. Through some automation at the Oxidation Ditch Plant, we are able to handle the workload on one shift with operators on call 24/7.

In 1996 a remote septage receiving station was added on Pioneer Road to better facilitate acceptance of holding tank waste. This has allowed the plant to better process this wastewater and received favorable acceptance by the haulers. In May 2013 the remote receiving station was closed due to odor issues and haulers were directed to the Plant.

In 1998 the second Discharge Permit was issued from the Department of Natural Resources. A permit to discharge is issued for a five-year period. Plant improvements for producing better biosolids were installed in 1998. In addition, a better biosolids loading station was built, and the remote 180-day biosolids storage tank was operational in the fall of 1999 under a private sector contract. In 2015 biosolids were contracted to be hauled to alternative WWTP's.

In 1999 the disinfection process for the effluent was converted from chlorine to ultraviolet light eliminating two deadly gases—chlorine and sulfur dioxide. In addition, a new storage garage was constructed and the City's largest organic loading, Kemps Dairy, started pretreating their waste.

The City purchased 100 acres of property along Pioneer Road (CTH C) at the confluence of Cedar Creek and the Milwaukee River in 2000. The balance of the Zarling farm was purchased in 2002 for a total of 115 acres. This land serves as the future location of the treatment facility 15-20 years into the future, depending on the regulatory requirements, technology changes and growth.

In June of 2008, the WRC Discharge Permit was renewed for another five years which brought us to the twenty-five year mark for the current plant. There were reductions in the limits for ammonia nitrogen. The City is able to operate with this permit. We were issued a new permit on April 1, 2017 further lowering the limits for phosphorus removal.

In January of 2017 the city's 11th lift station was put online. This new station called Kenzie Way will allow development to be added on the northern portion of the sanitary district. The station was sized proportionally for the current flows but allowing it to be upgraded as the development increases.

\*In September of 2017 the Sewer Utility Fund changed its name to the Cedarburg Water Recycling Center.

### WATER RECYCLING CENTER Water Recycling Center

### **SEWER USER CHARGES**

The City of Cedarburg currently has approximately 11,530 residents. The sanitary sewer service area for the Cedarburg WRC includes the present City limits plus a considerable amount of area in the Town of Cedarburg and a portion in the Town of Grafton and the City of Mequon. The current Sewer Service Area was last amended in 1996.

Cedarburg has a variety of commercial, public and industrial users contributing to the Water Recycling Center in addition to the residential users. Below is a list of the meter counts from the Cedarburg Light & Water Utility for customers who have sewer service.

Sewer Meter Count:	2015/2016	2016/2017
Residential	3,567	3,602
Commercial	384	386
Industrial	27	27
Public	34	34
Total	4,012	4,049

The 2016/2017 influent wastewater characteristics for the Cedarburg WRC are as follows:

	MGD	mg/1	lbs/day	lbs/yr.
Ave. Daily Flow	2.116			
Ave. Daily BOD		198	3,249	1,184,134
Ave. Daily TSS		206	3,348	1,222,011
Ave. Daily TKN		20.3	333	121,391
Ave. Daily P		2.7	45	16,322

The flow used in computing 2017 rates (324,323,800 gallons) was 100% of billable flow.

### **RECOVERY OF COSTS**

The method of cost recovery for operation and maintenance (O&M), user-related debt costs and replacement costs is based on use of the system. These components are allocated to a use parameter (Flow, BOD, TSS, TKN, and P) on a percentage basis, and are assessed based upon the average use allocation percentages as determined from the allocated budget items. The allocation percentages applied to budgeted expenses is detailed in the user charge model, available in the Engineering and Public Works offices at City Hall.

Infiltration/inflow (I/I) connection charge is a percentage of the total cost assigned to the wastewater flow parameter. The percentage of clearwater (I/I) entering the sewerage system is estimated to be 30. The cost allocated to I/I is divided by the number of connections to the sewerage system to determine the connection charge. This charge is assessed equally to each connection regardless of water use.

### **SUMMARY OF RETAINED EARNING FUNDS**

### **Collection System Reconstruction Fund**

The Collection System Reconstruction Fund is to be used to repair or replace sanitary sewer lines, forcemains, and manholes. It pays for engineering of these projects as well as the sanitary sewer part of the project. Laterals up to the right of way may also be replaced with this fund.

### **Equipment Replacement Fund**

This fund was mandated by the DNR in accordance with NR 162.08(3) Wis. Admin. Code, and is to be used for "obtaining and installing any equipment, accessories or appurtenances which are necessary during the useful life of the treatment works to maintain the capacity and performance or which such works were designed and constructed." Annual deposits to this account are required.

### **Impact Fees**

The Water Recycling Center Reserve Capacity Fee is used to recover capital costs for future capacity built into the wastewater treatment plant in 1988. These funds were first used to decrease any outstanding principal and interest cost. Since, no debt is outstanding; all proceeds are transferred to the undesignated reserve at the beginning of each fiscal year.

# WATER RECYCLING CENTER Vater Recycling Center

The Biosolids Impact Fee was created to recover future developments' share of costs related to Water Recycling Centercapital improvements required to comply with NR 204 Sludge Management Regulations. At the beginning of each fiscal year, all proceeds from this account will be transferred to the undesignated reserve, as the biosolids improvements were originally funded from this account.

In 2012 the City did an impact fee study and combined the Biosolids Impact Fee with the Water Recycling Center Reserve Capacity Fee.

The Connection Fee for new development funds collection system over sizing, regional lift stations, forcemains, highway and river crossings, and other non-assessable sewer costs. The one-time fee is assessed at the time of platting or annexation, and is per residential equivalent (REC) for single-family and non-residential development, per dwelling unit for a duplex, multiple-family.

### **SUMMARY OF RATES**

Based upon the sewer use rate model, the following rates are for 2018, which are effective January 1, 2018. The flow rate increased 1.5% and the monthly connection fee remains the same.

		Monthly
	Flow Rate	<b>Connection Fee</b>
	(\$/1,000 gal.)	(\$/month)
2017 Rate	\$5.22	\$14/month
2018 Rate	<b>\$5.30</b>	\$14/month

### **SURCHARGE**

Users of the Cedarburg Sewage System who have been identified as having wastewater with strengths of one or more "use parameters" greater than domestic wastewater are assessed a surcharge. The charges for these parameters are as follows:

 Volume
 \$5.30/1,000 gallons

 BOD > 200 mg/l
 \$0.213/lb.

