**Discuss Behling Field Storage Shed; and Action Thereon**

Director Hilvo explained that they will be leasing a plot of land next to Behling Field from Immanuel Lutheran Church to build a new storage shed. Director Hilvo went through the lease terms, stipulations and specifications for the size of a proposed shed. The City of Cedarburg will continue to maintain and cut the grass for this plot of land as they have always done in the past. Terry Wagner suggested that the Cedarburg Mercs and Cedarburg Select Baseball be approached to help fund this proposed shed.

**NEW BUSINESS**

**Consider Eagle Scout Project to Clean-up Woods in Centennial Park; and Action Thereon**

Director Hilvo introduced Eagle Scout Patrick Knox. He explained that he wanted to clean up the Centennial Park woods to create a biking and hiking trail in that area. Mr. Knox gave a short presentation that outlined his plan for the project.

Terry Wagner inquired if the course could be marked so that Board members could walk the area to see it. Director Hilvo said that it is very dense right now and it would be difficult to walk through this area. Council Member Verhaalen asked what the length of the trail would be and Mr. Knox said that it measures out to 0.43 miles. He also inquired about when the project would begin and Mr. Knox said they would start on the trails very soon. Glenn Herold asked about the issue of erosion in that area. Mr. Knox said that typically with all the pressure from the bikes and the people walking on it, it tends to get packed down so erosion is not a problem for the trails. Director Hilvo added that this would be valuable to have in our community since mountain biking clubs are becoming extremely popular. He also mentioned that this area would help to create new programming for the City of Cedarburg.

Motion made by Council Member Verhaalen, seconded by Glenn Herold, to approve Eagle Scout Patrick Knox's plan to begin cleanup of Centennial Park to create hiking and biking trails. Motion carried without a negative vote with Paul Rushing and Scott King excused.

**REPORTS**

Director Hilvo reported on current parks and forestry projects.

Superintendent Bultman reported on current program updates.

**ADJOURNMENT**

Motion made by Glenn Herold, seconded by Dave Polacek, to adjourn the meeting at 7:16 p.m. Motion carried without a negative vote with Paul Rushing and Scott King excused.

Danny Friess  
Recreation Supervisor
