CITY OF CEDARBURG YARD WASTE DISPOSAL GUIDE

BRUSH PICKUP

The Public Works crew will pickup small quantities of brush (not to exceed ten cubic yards of loose volume brush) beginning at 7 a.m. the first Monday of the month from April 1st through October 7th (in September, pickup will start on Tuesday due to the Labor Day holiday). Brush should be neatly stacked with the butt ends facing the same way and placed in the parkway so that it does not block the sidewalk or extend into the street. Brush can also be taken to the City of Cedarburg yard waste collection site.