 TSS > 225 mg/l
 \$0.285/lb.

 TKN > 30 mg/l
 \$0.947/lb.

 Phosphorus > 10 mg/l
 \$7.062/lb.

Fixed Charge \$14.00/month/connection

### **SEPTAGE HAULERS**

These rates are remaining at the 2017 amounts.

### **COSTS FOR SEPTAGE HAULERS PER 1,000 GALLONS**

 2017 RATE
 2018 RATE

 Holding Tank
 \$8.70/1,000 gallons
 \$8.70/1,000 gallons

 Septic Tank
 \$44.91/1,000 gallons
 \$44.91/1,000 gallons

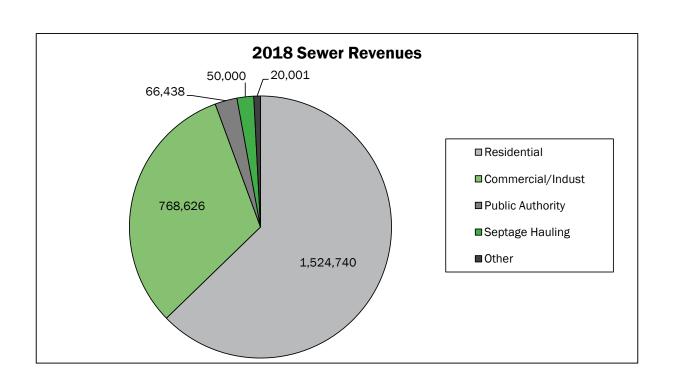

In addition to the above charges, a \$10 administrative fee is charged for each septage truckload received. This increased in 2016 from \$5 in 2015.

Costs allocated to septage haulers do not include 0 & M costs associated with the collection system, connection charges for I/I, collection system debt, or the collection system replacement funds.

## WATER RECYCLING CENTER Water Recycling Center

**Department:** Engineering and Public Works

**Program Manager:** Water Recycling Center Superintendent

**Program Description:** This program accounts for all expenses related to the operation and maintenance of the City's

Water Recycling Center, 11 lift stations and the sanitary sewer collection system.

### **Products and Services:**

- Treat sewage including septage
- Maintain and operate 11 lift stations and Water Recycling Center
- Responsible for maintaining 57 plus miles of sanitary sewer in Cedarburg
- Annually inspect and televise sanitary sewers for diagnostic purposes and inspection of pipe replacement
- Clean sanitary sewers plus trouble spots and clean storm sewers
- Maintain records on sewer system
- Locate sewer lines for construction
- Respond to customer service calls
- In-house construction administration of sewer rehabilitation program
- Accept some water from remediation projects for treatment

### Water Recycling Center Staffing Levels (Full-Time Equivalent Employees—FTE)

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
Director of Engineering & Public Works	0.25	0.25	0.25
WRC Superintendent	1.00	1.00	1.00

### **2017 Significant Accomplishments:**

- 1. Rebuilt all three raw sewage pumps and check valves at plant
- 2. Purchased new jet/vac truck
- 3. Replaced lawn mower/snow blower
- 4. Hired four new operators

### 2018 Objectives To Be Accomplished:

- 1. Replace truck #63--utility truck with crane
- 2. Replace Toyota Prius with pickup truck #60
- 3. Replace digestor blower
- 4. Write WPDES permit optimization plan
- 5. Train new employees

### **Long-Term Objectives:**

- 1. Replace Ferrous Chloride (Iron) system with new PO<sup>4</sup> chemical system
- 2. New sewer treatment center

### **Account Detail and Budget Variances:**

### 573810—General Labor

154 **Insurance:** Reduced due to new employees hired

### 573815—Collection System

154 **Insurance:** Reduced due to new employees hired

### 573855—Sewer Contingency

990 Contigency Reserve: Reduced

The Debt Service Fund of the City is used to account for the payment of debt service on all debt obligations of the City. Payments on general obligation debt issued for general government purposes are funded primarily by the property tax levy, with Water Recycling Center Fund debt paid by user fees. In 2016 funds were borrowed for the Sheboygan Road lift station. The objective of the Fund is to provide capital for long-life assets of the City, managing a principal and interest payment stream that does not exceed an equalized tax rate of \$1.48/\$1,000 of property value.

#### **Debt Policy and Practices**

Certain costs are incurred by the City that reflect a long-term investment in the future of the City. Financing of these long-term assets is often appropriately accomplished through the issuance of long-term debt instruments, special assessments, or any other combination of these. The Debt Policy of the City (FC-2) confines borrowing for capital long-term projects that cannot be financed from current revenues. Moreover, the term of the debt cannot exceed the life of the asset with maturities not to exceed 20 years.

The Debt Policy of the City limits the maturity of all outstanding general obligation bonds at or below 20 years. Secondly, it further limits general obligation debt to 4% of equalized valuation. The statutory limit is more generous; 5% of equalized value. This means that the City could theoretically issue an additional \$48 million in general obligation debt under its policy. Thirdly, the total annual debt service for general obligation debt shall not exceed 50% of the City's total annual general operating revenues (inclusive of all property tax levies and exclusive of revenues from proprietary entities).

The City of Cedarburg utilizes a Financial Advisor (Ehlers & Associates, Inc.) and a Bond Counsel (Quarles & Brady) to issue debt on a competitive sale basis to make sure debt issues are structured to protect the interest of the City for the present and future.

#### **Bond Rating History**

The City's bond rating is evidence of its financial strength. In 1997, Moody's Investor Services upgraded the City's bond rating from Baa1 to A2. The City's bond rating was again upgraded in 1999 from A2 to A1 by Moody's Investor Services. In affirming the A1 rating in 2001, Moody's Investor Services stated "This rating reflects the City's sound financial operations, moderate debt burden and growing tax base north of Milwaukee. Moody's expects the City's financial position to remain sound due to prudent management and maintenance of healthy reserves." Such ranking means the City's bonds are considered to be of excellent investment quality.

