## **CITY OF CEDARBURG PUBLIC MEETING POLICY DURING COVID-19**

The City of Cedarburg will begin utilizing [zoom](#), an online meeting tool, to conduct City meetings. This includes all public meetings. We are cancelling all non-essential meetings and limiting agenda items but there are items that do require decisions to be made so that projects throughout the City can continue or get completed in a timely manner. We will continue to adhere to open meeting laws as set forth by the State of Wisconsin.

Most recently the Wisconsin Department of Justice issued an advisory on March 16, 2020, addressing this issue and stating that: "Governmental bodies typically can meet their open meetings obligations, while practicing social distancing to help protect public health, by conducting meetings via telephone conference calls if the public is provided with an effective way to monitor such calls (such as public distribution, at least 24 hours in advance, of dial-in information for a conference call)." The advisory emphasizes that "When an open meeting is held by teleconference or video conference, the public must have a means of monitoring the meeting. DOJ concludes that, under the present circumstances, a governmental body will typically be able to meet this obligation by providing the public with information (in accordance with notice requirements) for joining the meeting remotely, even if there is no central location at which the public can convene for the meeting.
