Consider Sculpture at Boy Scout Park; and Action Thereon

Administrator Hilvo presented a request from Karen Yank (Paul Yank's daughter) to place a sculpture done by Paul called "Tree of Life" at the Boy Scout Park between the Boy Scout House and Bridge Road in the middle of the trees. This is the only sculpture he has that can be outside, represents his work, and fits the location described. Discussion ensued. Some concerns were raised about it not being the best representation of his impressive collection of art but overall the Committee felt that this piece fits the location, is a piece that will last, and is a sculpture that will continue to remind people of the legacy he left behind.

Kerry Tharp made a motion to approve the sculpture to be placed at Boy Scout Park at the location specified by the Yank family. Deb Mortl seconded the motion. Motion carried unanimously without a negative vote.

ADJOURNMENT

Motion was made by Sue Schrader, seconded by Blaine Gibson, to adjourn the meeting at 10:14 a.m. Motion carried without a negative vote.