In 2010 Moody's recalibrated the municipal ratings to its global rating scale, and the City's rating was changed to Aa2. The City attempted to improve its bond rating in 2007, 2008, 2012, 2015 and 2016 unsuccessfully. The total equalized value of the City continues to be the main factor affecting their decision at this time.

#### **Debt Issuance History**

Over the last decade, the City's general obligation (G.O.) debt levels as a percentage of the City's equalized value have increased due to the Library and Public Works building borrowing, as shown in the graph on the next page.

The debt issuance for 2007 was due to the borrowing of \$1,885,000 for the Tax Incremental District, \$350,000 for stormwater projects and \$1,050,000 for the Library building.

A borrowing of \$800,000 through the State Trust Fund was used to fund the 2010 Washington Avenue project. The Library building project borrowing of \$5.125 million was completed in 2012 which resulted in a 15 year G.O. Corporate Purpose Bond at an average rate of 1.66%. The TID #2 borrowing was refinanced in the amount of \$390,000 and \$1.59 million was distributed to an escrow agent to pay down the debt until the callable date in 2015.

The 2012 budgeted borrowing for the south section of the Creek Walk was postponed until 2014 along with the project. In 2014 there was a borrowing of \$245,000 for the south section of the Creek Walk, \$250,000 for engineering services for the building of a new Department of Public Works garage, \$200,000 for dam repairs and \$200,000 for street projects. The 2014 borrowing was done internally with the Light & Water Commission and was refinanced with the 2015 borrowing to save on issuance costs.

For 2016 projects the borrowing was completed in 2015. The borrowing for the DPW garage was completed in 2016 for \$8.7 million.

The Water Recycling Center also borrowed funds in 2016 to pay for a lift station on Sheboygan Road that will support growth to the north of the City. This borrowing was for \$1,005,000.

For 2018, in order to stay on schedule with the street improvement projects, a borrowing of \$800,000 is planned, along with \$300,000 for construction of a monopole and \$287,500 for DNR mandated dam repairs. For 2018, there will also be a borrowing for TID No. 4 to clean up the Amcast Super Fund site in the amount of \$3.33 million. This borrowing will be funded by the tax levy until redevelopment can occur, which may take three to five years.

#### **Debt Level**

As shown on the accompanying schedule of debt maturities, the City has total general obligation debt outstanding as of December 31, 2018 of \$16,657,455. This represents 24.95% of the City's legal debt limit as per Wisconsin Statutes (5% of the equalized valuation of taxable property within the City). Debt service on new issues; however, adds to the property tax levy, and therefore, must be taken into consideration prior to any new debt issuance.

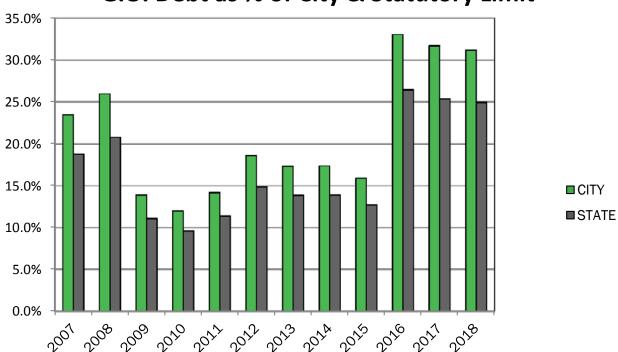

Equalized Value \$1,309,132,400

Statutory Limit 5%

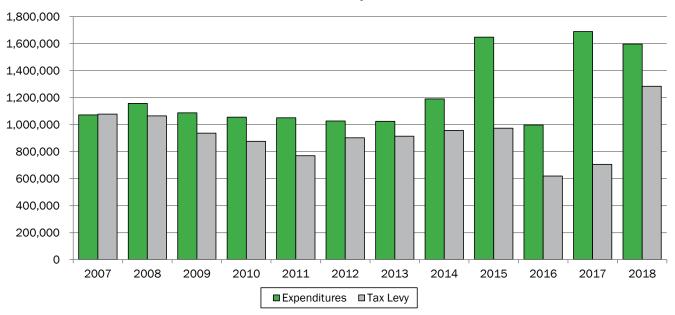

Legal Debt Limit \$65,456,620 Debt Capacity \$48,798,665

The following graph shows the historical trend in debt service and tax levy funding.

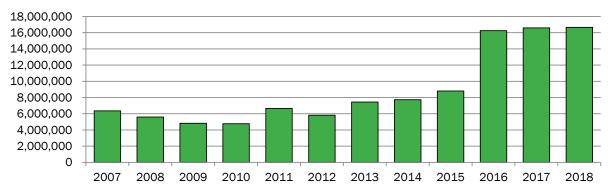

### G.O. Debt as % of City & Statutory Limit

#### **Debt Service Expenditures**

G.O. Debt Balance (Tax Levy Portion Only)

#### **Schedule of Future Debt**

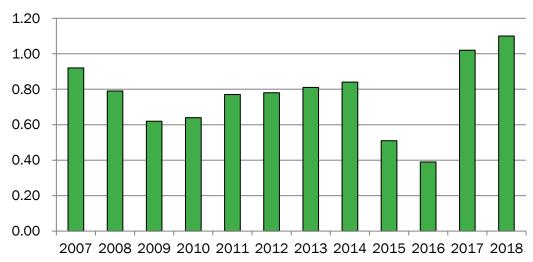

In accordance with the City's debt policy the future borrowings are for long-term capital projects. The assets' life far exceeds the terms of the debt.

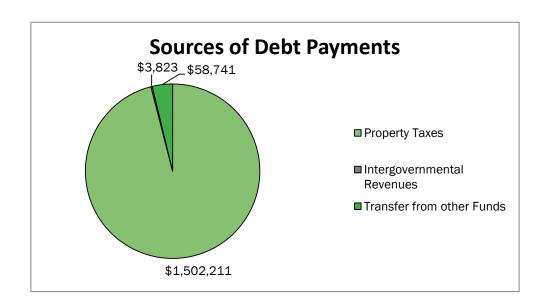

2018 debt is \$1,387,500 for Capital projects and \$3,330,000 for TIF District #4.

The City's existing debt level will impact the City's tax needs for the next several years. As shown in the tax impact schedule, the annual property tax rate for debt service increased by 48% from 2012.

The following graph shows the annual tax rate for debt service payments from 2012 through 2017:

## Special Revenue Funds

The purpose of a Special Revenue Fund is to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or sources for major capital projects) that are legally restricted to expenditures for specified purposes. The distinguishing account characteristic of a Special Revenue Fund is that services delivered by a Special Revenue Fund are financed by the user of the service paying for the service based on actual use. Special revenue funds utilized by the City include the following (fund number in parenthesis):

#### Cemetery (200)

Accounts for the operations of the three cemeteries owned by the City: Immanuel Church Cemetery, Zur Ruhe Cemetery and Immanuel Lutheran Heritage Cemetery. Costs associated with the operations of the cemeteries are supported by the sale of cemetery plots. In the late 1960s, the Zur Ruhe Cemetery Association turned over Zur Ruhe Cemetery and assets to the City of Cedarburg. In 1977, the Immanuel Cemetery Association also turned over its assets, which left the City of Cedarburg with two cemeteries to maintain. In 1998, Immanuel Lutheran Church turned over the Immanuel Lutheran Heritage Cemetery to the City of Cedarburg. The management of the cemeteries is overseen by the Public Works and Sewerage Commission and is staffed by the Engineering and Public Works Department, Building Inspection Division, which records all ownership and burial records for over 15,000 cemetery lots within the cemeteries as well as maintaining the property and sale of lots.

#### **Room Tax (210)**

Established in 1995, this fund is used to account for the receipts of the City-wide room tax which went into effect on January 1, 1995. The only expenditures from this fund are the distribution of 95% of the revenues collected to the Cedarburg Chamber of Commerce for tourism, promotion and development with the remaining 5% for collection and administration costs transferred to the General Fund.

#### **Recreation Programs (220)**

This fund is used to account for all recreation programs for which the fee charged is to be sufficient to cover the direct operating cost of the program, including exercise and fitness, adult softball, youth basketball, youth football, volleyball, and gymnastics.

#### **Swimming Pool (240)**

This fund accounts for the operations of the Cedarburg Community Pool and of the concession stand.

#### Park Subdivider Deposit (250)

This fund is used to account for the receipt and disbursement of park fees collected. The fees are used for new park equipment in new or existing parks to serve the growing population.

State Statute 66.0617 permits establishment of impact fees for public facilities. In 2011, the City hired a firm to update its impact fee schedule. The new fees were implemented in 2012 and assessed to newly created residential lots. No revenues for fees are budgeted for the park subdivider deposit fund; such revenues are dependent on creation of residential subdivisions, which cannot be reasonably predicted on an annual basis. The only expenditures of this fund are transfers to the Capital Improvement Fund for park-related projects.

#### **Library (260)**

This program accounts for the revenues and expenses related to the Library's operation to separately identify Library-related revenues, expenses, fund balances and donations. The program is overseen by the Library Board.

### **Special Revenue Fund—Cemetery**

200-544210

**Department:** Engineering and Public Works Program Manager: Building Inspector

Program Description: The materials and labor for this budget are used for three City-owned cemeteries: Zur Ruhe, Immanuel, and Immanuel Heritage. This includes lot sales, layout of plots, coordination with funeral directors, lawn maintenance, general upkeep of roads and water lines, and Immanuel Cemetery rental house.

#### **Products and Services:**

- Layout graves for opening and perform cremain burials
- Landscape and lawn service for grave areas
- Sell cemetery lots
- Maintain computerized records and burials

#### **Cemetery Staffing Levels (Full-Time Equivalent Employees-FTE):**

Personnel Schedule Summary Position	2016 FTE	2017 FTE	2018 FTE
Building Maintenance Engineer and Custodian	0.17	0.17	0.08

DEPARTMENT SERVICES INDICATORS:	2015	2016	2017 Estimated	2018 Projected
Cemetery lots sold	39	32	10	10
Number of burials (casket & cremains)	61	70	70	60
Number of cemetery monument permits	31	37	25	25

#### **2017 SIGNIFICANT ACCOMPLISHMENTS:**

- 1. Increased Monument Permits to \$50 to help maintain headstones
- 2. Removed storm damaged tree

#### 2018 OBJECTIVES TO BE ACCOMPLISHED:

Remove and replace fascia, soffit, trim and doors on mausoleum

#### **Long-Term Objectives:**

- 1. Review locations for additional burial space at Immanuel and Zur Ruhe Cemeteries
- 2. Install section markers at both cemeteries if appropriate and cost effective
- 3. Replace roof on rental house

#### **Account Detail And Budget Variances:**

#### 544210—Cemetery Fund

#### **Expenditures**

111 Salaries: Reduced allocation of full time employee from 17% to 8%

940 Transfer to Capital Improvement Fund: Mausoleum repairs

### **Special Revenue Fund—Room Tax**

210-566700, 592000

**Department:** Treasurer

**Program Manager:** City Treasurer

**Program Description:** In 1994, pursuant to Wisconsin Statutes Section 66.75, the City imposed a tax on the privilege and service of furnishing, at retail, rooms or lodging to transients by hotel keepers, motel operators and other persons furnishing accommodations that are available to the public, irrespective of whether membership is required for the use of the accommodations. The tax rate is five percent (5%) of the gross receipts from such retail furnishing of rooms or lodgings. The taxes are due quarterly, thirty days after the end of the quarter.

The City keeps 5% of the collected taxes and the other 95% is disbursed to the Chamber of Commerce for tourism promotion and development (70%) and downtown capital improvements (25%). The Chamber of Commerce places 25% of the funds received in an account for capital improvements to enhance the City. The remainder of the funds are used for the operation of the Chamber and the Tourism, Promotion and Development Committee.

### **Special Revenue Fund—Recreation**

220-555390

**Department:** Recreation

Program Manager: Parks, Recreation & Forestry Director

**Program Description:** The self-supporting Youth Basketball, Youth Football, and other Summer/Winter Recreation Programs are administered by the Parks, Recreation and Forestry Department. The self-supporting Recreation Fund accounts for all recreation programs for which the fee charged is to be sufficient to cover the direct operating costs. All Special Revenue Recreation programs and General Fund Recreation programs were moved into this one fund in 2010.

The majority of Recreation Administration non-personnel budget and the entire Civic Band budget were moved to this fund in 2012.

#### **Products and Services:**

- Implementation of youth and adult recreation instruction programs
- Implementation of youth and adult sport leagues
- Implementation of youth basketball leagues
- Cooperate with Solar Recreation to provide youth basketball instruction, arts and crafts, and youth drama programs
- Implementation of adult softball and volleyball leagues
- Implementation of adult exercise and fitness programs
- Implementation of Summer Supervised Playground program
- Implementation of youth football program
- Coordinate and cooperate with other community recreation providers including the Ozaukee County YMCA and the North Shore Academy of Gymnastics
- Offer discount tickets to various Wisconsin and Illinois tourist attractions
- · Oversight of Youth Center program
- Implementation of youth sand volleyball league
- Work with various community groups and organizations to promote and enhance recreational opportunities within the community including Cedarburg Soccer Club, Cedarburg Select Baseball and Softball, and Land O'Lakes Adult Baseball teams
- Implementation of special events to include triathlon, Easter egg hunt, youth dances, Halloween show, and other special events
- Cooperate with the North Shore Academy of Gymnastics to provide gymnastics instruction
- Cooperate with Chay's Tae Kwon Do to provide Tae Kwon Do
- · Implementation of indoor aquatic programs
- Administer all recreation programs in Special Revenue Fund
- Administer services provided to divisions
- Create and restructure programs
- Staff support provided to Parks, Recreation and Forestry Board, Community Pool Commission and Common Council
- Provide direct services to various organizations such as: Youth Center, Seniors, aerobics, recreational basketball and festival committees

### Special Revenue Fund— Swimming Pool

**Department:** Parks & Recreation

**Program Manager:** Parks & Recreation Director

**Program Description:** This fund accounts for the operations of the Cedarburg Community Pool constructed in 1995-1996. All direct operating expenditures of the pool are budgeted for in this fund, along with the accompanying revenues from use of the pool, concessions, rentals, etc. Any deficit from pool operations is subsidized by the City.

#### **Products and Services:**

- Recreational swimming
- Daily admission or seasonal passes available
- Youth and adult swim instruction
- Concessions
- Water play equipment
- Sand play equipment
- Outdoor aquatic facility rental reservations
- Recreational Swim Team
- Sand volleyball
- Water exercise
- Lap lanes
- Youth Sand Volleyball Leagues

#### **Swimming Pool Staffing Levels (Full-Time Equivalent Employees—FTE):**

#### **Performance Measures:**

Service Area	Objective	Efficiency Measure	Target 2015/2016	Target <b>201</b> 6/ <b>201</b> 7	Target 2017/2018
Community Pool	Operation of the Pool	Operating Cost Per Person	\$28	\$28	\$29

#### **2017 Significant Accomplishments:**

- 1. New pool heater and main breaker panel
- 2. Offered teen nights
- 3. Offered swim class
- 4. Partnered with Stilt House for beer gardens

#### 2018 Objectives To Be Accomplished:

- 1. Add credit card system for Concessions
- 2. Replace drop slide pump assembly

#### **Long-Term Objectives:**

- 1. Replace or repair slides and play structures
- 2. Add new water attractions
- 3. Remodel and/or expand concession stand and concession operations
- 4. New pool liner

#### **Account Detail:**

#### 555320—Swimming Pool

- 210 **Professional Services:** Computer annual maintenance and service, American Red Cross costs
- 290 **Contracted Services:** Weed and feed turf areas, miscellaneous repairs
- 324 **Permits and Licenses:** Pool license
- 330 **Travel and Training:** Wisconsin Park and Recreation Association aquatics training, Aquatic Facility Operator certification costs
- Repair and Maintenance Supplies: Miscellaneous supplies, maintenance, paper supplies, cleaning supplies, paint, stain, motor/pump repairs, etc.
- 346 **Uniforms:** Lifeguards and swim team
- **Operating Supplies:** All pool chemicals (acid, chlorine, D.E. filter powder)
- **Equipment:** Rescue tubes, pumps, chairs, foot wash station
- 390 **Other Supplies:** Swim team ribbons, office supplies, admission tickets, medical supplies, swim diapers

#### **Budget Variances:**

#### **Expenditures**

#### 555320—Swimming Pool

380 **Equipment:** Decreased from 2017 which included a pool heater

#### **Revenues**

**Department:** Library

**Program Manager:** Library Director

**Program Description:** The Library is a "body politic" overseen by a City seven-member Library Board, appointed by the Mayor and Common Council. Day to-day management is delegated to the Library Director. The Library's governance is determined by Wisconsin State Statute Chapter 43. The Library is primarily funded by local property taxes and also receives revenue from the non-libraried non-resident County tax.

The Library was a member of the Eastern Shores Library System (ESLS) and now is a member of the Monarch Library System as of December 15, 2016. The system provides residents access to 33 public libraries in Dodge, Ozaukee, Sheboygan and Washington Counties including Lakeland College and two Bookmobiles. Residents have access to well over a million items among all the member libraries.

The mission of the Cedarburg Library is to provide organized information and varied resources to all citizens of the community for their continuing educational, cultural and recreational needs.

#### **Products and Services:**

#### Adult Services include:

- Reference and research assistance
- Reader's Advisory—includes interlibrary loan from other libraries throughout the county, state and country
- Librarian consultations—assistance with electronic devices/tech related issues/research on particular topics
- 11 public internet computer stations
- Wifi and wireless printing
- Modern microfilm reader/scanner and access to the News Graphic back to the 1880's
- Private study rooms and MediaScape room with technology for collaborative group work
- Test proctoring for college and high school students
- Community Room available for public use; includes technology and hearing loop for hard of hearing

#### • Children's and Youth Services include:

- Traditional library services along with providing school visits, tours, displays, special programs and story hours for two, three, four and five year-olds, and the Summer Reading Program; after school programs and literacy development
- Assistance to parents/caregivers for finding age appropriate reading material for children and youth and encouragement of lifelong reading and learning
- Homework assistance and collaboration with schools for assignment materials
- Six computer stations loaded with literacy and phonic development programs and links to educational websites
- Teen Zone with a young adult book collection and programs/events for teens

#### **2017 Significant Accomplishments:**

- 1. Received two local grants to put toward technology enhancement programs at the Library. Timeline for implementation runs through first half of 2018. Areas of interest were determined by the technology user survey from 2016.
- 2. Merged with Washington and Dodge County libraries to become the newly formed Monarch Library System. Handled many changes and obstacles that occurred during the merger with two other counties.
- 3. Added five Sundays to our public service hours at minimal cost to match the school year

#### 2018 Objectives To Be Accomplished:

- 1. Continue to work with Library Board and staff on our goal to be a technology center for the community
- 2. Find ways to create a technology replacement budget and create a cycle for replacement of hardware as we go into our fourth year of usage.

#### **Long-Term Objectives:**

- 1. Develop a short and long range plan for library services
- 2. Develop a library employee handbook; connected to City Employee Handbook with library-specific description

#### **Account Detail:**

#### 555110—Library

#### Operating:

- **Electric:** 2015 was first full year in the building, so up until then usage has been an estimate. 2016 amount compared to 2015 amount is being used for 2017 estimate
- 240 Maintenance and Repair: Preparing for potential maintenance repair in fourth year of building usage
- 312 **Computer Supplies:** Need to budget for hardware replacement cycle
- **Publications and Subscriptions:** We are a net borrower in the system. Meaning we request more materials from other libraries than we supply in the shared services system. We are not meeting the demand from our users and are instead highly using the resources from other municipal libraries. The recommended standard for materials expenditure of a library in our population size is \$117,415

#### **Budget Variances:**

#### **Expenditures:**

#### 555110-Library

- **Maintenance Salaries:** Increase due to adding funds for DPW staff when they fill in for library custodian. Funding had not been there in prior budgets so this line was over expended.
- 159 Longevity: 2017 was not correctly funded to apply for the part-time staff receiving longevity pay. Adjusted for 2018.
- 222 **Electric:** Increase to actual
- 225 **Telephone:** Increase to actual
- 240 **Repair and Maintenance:** Increased to reflect actual costs of operational maintenance.
- 350 Operating Supplies: Increased to reflect actual costs of operating supplies
- 380 **Equipment/Capital Outlay:** Beginnings of an equipment replacement fund
- 381 Shared System Services: Increase for membership in the 4 county Monarch Library System

#### Revenue:

- 467100 Fines and Fees: Reduced to meet estimated projection of fines/fees paid
- 467110 **Other Revenue–County:** Increase due to more service to non-libraried non-residents and increase in percentage that the County reimburses us.

# City of Cedarburg INTERNAL SERVICE/RISK MANAGEMENT FUND

Under Statement No. 10 of the Governmental Accounting Standards Board, risk management activities of a governmental entity can be accounted for in either the General Fund or an Internal Service Fund. The City of Cedarburg has chosen to use an Internal Service Fund. As such, this fund accounts for all risk management activities of the City.

Costs accounted for in this fund include premiums and claims costs for:

- General Liability Insurance (\$5 million)
- Excess Liability Insurance (\$5 million excess of \$5 million)
- Auto Physical Damage Insurance
- Property Insurance
- Employment Practices Insurance (\$1 million)
- Workers' Compensation Insurance
- Unemployment Compensation (Uninsured)
- Boiler and Machinery Insurance (Equipment Breakdown Insurance)
- Deductible and uncovered liability expenses

#### **Providers**

The general liability insurance is provided through the Cities and Villages Mutual Insurance Company (CVMIC), a municipal insurance pool, in which the City retains exposure to losses for liability claims up to \$17,500 per occurrence, with a \$70,000 yearly claims payment maximum (the Cedarburg Light & Water Commission also is considered in the yearly maximum). The general liability policy provides coverage for "third-party" claims for auto and other forms of damages. The insurance pool also covers and administers workers' compensation. On a group purchase basis, the City obtains Auto Physical Damage, Excess Liability, Boiler and Machinery and Employment Practices Insurance through CVMIC. Property insurance is obtained through EMC Insurance.

#### **Deductibles and Self-Insured Retentions**

The Employment Practices and Excess Liability programs have no deductible. For the property insurance program, the City has opted for the \$10,000 deductible per claim, no aggregate. The Auto Physical Damage deductible is set at \$1,000 per claim. Workers' compensation coverage by Statute for wage reimbursement begins after the third day of injury leave. The City's policy is to continue an employee's normal wage and self-insure the first three days of injury leave until workers' compensation begins. The General Liability program has a per claim deductible of \$17,500 with a \$70,000 total annual aggregate.

In addition to premiums and claims within the City's self-insured retention, other liability insurance costs that may be paid by this fund include claims outside the scope of the policy or coverage period or litigation expenses related to defending the City against claims.

#### **Allocation of Costs**

The premium and claims costs for the above programs are funded via charges to General Fund departments, the Water Recycling Center Fund, and the Swimming Pool, Cemetery, Recreation Programs and Library in the Special Revenue Fund. Premium charges to operating departments are based on factors such as value of automobiles, value of buildings and contents and employee salaries. One-half of the City's liability insurance premium is attributable to vehicles and allocated along with the physical damage premium.

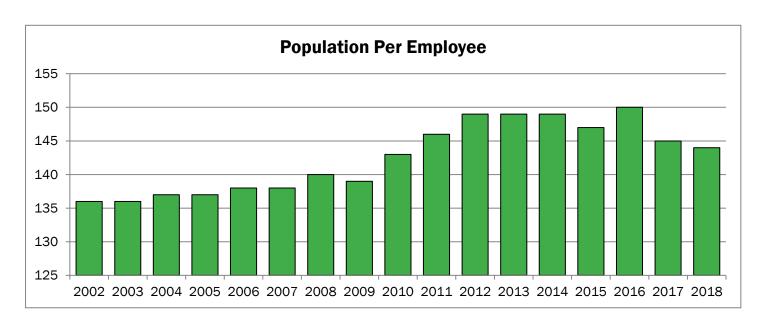

The remainder of the liability insurance premium is combined with an estimate of claims costs (including legal and administration) and allocated accordingly to individual funds. In addition to premium and claims costs, this fund also paid the debt service on the bonds required to be issued by the City with respect to the formation of CVMIC. These debt service costs were financed by dividends from CVMIC based on investment earnings of CVMIC. The bonds were paid in full in 2007.

The budgeted expenses and revenues for this fund are in full compliance with GASB 10. This fund reflects all the above noted costs in a single fund to better account for and monitor the City's insurance costs (previously, insurance costs were accounted for in several different departments and funds). The Internal Service Fund includes Cedarburg Light & Water's liability and workers' compensation claims expense per the recommendation of the City's auditors.

## **Accomplishments**

Goals and objectives that are completed by a Department/Division within a particular budget year.

## **Accrual Basis of Accounting**

A system of accounting in which revenues are recorded when earned and outlays are recorded when goods are received or services performed, even though the actual receipt of revenues and payment for goods or services may occur, in whole or in part, at a different time.

## **Adopted Budget**

Refers to the budget amounts as originally approved by the Common Council at the beginning of the year along with any amendments that have been approved throughout the year.

#### **Amortization**

Reduce or extinguish a debt by putting money aside regularly.

## **Appraised Value**

To make an estimate of value for the purpose of taxation.

## **Appropriated Fund Balance**

The amount of fund balance to be used as a revenue for a given fiscal year to offset operating expenses that exceed current revenue.

## **Appropriations**

An act or ordinance of the City Council allowing agencies and departments to incur obligations and to make payments out of a specific budget for specified purposes.

#### **Assessed Valuation**

A value established for real estate and certain personal property as a basis for levying property taxes.

#### **Assets**

Probable future economic benefits obtained or controlled by a particular entity as a result of past transactions or events.

#### **Audit**

An examination of the City's financial statements—prepared by an independent certified public accountant—which determines if those statements fairly represent the City's financial position and results of operations in conformity with generally accepted accounting principles.

#### **Balanced Budget**

Budget is balanced when planned funds or total revenues equal planned expenditures or total disbursements for a fiscal year.

## **Benchmarking Process**

The process used to identify (performance measurements), learn, adapt, and measure outstanding practices and processes to improve performance.

## **Bond Anticipation Notes**

Short-term financing mechanism with a term generally three to five years in length.

#### **Bonds**

A form of borrowing (debt financing) which reflects a written promise from the City to repay a specified sum of money at a specified future due date along with periodic interest paid at a specified percentage of the principal. Bonds are typically used for long-term debt to pay for specific capital expenditures. The difference between a note and a bond is that the latter is issued for a longer period (over ten years) and requires greater legal formality.

## **Budget**

A financial plan for a specified period of time that matches projected revenues and planned expenditures to municipal services, goals and objects.

## **Budget Message**

The opening section of the budget document which provides the Common Council and the public with a general summary of the principal aspects of the budget against the background of financial experience in recent years, notes significant changes from the current and previous fiscal years and the views and recommendations of the City Administrator/Treasurer.

## **Budget Preparation Calendar**

The schedule of key dates or milestones which the City follows in the preparation and adoption of the budget.

## **Capital**

Expenditures made to acquire, reconstruct, or construct major fixed or capital assets. Capital assets also are called fixed assets. A fixed asset is a tangible object of a long-term character which will continue to be held or used, such as land, buildings, machinery, furniture and other equipment. A capital asset usually exceeds \$1,000 in cost and has an expected useful life expectancy of 12 months.

## **Capital Budgets**

Identify the infrastructure or fixed assets that are to be constructed, renovated, and repaired, match funding sources to specific infrastructure and other physical assets of a government entity and present to the citizens a statement of expectations about the build environment.

## **Capital Improvement Plan**

The Plan identifies priorities and a timeframe for undertaking capital projects and provides a financing plan for those projects.

## **Capital Improvement Program**

A capital investment strategy focusing on the current budget year and the five years thereafter. The CIP depicts a comprehensive picture of the City's capital needs and aids in budget planning—identifying the expected beginning and ending date for each project, the amount to be expended in each year and the method of financing those expenditures. Capital projects often extend beyond the fiscal year in which they are approved. The City either appropriates the entire project cost in the initial fiscal year or identifies annual phases which may be approved in future years should funding be available.

## **Capital Project**

The largely one-time cost for construction, improvement, replacement or renovation of land, structures and equipment.

## **Cities & Villages Mutual Insurance Company**

An insurance pool formed in 1987 primarily to provide liability insurance and risk services on a more cost-effective basis compared to traditional insurance. The City is a charter member of this 45-city organization. The pool has branched out to provide workers' compensation, auto, boiler and machinery insurance (see Internal Service Fund).

## **Citizen Action and Response Ensured**

An automated service request tracking system providing contact communications, comprehensive action tracking and valuable management reporting.

## **Contingency Account**

A portion of the General Fund set aside for emergencies or expenditures not forseen in the budget.

#### **Current Assets**

Assets that are expected to be realized in cash, sold, or consumed within one year.

#### **Current Liabilities**

Obligations to creditors, suppliers, tax authorities, and others, payable within one year.

#### **Debt Service**

The payment of interest and principal on borrowed funds such as bonds.

## **Department**

An organizational unit of the City that manages an operation of related operations within a functional area.

## **Depreciation**

The allocation of the cost of an asset over a period of time (life of the asset).

## **Distinguished Budget Presentation Awards Program**

A voluntary awards program administered by the Government Finance Officers Association to encourage governments to prepare effective budget documents.

#### **Encumbrance**

The legal commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a future expenditure.

## **Enterprise Funds**

A governmental accounting fund in which the services provided are financed and operated similarly to those of a private business enterprise, i.e., user charges.

#### **Equalized Value**

Equalized Value is the estimated value of all taxable real and personal property in each taxation district, by class of property, as of January 1, and certified by the Department of Revenue on August 15 of each year..

#### **Estimated Revenue**

The amount of projected incoming funds to be collected during the fiscal year.

## **Expenditures**

The cost of goods received or services rendered whether payment for such goods and services has been made or not.

#### Fees, Licenses, and Permits

Revenues derived from the issuance of local licenses and permits including professional and occupational licenses, building permits, and other miscellaneous permits.

## **Full-Time Equivalent Position**

A unit for measuring staffing levels equal to one position working 40 hours per week for an entire year.

#### **Fund**

A fiscal and accounting entity with a self-balancing set of accounts recording cash and for other financial resources, together with all related liabilities and residual or equities, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

#### **Fund Balance**

The cumulative excess of revenues over expenditures in a fund at the end of a fiscal year.

#### **Fund Equity**

The excess of fund assets and resources over fund liabilities. A portion of the equity may be reserved or designated; the remainder is referred to as Fund Balance.

#### **General Fund**

The primarily operating fund used to account for revenues and expenditures for regular day-to-day operations of the City.

## **General Obligation Notes Bonds**

Bonds that finance a variety of public projects, such as streets, sewers, buildings and improvements, which pledge the full faith and credit of the City.

#### Goal

A long-term statement of broad direction, purpose, or intent.

## **Governmental Accounting Standards Board**

Board which establishes and improves standards for state and local governmental accounting and finances reporting resulting in useful information for users of financial reports and guide and educate the public, including issuers, auditors and users of those financial reports.

#### **Governmental Funds**

Used to account for tax-supported (governmental) activities. Included are General Fund, Special Revenue Funds, Capital Improvements, Debt Service and Trust & Agency.

#### Grant

A contribution by a government or other organization to financially support a particular function or purpose.

#### **Infrastructure Assets**

Physical assets including roads, bridges, curbs and gutters, sidewalks, drainage systems, and lighting systems installed for the common good.

## **Intergovernmental Revenues**

Funds received from another government source (State, Federal and Local) which can be in the form of grants or shared revenues.

#### **Internal Service Funds**

Funds established to account for the financing of goods or services provided by one department or other departments within the City. Goods and services are furnished and billed at cost plus a fixed factor which is designed to cover all expenses of the funds.

#### Levy

To impose taxes, special assessments, or service charges for the support of City activities.

## **Major Fund**

Total assets, liabilities, revenues or expenditures/expenses of the individual governmental or enterprise fund are at least 10 percent of the corresponding total of all funds of that category; and total assets, liabilities, revenues or expenditures/expenses of the individual governmental or enterprise fund are at least 5 percent of the total for all governmental and enterprise funds combined.

#### **Mission Statement**

A broad statement which sets out the goals and activities that improve the quality of life of City of Cedarburg residents.

## **Modified Accrual Basis of Accounting**

The time period for recording financial transactions when (1) revenues are recognized in the accounting period in which they become available and measurable; and (2) expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt and certain similar accrued obligations, which should be recognized when due.

#### **Non-Major Fund**

Does not qualify to be a major fund

#### **Objective**

Specific targets for achievement which represent an interim step or progress toward a goal within a specified time span.

## **Operating Budget**

A financial plan that presents proposed expenditures for a fiscal year and estimates of revenue to finance those expenditures.

## **Operating Budget Impacts**

Provide the projected operating costs for each year of a capital project. Operating costs could include new staff salaries, debt service payments, maintenance expenses, and utilities.

## **Operating Expenditures**

The costs which provide a financial plan for the operation of government and the provision of services for the year.

## **Other (General Fund)**

A category for expenditures itemizing costs related to banking fees and other financial transactions.

## **Pavement Surface Evaluation and Rating**

A State approved standard for rating streets.

#### **Performance Measurements**

A quantitative means of assessing the efficiency and effectiveness of services performed by departments.

## **Policy**

Plan, course of action or guiding principle, designed to set parameters for decisions and actions.

#### **Products and Services**

Measures of effort and accomplishment that illustrate the performance of the City of Cedarburg in terms of service provisions.

## **Property Taxes**

Used to describe all revenues received in a period from current taxes, delinquent taxes, penalties and interest on delinquent taxes. Property taxes are levied on both real and personal property according to the property's valuation and tax rate.

## **Proprietary Funds**

Used to account for the City's business-type activities. Included are Enterprise Funds and Internal Service Funds, Sewer Utility Fund and Internal Service Fund.

#### **Revenue Bonds**

Bonds sold to construct a project that will produce revenues pledged for the payment of related principal and interest.

## **Risk Management**

An organized attempt to protect a government's assets against accidental loss in the most economic method.

#### **Shared Revenue**

Income that is levied by one governmental unit but shared usually on a predetermined basis, with another unit of government or class of governments.

## **Special Assessment**

A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service which is presumed to be of general benefit to the public and of special benefit to such properties.

#### **Special Revenue Funds**

This fund is used to account for the proceeds from specific revenue sources that are legally restricted to expenditures for specific purposes.

#### **Target Based Budgeting**

Common Council sets parameters and percentage of increase or decrease by which Department Heads must develop a budget using the targeted number. Additional budget requests over and above parameters are unfunded and approved line by line by the Common Council.

#### **Tax Incremental District**

A district created by local governments under State of Wisconsin Statutes whereby public improvement expenditures within the district are financed by the tax levy on the incremental increase in property values.

#### **Tax Levy**

The total dollar amount of taxes, special assessments, or service charges imposed by a governmental unit.

#### **Tax Rate**

The rate, usually expressed in terms of dollars per one thousand dollars of assessed valuation, at which taxes are levied against the total assessed valuation of the City. Due to changes in the total assessed valuation of the City from year to year, the tax levy change and the tax rate change will not be the same. The tax rate change reflects what impact the property owner will see in their total taxes.

#### **Trial Balance**

A balance of debits and credits in double-entry bookkeeping; drawn up to test their equality.

## **Trust and Agency Funds**

A fund used to account for assets held by the City in a trustee capacity for individuals, other governments, or other funds.

## **Visioning**

A planning process which attempts to maximize public participation in a Forum that leads to a consensus on as many issues as possible.

#### **WI DNR N333 of the WI Administrative Code**

Section of the Code dealing with dams, e.g., safety, construction and regulations the DNR has on them.

#### **Wisconsin Public Power**

Cedarburg's power supplier is owned by Cedarburg and 50 other Wisconsin communities that operate municipal utilities. These communities supply electricity to more than 100,000 homes and businesses throughout the state. Based in Sun Prairie, WPPI was formed in 1980 to provide its member-owners with reliable, low-cost electricity, power supply expertise and industry related business services.

## **Working Capital**

Current assets minus current liabilities, also called net assets.

## **Zero-Levy Growth Target**

Set by the Common Council for management to reach in developing the budget. Tax levy has to equal prior years, thus reflecting a "zero-levy growth."
